The Other End of the Leash Patricia McConnell, Ph.D.,2009-02-19 Learn to communicate with your dog—using their language “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years’ experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on how “man’s best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover: • How you can get your dog to come when called by acting less like a primate and more like a dog • Why the advice to “get dominance” over your dog can cause problems • Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief • How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wanna-bes!” Fascinating, insightful, and compelling, *The Other End of the Leash* is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.

Drum ,2005

By The Numbers Jen Lancaster,2016-06-21 The New York Times bestselling author of *The Best of Enemies* serves up a hilarious new novel of the “sandwich generation.” Actuary Penny Sinclair has a head for business, and she always makes rational decisions. Knowing that 60% of spouses cheat and 50% of marriages end in divorce, she wasn’t too surprised when her husband had an affair. (That he did so with a woman their daughter’s age? Well, that part did sting a bit.) She just made sure she got everything in the divorce, including their lovely old Victorian house. And as soon as her younger daughter has her hipster-fabulous wedding in the backyard, she’s trading it in for a condo in downtown Chicago... Well within the average market time in her area, Penny gets an offer on the house. But then life happens. Her children, her parents and her ex come flying back to the nest, all in need of Penny’s emotional—and financial—support. Spread thin, Penny becomes the poster child for the “sandwich generation,” when all she really wanted to do was make managing director, buy a white couch, and maybe go on a Match.com date...

Packed with vivid illustrations and a beautiful, fun-filled story, little ones will learn about the importance of being kind to others and being a loving friend. Good Omens Neil Gaiman,Terry Pratchett,2011-06-28 The classic collaboration from the internationally bestselling authors Neil Gaiman and Terry Pratchett, soon to be an original series starring Michael Sheen and David Tennant. ?Season 2 of Good Omens coming soon! “Good Omens . . . is something like what would have happened if Thomas Pynchon, Tom Robbins and Don DeLillo had collaborated. Lots of literary inventiveness in the plotting and chunks of very good writing and characterization. It’s a wow. It would make one hell of a movie. Or a heavenly one. Take your pick.” —Washington Post According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (the world's only completely accurate book of prophecies, written in 1655, before she exploded), the world will end on a Saturday. Next Saturday, in fact. Just before dinner. So the armies of Good and Evil are amassing, Atlantis is rising, frogs are falling, tempers are flaring. Everything appears to be going according to Divine Plan. Except a somewhat fussy angel and a fast-living demon—both of whom have lived amongst Earth's mortals since The Beginning and have grown rather fond of the lifestyle—are not actually looking forward to the coming Rapture. And someone seems to have misplaced the Antichrist . . .

Someone Who Will Love You in All Your Damaged Glory Raphael Bob-Waksberg,2019-06-11 Written with all the scathing dark humor that is a hallmark of BoJack Horseman, Raphael Bob-Waksberg delivers a fabulously off-beat collection of short stories about love—the best and worst thing in the universe. Featuring: • A young engaged couple forced to deal with interfering relatives dictating the appropriate number of ritual goat sacrifices for their wedding. • A pair of lonely commuters who ride the subway in silence, forever, eternally failing to make that longed-for contact. • A struggling employee at a theme park of U.S. presidents who discovers that love can’t be genetically modified. And fifteen more tales of humor, romance, whimsy, cultural commentary, and crushing emotional vulnerability.

Beyond the Truth Anne Holt,2019-04-16 In the seventh installment of the Hanne Wilhelmsen series “that demands to be read—and the more quickly, the better” (Bookreporter), the brilliant female detective must untangle the complex and bitter history of one of Oslo’s wealthiest families after a celebratory get-together ends in a shocking multivictim homicide. Shortly before Christmas, four people are found shot dead at the home of the Stahlbergs, a wealthy Oslo family of shipping merchants notorious for their miserliness and infighting. Three of the victims are members of the family, and the fourth is an outsider, seemingly out of place. Cake had been set out in the living room and a bottle of champagne had been opened but not yet poured. Yes, family gatherings during the holidays can be difficult, but why did this one become a bloodbath? As Hanne Wilhelmsen investigates the case alongside her longtime police partner, Billy T., motives for the murders emerge in abundance; each surviving member of the Stahlberg family had good reason to want the victims dead. As she searches for the killer, Hanne will once again risk everything to find out the truth. But this time, will she go too far? “When you think of Scandinavian noir, names like Stieg Larsson, Henning Mankell, and Camilla Lackberg probably come to mind, not Anne Holt. That may be about to change....Holt consistently delivers in her series. And Beyond the Truth...is her best yet...If you aren’t familiar with Anne Holt’s Hanne Wilhelmsen novels...dive in with this one—number 7—but then do yourself a favor and binge-read the first six” (Entertainment Weekly).
