Anna Walker

Funny Face Nicola Smee,2006-05-30 When a bear takes a young boy's ball, he and his dog display a wide range of emotions through their facial expressions.

Funny Face! Jacky Bahbout,2014-11-11 An ingeniously constructed drawing book that allows children to create a range of funny faces **Funny Face!** is an activity book in which things aren't quite what they seem. Inspired by the idea of visual puns, the book allows children to draw, shade, and fold to make surprising and funny things happen to pictures of all kinds of faces. Using clever but simple methods, the book helps children create a range of witty visual gags. Doodle through a die cut and shaggy eyebrows on one picture turn into a droopy moustache on the picture beneath. Open a gatefold to make a little boy's tiny ears become gigantic. Draw pictures on split pages to create faces with different hats, noses, and beards. Turn the pages back and forth to find all the tricks and make all the funny faces. Children will be delighted and surprised when, by creating one funny face, they unexpectedly make another funny face on a different page. Enhanced by Hannah Warren's entertaining range of cheeky, naughty, smiling, and jolly faces, presented through rich colors and a sturdy format, **Funny Face!** offers hours of entertainment for energetic and creative children.

Tess makes a scary face. Charlie makes a bunny face. And they all make... a funny face! Which face can you make? Educational potential Perfectly pitched at an audience coming to grips with basic concepts and relationships, in this case dress-ups, categories, parties, facial expressions and emotions. The illustrations are clear, and the bright bold blocks of colour make this appropriate for even the youngest child. From the Editor As with Froggy Green Anna has drawn little kids she knows and has portrayed them with unequalled affection and humour. It's impossible not to love Sam, Ollie, Lucy, Milly, Joe, Tess and Charlie...
