The Keeper of Stories Sally Page, 2023-01-24 A charming, uplifting debut novel—full of humor and depth—that has taken readers around the world by surprise. Everyone has a story to tell. But does Janice have the power to unlock her own? She can't recall what started her collection. Maybe it was in a fragment of conversation overheard as she cleaned a sink? Before long (as she dusted a sitting room or defrosted a fridge) she noticed people were telling her their stories. Perhaps they had always done so, but now it is different, now the stories are reaching out to her and she gathers them to her ... Cleaner Janice knows that it is in people's stories that you really get to know them. From recently widowed Fiona and her son Adam to opera-singing Geordie, the quiet bus driver Euan, and the pretentious Mrs. "YeahYeahYeah" and her fox terrier, Decius, Janice has a unique insight into the community around her. When Janice starts cleaning for Mrs. B—a shrewd and prickly woman in her nineties—she finally meets someone who wants to hear her story. But Janice is clear: she is the keeper of stories, she doesn't have a story to tell. At least, not one she can share. Mrs. B is no fool and knows there is more to Janice than meets the eye. What is she hiding? After all, doesn't everyone have a story to tell?

Smacked Eilene Zimmerman, 2020-02-04 A journalist pieces together the mysteries surrounding her ex-husband's descent into drug addiction while trying to rebuild a life for her family, taking readers on an intimate journey into the world of white-collar drug abuse. "A rare combination of journalistic rigor, personal courage, and writerly grace."—Bill Clegg, author of *Portrait of an Addict as a Young Man* Something was wrong with Peter. Eilene Zimmerman noticed that her ex-husband looked thin, seemed distracted, and was frequently absent from activities with their children. She thought he looked sick and needed to see a doctor, and indeed, he told her he had been diagnosed with an autoimmune disorder. Yet in many ways, Peter seemed to have it all: a beautiful house by the beach, expensive cars, and other luxuries that came with an affluent life. Eilene assumed his odd behavior was due to stress and overwork—he was a senior partner at a prominent law firm and had been working more than sixty hours a week for the last twenty years. Although they were divorced, Eilene and Peter had been partners and friends for decades, so when she and her children were unable to reach Peter for several days, Eilene went to his house to see if he was OK. So begins *Smacked*, a brilliant and moving memoir of Eilene's shocking discovery, one that sets her on a journey to find out how a man she knew for nearly thirty years became a drug addict, hiding it so well that neither she nor anyone else in his life suspected what was happening. Eilene discovers that Peter led a secret life, one that started with pills and ended with opioids, cocaine, and methamphetamine. He was also addicted to work; the last call Peter ever made was to dial in to a conference call. Eilene is determined to learn all she can about Peter's hidden life, and also about drug addiction among ambitious, high-achieving professionals like him. Through extensive research and interviews, she presents a picture of drug dependence today in that moneyed,

upwardly mobile world. She also embarks on a journey to re-create her life in the wake of loss, both of the person—and the relationship—that profoundly defined the woman she had become.

These pages reveal how Kendall did indeed fulfill her destiny as a seeker/warrior—and to the reader's good fortune is now a writer as well. Don't miss it. —Max Elbaum, author, *Revolution in the Air* Brimming with honesty, humor, and zeal, Kendall Hale's memoir shares her remarkable journey from youthful adolescence to thoughtful maturity in *Radical Passions*. Shaped within the context of major historical events from the turbulent 1960s to today, Hale follows her evolution from being the daughter of Mormon parents to becoming a member of the Students for a Democratic Society

and achieving spiritual maturity in her later years. Hale's journey is personal, yet universal. She explores her early college years protesting the Vietnam War, her young adulthood struggles in Boston with the new communist, feminist, and labor movements, and her transition to marriage and family. From her search for the socialist dream in Castro's Cuba, Mao's China, and Nicaragua during the Contra War to her role as a wife, mother, and veteran of a fractured marriage, Hale reveals her growing understanding of the world around her. A move to Asheville, North Carolina, spurred the birth and maturation of her spiritual quest. Hale describes how therapy, Buddhism, and spiritual travels in India, South America, and the Pacific led her back to the Blue Ridge mountains in a community replete with rednecks, polygamists, voracious developers, environmentalists, and New Age dreamers. Transitioning into menopause and the second half of life, Hale faces the challenges of aging and its potential flowering of wisdom and integration. A story for all who seek deeper meaning in their lives, *Radical Passions* is the inspiring tale of an ordinary woman's extraordinary life.

The Deviant's War Eric Cervini,2020-06-02 FINALIST FOR THE 2021 PULITZER PRIZE IN HISTORY. INSTANT NEW YORK TIMES BEST SELLER. New York Times Book Review Editors' Choice. Winner of the 2021 Randy Shilts Award for Gay Nonfiction. One of The Washington Post's Top 50 Nonfiction Books of 2020. From a young Harvard- and Cambridge-trained historian, and the Creator and Executive Producer of *The Book of Queer* (coming June 2022 to Discovery+), the secret history of the fight for gay rights that began a generation before Stonewall. In 1957, Frank Kameny, a rising astronomer working for the U.S. Defense Department in Hawaii, received a summons to report immediately to Washington, D.C. The Pentagon had reason to believe he was a homosexual, and after a series of humiliating interviews, Kameny, like countless gay men and women before him, was promptly dismissed from his government job. Unlike many others, though, Kameny fought back. Based on firsthand accounts, recently declassified FBI records, and forty thousand personal documents, Eric Cervini's *The Deviant's War* unfolds over the course of the 1960s, as the Mattachine Society of Washington, the group Kameny founded, became the first organization to protest the systematic persecution of gay federal employees. It traces the forgotten ties that bound gay rights to the Black Freedom Movement, the New Left, lesbian activism, and trans resistance. Above all, it is a story of America (and Washington) at a cultural and sexual crossroads; of shocking, byzantine public battles with Congress; of FBI informants; murder; betrayal; sex; love; and ultimately victory.

The Likeness Tana French,2008 A follow-up to *In the Woods* finds a traumatized detective Cassie Maddox struggling in her career and relationship with Sam O'Neill while investigating the unsettling murder of a young woman whose

Like *Two Owls at Eton* and *My Family and Other Animals*, *The Orchid Hunter* is a charming account of a precocious adolescent's obsession with the natural world.
