The Stack and Tilt Swing Michael Bennett, Andy Plummer, 2009-11-12 An in-depth, full-color, step-by-step guide to the new golf swing that has taken the PGA Tour by storm The traditional golf swing requires a level of coordination that few golfers have. So it's no surprise that, despite huge advances in club and ball technology, the average golf handicap in America has dropped by only one stroke since 1990. Maverick golf instructors Michael Bennett and Andy Plummer spent a decade researching the swing, eventually combining physiology and physics to create a method they dubbed the Stack and Tilt. The result? Big-name pros like Mike Weir, Tommy Armour III, and Aaron Baddeley are already converts, and Bennett and Plummer are now two of the most sought-after swing coaches in the game. Making these breakthroughs available to everyone, *The Stack and Tilt Swing* is a handsome, fully illustrated, complete course, packed with more than two hundred full-color photographs that make it easy for golfers at all levels to adopt this radical yet simple approach. Analyzing why the traditional swing won't work for most golfers, the authors explain the importance of keeping the upper body stacked over the lower body, while the spine tilts toward the target during the backswing, greatly reducing the inconsistencies created by the old-fashioned approach. Enhanced with practice routines, a troubleshooting list, test cases, and point-by-point assistance, this is the breakthrough guide to golf's hot new secret weapon.

Here are a few excerpts: WOW! A lot has changed in the past 20 years. When I first published this book in February, 1991, I didn't have a web address or a cell phone. Home computers were just starting to gain popularity and I hadn't quite turned 30 yet. ... Surprisingly, one thing that hasn't changed are the 10 Secrets for Golfing Success. They are still just as valid today as they were when I originally wrote about them 20 years ago. ... I Found the Golf God, 10 Secrets for Golfing Success was the first book I ever wrote, so it will always be very special to me. Based on the letters and comments I've received through the years, it's been a special book to dozens of other people, as well - both golfers and non-golfers alike. I've received letters from golf professionals giving the book credit for their first big tournament wins. I've received phone calls from men and women in all walks of life telling stories of how the book changed their lives (not just their golf games). I've even had several non-golfers get mad that it was a golf book and not a life improvement book, saying they almost hadn't read it because of that. One of the most magical moments for me was receiving a handwritten note from tennis legend, Martina Navratilova, stating how the concept of target golf had helped her golf game. Another was when international self-help author and success coach, Anthony Robbins, happened to come into a bookstore where I was doing a book signing, and asked me to autograph a copy of I Found the Golf God to his friend, Ken Blanchard (author of The One Minute Manager), as a birthday gift. ... I Found the Golf God sold nearly 10,000 copies in its first year, going to print three times in the first nine months. It's been used as a sales training tool, as a textbook for golf colleges, as a tournament gift bag item, and more. GOLFERS AND NON-GOLFERS ALIKE LOVE I Found the Golf God! With years and years of rave reviews from men and women golfers of all levels, this timeless golf and life improvement book is sure to help you improve your golf swing and your game!
