Jokes to Offend Men Allison Kelley,Danielle Kraese,Kate Herzlin,Ysabel Yates,2022-10-25 A man walks into a bar. It's a low one, so he gets a promotion within his first six months on the job. Four comedy writers transform classic joke setups into sharp commentary about the everyday and structural sexism that pervades all facets of life. Jokes to Offend Men arms readers with humorous quips to shut down workplace underminers, condescending uncles, and dismissive doctors, or to share with their exhausted friends at the end of a long day. A cutting, cathartic spin on the old-fashioned joke book, Jokes to Offend Men is a refreshing reclamation of a tired form for anyone who's ever been told to lighten up, it's just a joke!

Jokes for Guys Roger Johnson,2013-01-31 It's hardly a newsflash that men and women don't necessarily find the same things funny. Each gender has evolved a unique brand of humour. However, most men know better than to share guy humour with women. No one really needs another reason to spend the night in the doghouse! Jokes for Guys is designed and intended solely for the male of the species, a safe harbor where men are encouraged to laugh loud and proud about... well, manly things...and not to fear when snorting noisily in their beer and spewing suds. You'll find many a new joke in this macho collection, fit for the fairway, the stag party, the locker room, the barbershop or the barracks with humour as old as the cave or as fresh as tomorrow on: sex, marriage and the lack of sex, outhouses, cars, bars, baseball, blondes, bodily functions, golf, geezers, engineers, lawyers, preachers, politicians and pratfalls. Q: How many men does it take to open a beer? A: None! It should be opened when she gives it to you. Young lady comes home from a date, rather sad. She tells her mother, Anthony proposed to me an hour ago. Then why are you so sad? her mother asks. Because he also told me he's an atheist. Mom, he doesn't even believe there's a Hell. Her mother replies, Marry him anyway. Between the two of us, we'll show him how wrong he is! A recent poll disclosed the fact that ninety percent of all men masturbate in the shower, while the other ten percent sing. Do you know what they sing? You don't know, do you? I didn't think so... Q: Why do women rub their eyes when they wake up? A: Because they don't have balls to scratch.

Now That's Funny! Andy Simmons,2012-08-16 Every year, Reader's Digest readers send in tens of thousands of jokes and funny anecdotes, in their quest for a \$100 check and, as an extra benefit, eternal glory: to have their joke published in the world's best-read magazine. One man is stopping them from their quest. Andy Simmons. It takes a sense of humor. And Andy certainly has that. Not only is he the arbiter of all things funny in Reader's Digest; he is their Mark Twain, Bill Cosby, and even their David Sedaris. In other words, Andy is the guy Reader's Digest turns to whenever they need a funny story all of America can appreciate. He's perfect for the job. Andy takes

great delight in the funny and oddball side of everyday life. In *Now That's Funny!*, Andy presents his most popular, funniest writings on all things America, some exclusive and all-new, some taken from the award-winning pages of Reader's Digest. You'll discover the Andy that goes out and tries things. His first-person tales of taking dance lessons, participating in a Revolutionary War reenactment, and even taking stand-up comedy lessons are some of the funniest articles to ever appear in Reader's Digest. Then you discover the Andy that observes America. His roundups of dumb criminals, crazy lawsuits, ridiculous excuses and out-of-touch scientific research will have you roaring with laughter - and feeling much better about yourself. Then there's Andy, the family man. You'll laugh out loud as he goes in search of his inner macho --or for the next stop on his vacation, if only he can find the directions. And Andy's observations on marriage and fatherhood are as accurate as they are funny. Finally, there's Andy the jokester. Here are tales from the job of trying to think, act, and be funny every workday, no matter what the dog did this morning on the rug. Tales of his sit-downs with comic legends from Robin Williams to Woody Allen will have you in stitches. Andy also shares his favorite jokes -- many of them too edgy for printing in Reader's Digest! Add it up, and it's a book filled with hundreds of feel-good, laugh-out-loud moments about life in these United States -- exactly the type of reading we need today!

99 Old White Men Jokes Wycliffe Horse, 2018-06-18 YOU CAN'T TELL JOKES ABOUT THEM ANY MORE! Used to be you could pick any group of people other than your own and tell crude cruel jokes about them. Now that behavior is not proper. All those groups, you know who they are, are off limits - except, wait, there is one group left: old white men. So put on your metaphorical seat belt and get ready to hear some of those old jokes with a new twist. Just for fun, try to guess the group that was originally the butt of the joke before it was converted, here, to an acceptable Old White Men form. You will never guess.
