They Said This Would Be Fun Eternity Martis, 2021-07-13 NATIONAL BESTSELLER Winner of the Rakuten Kobo Emerging Writer Prize for Nonfiction Nominated for the Evergreen Award A powerful, moving memoir about what it's like to be a student of colour on a predominantly white campus. A booksmart kid from Toronto, Eternity Martis was excited to move away to Western University for her undergraduate degree. But as one of the few Black students there, she soon discovered that the campus experiences she'd seen in movies were far more complex in reality. Over the next four years, Eternity learned more about what someone like her brought out in other people than she did about herself. She was confronted by white students in blackface at parties, dealt with being the only person of colour in class and was tokenized by her romantic partners. She heard racial slurs in bars, on the street, and during lectures. And she gathered labels she never asked for: Abuse survivor. Token. Bad feminist. But, by graduation, she found an unshakeable sense of self--and a support network of other women of colour. Using her award-winning reporting skills, Eternity connects her own experience to the systemic issues plaguing students today. It's a memoir of pain, but also resilience.

Real Women Don'T Wear Thongs! Donetta Sterling,2008-12-01 Its a fact. Womens brains were built to deal with more than one thing at a time. We prove this everyday. We wake up, usually an hour to 1 1/2 hours before the guys. We shower, put on face that says, Look at me, husband, kids, job and house and somehow I still find time to put on makeup. Then off to the closet to find just the right outfit t that will have all the girls saying, Ooh, I love that outfit! Perfect hair, makeup, clothes, now its time to wake up the kids and debate with them for 5 minutes why they cannot have cookies for breakfast. After 10 Were gonna be late!s Enter the vehicle, fight over whos sitting in front, try to sign the paper your daughter forgot to tell you about the night before. Whatever Ive signed, I know Ill probably have at least a week to figure it out before the event.

Critical Autoethnography Robin M. Boylorn,Mark P. Orbe,2020-11-26 *Critical Autoethnography: Intersecting Cultural Identities in Everyday Life*, Second Edition, examines the development of the field of critical autoethnography through the lens of social identity. Contributors situate interpersonal and intercultural experiences of gender, race, ethnicity, ability, citizenship, sexuality, and spirituality within larger systems of power, oppression, and privilege. Approachable and accessible narratives highlight intersectional experiences of marginalization and interrogate social injustices. The book is divided into three sections: *Complexities of Identity Performance*, *Relationships in Diverse Contexts*, and *Pathways to Culturally Authentic Selves*. Each thematic section includes provocative stories that critically engage personal and cultural narratives through a lens of difference. The chapters in the book highlight both unique and ubiquitous, extraordinary and common experiences in the interior lives of people who are Othered because of at least two overlapping identities. The contributors offer first person accounts to suggest critical responses and alternatives to injustice. The book also includes sectional summaries and discussion questions to facilitate dialogue and self-reflection. It is an excellent resource for undergraduate students, graduate students, educators, and scholars who are interested in autoethnography, interpersonal and intercultural communication, qualitative studies, personal narrative, cultural studies, and performance studies.

There's a reason Alison Green has been called "the Dear Abby of the work world." Go to My Grave Catriona McPherson,2018-10-23 From Catriona McPherson, the Agatha-Award winning author of *Quiet Neighbors*, comes a clever, spine-tingling standalone Gothic thriller. “Go to My Grave is both a classic ‘country house mystery’ and a thriller. Atmospheric, with mind-bending twists, a narrator who may or may not be reliable, and an ending that will take your breath away and leave you astonished.”

—Louise Penny Donna Weaver has put everything she has into restoring *The Breakers*, an old bed and breakfast on a remote stretch of beach in Galloway. Now it sits waiting—freshly painted, richly furnished, filled with flowers—for the first guests to arrive. But Donna's guests, a contentious group of estranged cousins, soon realize that they’ve been here before, years ago. Decades have passed, but that night still haunts them: a sixteenth birthday party that started with peach schnapps and ended with a girl walking into the sea. Each of them had made a vow of silence: “lock it in a box, stitch my lips, and go to my grave.” But now someone has broken the pact. Amid the home-baked scones and lavish rooms, someone is playing games, locking boxes, stitching lips. And before the weekend is over, at least one of them will go to their grave.

Gone Dollywood Graham Hoppe,2018-03-15 Dolly Parton isn’t just a country music superstar. She has built an empire. At the heart of that empire is Dollywood, a 150-acre fantasy land that hosts three million people a year. Parton’s prodigious talent and incredible celebrity have allowed her to turn her hometown into one of the most popular tourist destinations in America. The crux of Dollywood’s allure is its precisely calibrated Appalachian image, itself drawn from Parton’s very real hardscrabble childhood in the mountains of east Tennessee. What does Dollywood have to offer besides entertainment? What do we find if we take this remarkable place seriously? How does it both confirm and subvert outsiders’ expectations of Appalachia? What does it tell us about the modern South, and in turn what does that tell us about America at large? How is regional identity molded in service of commerce, and what is the interplay of race, gender, and class when that happens? In *Gone Dollywood*, Graham Hoppe blends tourism studies, celebrity studies, cultural analysis, folklore, and the acute observations and personal reflections of longform journalism into an unforgettable interrogation of Southern and American identity.
