My First Time in Charge Daniele Matteucci, 2019-12-19 The book is divided into two main areas: rational and emotional. I believe that a good manager must first of all master the rational part, but to become an excellent and complete manager, he or she cannot forget the emotional part of the job. Blending the rational and emotional parts will be a recipe for success and fulfillment. The book is a practical guide with intent to offer pragmatic tools and frameworks to new managers. It is the book I wished to have when I started my journey as a manager with business responsibilities. I wrote it based on my real life management experience. I took notes for about four years of the lessons I learned during my first field assignment. I struggled, but finally I have been successful. I wished during my beginnings to have a mentor to coach me and help me to speed up my learning curve. I wish this book can be the practical guide to help others reducing the stress and worries that inevitably happen when taking on a managerial role for the first time. I also wish to help new managers to deliver better and faster high performances.

The Ringtone Dialectic Sumanth Gopinath,2013-07-19 The rise and fall of the ringtone industry and its effect on mobile entertainment, music, television, film, and politics. A decade ago, the customizable ringtone was ubiquitous. Almost any crowd of cell phone owners could produce a carillon

of tinkly, beeping, synthy, musicalized ringer signals. Ringtones quickly became a multi-billion-dollar global industry and almost as quickly faded away. In *The Ringtone Dialectic*, Sumanth Gopinath charts the rise and fall of the ringtone economy and assesses its effect on cultural production. Gopinath describes the technical and economic structure of the ringtone industry, considering the transformation of ringtones from monophonic, single-line synthesizer files to polyphonic MIDI files to digital sound files and the concomitant change in the nature of capital and rent accumulation within the industry. He discusses sociocultural practices that seemed to wane as a result of these shifts, including ringtone labor, certain forms of musical notation and representation, and the creation of musical and artistic works quoting ringtones. Gopinath examines “declines,” “reversals,” and “revivals” of cultural forms associated with the ringtone and its changes, including the Crazy Frog fad, the use of ringtones in political movements (as in the Philippine “Glorigate” scandal), the ringtone’s narrative function in film and television (including its striking use in the films of the Chinese director Jia Zhangke), and the ringtone’s relation to pop music (including possible race and class aspects of ringtone consumption).

Finally, Gopinath considers the attempt to rebrand ringtones as “mobile music” and the emergence of cloud computing.

Oracle of Tao Samantha Rinne Hooker,2020-01-19 In Earth's distant future, most of its religions known today decline or change. As a result of this spiritual upheaval, the barrier between the spiritual world and the physical one falter, and ghouls and demons are loosed upon the earth. Ultimately, most of these are resealed by the new religions, but one such demon named Belial, requires nothing short of sealing by angels to put back to rest. Thousands of years later, a beggar named Ambrosia Brahmin

picks herself off the street only to be sent on a fetch quest by God, joined by swordsman, a shaman, a thief, a druid, an exorcist, an angel, and a demon. Meanwhile, the demon from eons before, sealed in a jar, is slowly being unsealed by a duped wizard, given false promises of rewards that await him...

Enakshi Sings Celia Jon,2013-05-16 In August 2009, Sheela Jon came to Nepal and met a 3 year old blind girl in the main government orphanage. Her niece picked the little girl up, and the workers told her not to pick her up as she has 'bad karma' as she is blind. She came back in 2010 and met the little girl again, and had a strong calling to adopt her and bring her back to the UK. In September 2011, she embarked upon the long and arduous process of adoption under Nepalese law, battling with officials who considered her to be a woman with no standing and the little girl to be completely invisible. She discovered corruption and abuse, and finally her daughter's visa to the UK was refused, and she is still in Kathmandu waiting for the appeal to be heard.

Do You Talk Funny? David Nihill,2016-03-08 Public speaking can be terrifying. For David Nihill,

the idea of standing in front of an audience was scarier than cliff jumping into a thorny pit of spiders and mothers-in-law. Without a parachute or advanced weaponry. Something had to change. In what doesn't sound like the best plan ever, David decided to overcome his fears by pretending to be an accomplished comedian called Irish Dave for one full year, crashing as many comedy clubs, festivals, and shows as possible. One part of the plan was at least logical: he was already Irish and already called Dave. In one year, David went from being deathly afraid of public speaking to hosting a business conference, regularly performing stand-up comedy and winning storytelling competitions in front of packed houses. And he did it by learning from some of the best public speakers in the world: stand-up comedians. *Do You Talk Funny?: 7 Comedy Habits to Become a Better (and Funnier) Public Speaker* shows how the key principles of stand-up comedy can be applied to your speaking engagements and presentations to make you funnier, more interesting, and better looking. (Or at least two of the three.) Whether you are preparing for a business presentation, giving a wedding toast, defending your thesis, raising money from investors, or simply want to take on something you're afraid

of, this book will take you from sweaty to stage-ready. You'll learn how to: - Craft a story and content that your audience will want to listen to - Find the funniest parts of your material and how to get to them faster - Deal with stage fright - Master the two most important parts of your performance: timing and delivery Ten percent of the author's proceeds from this book will go to Arash Bayatmakou via Help Hope Live until he is fully back on his feet and thereafter to one of the many facing the same challenges after suffering a severe spinal cord injury.

It's A Funny Thing - How the Professional Comedy Business Made Me Fat & Bald Michael Rowe, In this chronicle of one person's poignant and harrowing road to fulfillment, Mike celebrates his chosen life in the comedy business with personal tales of romantic calamities, celebrity run-ins, professional misfortunes, and triumphs. He reinforces the notion that you can accomplish (almost) anything you want if you're willing to get your ass kicked along the way. *It's a Funny Thing* solidifies Michael Rowe's reputation as not just an all around nice guy, but also a skilled observer in self, the human condition, and dogged perseverance. MICHAEL ROWE, a former comedian now comedy

writer/producer, has been nominated for six Emmys for his work on Futurama and Family Guy, earning one along the way. Mike's also been nominated for two Annie Awards, earning two; a Writers Guild Award, and a Gemini Award. He has earned a Webby Award for his original animated series The Paranormal Action Squad. His writing has also appeared in Vanity Fair magazine. He lives in Los Angeles with his wife, twin sons and a silly dog named Marty Allen. "If you've ever had any interest in comedians, like what went wrong in our lives to make us so deeply disturbed, you will devour Mike Rowe's insightful, personal, and yes, very funny book. Such a great read for smart people—and morons will like it, too." — Larry David "During long, grueling nights working way too late in the writers' room, when everyone had grown snarly and surly and silent, Mike would continue to pepper us with hilarious jokes. He was that cruel. And now he's written a book that's not only funny, but also sweet and sensitive. What is it with this guy?" — Matt Groening "Why would I want to read Mike's book that highlights the struggles of coming up the ranks in the New York comedy club scene? I was there with him! I could write that book myself!! Then I read it and realized...I can't write like this! Son of a bitch."

—Ray Romano “Having witnessed only a part of Mike’s life, I can tell you the whole thing is a doozy of a read. He is as much a fan of comedy as he is a fixture in it. The best always are.” — Sarah Silverman “We expected Mike Rowe to be a dick because he’s a big fancy Hollywood guy and he doesn’t smoke dope, and we weren’t wrong. But the book is pretty fu@king funny.” — The Trailer Park Boys

Sir John Hargrave's Mischief Maker's Manual John Hargrave, 2011-01-06 This is the definitive guide to pranking and mayhem.
