What Spookery Is That? Sam Cheever, 2023-02-13
I'm trying to find my missing Council member, which might involve visiting the spectral plane. Something that I'm strangely not looking forward to. (sarc) The last thing I need is this...this mess. Achieving my full powers feels like mega-menopause, hot flashes and all. Unfortunately, these flashes can actually burn. Something's changing. Something big. I'm finally achieving the last stage of my Lares power. I realize the transformation is going to be hard. It's going to be painful and confusing. I know all of this because my advocate, the world's crankiest moon hound and consummate know-it-all was elated to inform me about it. What I didn't know was that I'd be trying to save one of my council members and beat off a demon invasion in the middle of the whole mess. Unfortunately, this is all starting to remind me of my initiation into the Lares gig. I barely survived that transition. I'm not so sure I'm going to survive this one.

Posh Laura Wade, 2012-06-18 "I've got a new law for you mate, it's called survival of the fittest, it's called fuck you we're the Riot Club." In an oak-panelled room in Oxford, ten young bloods with cut-glass vowels and deep pockets are meeting, intent on restoring their right to rule. Members of an elite student dining society, the boys are

bunkering down for a wild night of debauchery, decadence and bloody good wine. But this isn't the last huzzah: they're planning a takeover. Welcome to the Riot Club.

Oracle of Tao Samantha Rinne Hooker, 2020-01-19
In Earth's distant future, most of its religions known today decline or change. As a result of this spiritual upheaval, the barrier between the spiritual world and the physical one falter, and ghouls and demons are loosed upon the earth. Ultimately, most of these are resealed by the new religions, but one such demon named Belial, requires nothing short of sealing by angels to put back to rest. Thousands of years later, a beggar named Ambrosia Brahmin picks herself off the street only to be sent on a fetch quest by God, joined by swordsman, a shaman, a thief, a druid, an exorcist, an angel, and a demon. Meanwhile, the demon from eons before, sealed in a jar, is slowly being unsealed by a duped wizard, given false promises of rewards that await him...

The Beginning Is Near Em Merson PhD, 2021-10-13
This book is quasi-autobiographical, leaning on links to music from the sixties, seventies, eighties, and nineties. Woven throughout are references to self-isolation in lockdown, a journey through the dark night of the soul toward enlightenment, and a growing awareness that those of us who open our hearts to peace and love are being called on to offer it now. I share a journal about love and loss—sudden separation from a long-term relationship—and the aftermath, leading to a new beginning. I provide ideas to support transformation from books, websites, music, some

wild metaphysical blogs, and YouTube videos if publicly available—check for links in the ebook by tapping or clicking on the titles that are bold and italicized. The pivotal piece in this book is that I've used the music and techniques to transform my life and access wisdom, joy, and bliss. This inner change has led to outer change, impacting my understanding of reality and the nature of the COVID-19 phenomenon. There are some twists in this story I could never have predicted. Truth is stranger than fiction.

Are You Coming out Today? Darrell Weston, 2011-04-21 Ever wondered what it was like for a child before the advent of modern technology? Way before instant messaging, phones, the internet and the ever so great TV we have nowadays? Did the kids of yesterday race home to play on the computer or check out a known social networking site? Did they text message each other to let them know where to meet up? They spoke to each other; they used their imagination and played. They made use of the school holidays, knowing that around the corner adulthood was looming. A weekend was for the sole purpose of a bike ride. Read the book for a funny take on yesterday, mixed with some tips on the activities and games of way back when.

serən'dipitē/ (noun): The occurrence and development of events by chance in a happy or beneficial way. Seventeen year old Sydney Barker prefers to have guys as friends over girls. For her, girls are just too dramatic and problematic. Her five best friends, Walker, Bradley, Tanner, Mikey and Drew, have always been there for her, and she knows that they always will be. But in between her senior year of high school and personal problems, will one of those friends be there for her more so than the others? And in more than a friendly way?
