The Off Limits Rule Sarah Adams,2020-12-13 I have found rock bottom. It's here, moving in with my older brother because I'm too broke to afford to live on my own. It's okay though, because we've always been close and I think I'm going to have fun living with him again. That is until I meet Cooper... Turns out, my brother has very strong opinions on the idea of me dating his best friend and is dead set against it. According to him, Cooper is everything I should stay away from: flirtatious, adventurous, non-committal, and freaking hot. (I added that last part because I feel like you need the whole picture.) My brother is right- I should stay away from Cooper James and his pretty blue eyes. He's the opposite of what I need right now. Nah-who am I kidding? I'm going for it. The Off Limits Rule is a closed door romance, perfect for readers who love lots of sizzle but no explicit content.

Yes, I'm Hot in This Huda Fahmy,2018-12-11 "Fahmy uses humor to work through stereotypes and tell stories about nuanced hijabi characters." —The Washington Post Popular Instagram cartoonist and Muslim-American Huda Fahmy presents a hilarious, relatable, and painfully honest new collection of comics that break down barriers and show how universal our everyday problems, worries, and joys actually are. At some point in our lives, we've all felt a little out of place. Huda Fahmy has found it's a little more difficult to fade into the crowd when wearing a hijab. In *Yes, I'm Hot in This*, Huda navigates the sometimes-rocky waters of life from the unique perspective of a Muslim-American woman, breaking down misconceptions of her culture one comic at a time. From recounting the many questions she gets about her hijab every day (yes, she does have hair) and explaining how she runs in an abaya (just fine, thank you) to dealing with misconceptions about Muslims, *Yes, I'm Hot in This* tackles universal feelings from an point of view we don't hear from nearly enough. Every one of us have experienced love, misunderstanding, anger, and a deep desire for pizza. In *Yes, I'm Hot in This*, Huda's clever comics demonstrate humor's ability to bring us together, no matter how different we may appear on the surface.

Furiously Happy Jenny Lawson,2015-09-22 In *Furiously Happy*, #1 New York Times bestselling author Jenny Lawson explores her lifelong battle with mental illness. A hysterical, ridiculous book about crippling depression and anxiety? That sounds like a terrible idea. But terrible ideas are what Jenny does best. As Jenny says: Some people might think that being 'furiously happy' is just an excuse to be stupid and irresponsible and invite a herd of kangaroos over to your house without telling your husband first because you suspect he would say no since he's never particularly liked kangaroos. And that would be ridiculous because no one would invite a herd of kangaroos into their house. Two is the limit. I speak from personal experience. My husband says that none is the new limit. I say he should have been clearer about that before I rented all those kangaroos. Most of my favorite people are dangerously fucked-up but you'd never guess because we've learned to bare it so honestly that it becomes the new normal. Like John Hughes wrote in *The Breakfast Club*, 'We're all pretty bizarre. Some of us are just better at hiding it.' Except go back and cross out the word 'hiding.' *Furiously Happy* is about taking those moments when things are fine and making them amazing, because those moments are what make us who we are, and they're the same moments we take into battle with us when our brains declare war on our very existence. It's the difference between surviving life and living life. It's the difference between taking a shower and teaching your monkey butler how to shampoo your hair. It's the difference between being sane and being furiously happy. Lawson is beloved around the world for her inimitable humor and honesty, and in *Furiously Happy*, she is at her snort-inducing funniest. This is a book about embracing everything that makes us who we are - the beautiful and the flawed - and then using it to find joy in fantastic and outrageous ways. Because as Jenny's mom says, Maybe 'crazy' isn't so bad after all. Sometimes crazy is just right.

Fifty Shades of Chicken F.L. Fowler,2012-11-13 Dripping Thighs, Sticky Chicken Fingers, Vanilla Chicken, Chicken with a Lardon, Bacon-Bound Wings, Spatchcock Chicken, Learning-to-Truss-You Chicken, Holy Hell Wings, Mustard-Spanked Chicken, and more, more, more! Fifty chicken recipes, each more seductive than the last, in a book that makes every dinner a turn-on. "I want you to see this. Then you'll know everything. It's a cookbook," he says and opens to some recipes, with color photos. "I want to prepare you, very much." This isn't just about getting me hot till my juices run clear, and then a little rest. There's pulling, jerking, stuffing, trussing. Fifty preparations. He promises we'll start out slow, with wine and a good oiling . . . Holy crap. "I will control everything that happens here," he says. "You can leave anytime, but as long as you stay, you're my ingredient." I'll be transformed from a raw, organic bird into something—what? Something delicious. So begins the adventures of Miss Chicken, a young free-range, from raw innocence to golden brown ecstasy, in this spoof-in-a-cookbook that simmers in the afterglow of E.L. James's sensational *Fifty Shades of Grey* trilogy. Like Anastasia Steele, Miss Chicken finds herself at the mercy of a dominating man, in this case, a wealthy, sexy, and very hungry chef. And before long, from unbearably slow drizzling to trussing, Miss Chicken discovers the sheer thrill of becoming the main course. A parody in three acts—"The Novice Bird" (easy recipes for roasters), "Falling to Pieces" (parts perfect for weeknight meals), and "Advanced Techniques" (the climax of cooking)—*Fifty Shades of Chicken* is a cookbook of fifty irresistible, repertoire-boosting chicken dishes that will leave you hungry for more. With memorable tips and revealing photographs, *Fifty Shades of Chicken* will have you dominating dinner.

Felix Lulu Moore,2021-09-25 I have a secret. Twelve years ago I crushed on my teammate's little sister, before firmly putting her in the friend zone. Which then became the best friend zone. And my teammate became more of a brother. But now we have two problems. 1. I just found out she's been crushing on me too, and my feelings have come hurtling back like a puck heading for the net 2. She's my doctor and I'm her patient So we have some hurdles to get through. And I need to convince Doctor Molly Marks that we're worth the fight. That love is enough. Because this isn't a game I plan on losing.

The Play Elle Kennedy,2019-10-07 A brand-new standalone novel in the New York Times bestselling Briar U series! What I learned after last year's distractions cost my hockey team our entire season? No more screwing up. No more screwing, period. As the new team captain, I need a new philosophy: hockey and school now, women later. Which means that I, Hunter Davenport, am officially going celibate...no matter how hard that makes things. But there's nothing in the rulebook that says I can't be friends with a woman. And I won't lie—my new classmate Demi Davis is one cool chick. Her smart mouth is hot as hell, and so is the rest of her, but the fact that she's got a boyfriend eliminates the temptation to touch her. Except three months into our friendship, Demi is single and looking for a rebound. And she's making a play for me. Avoiding her is impossible. We're paired up on a yearlong school project, but I'm confident I can resist her. We'd never work, anyway. Our backgrounds are too different, our goals aren't aligned, and her parents hate my guts. Hooking up is a very bad idea. Now I just have to convince my body—and my heart.

The Falcon and the Foe A. J. Truman,2024-01-07 Two single dads. One huge grudge. And one tiny tent.It's hard enough balancing two jobs with raising my son solo. Forget dating. I barely have time for laundry.But when my son's scouting troop The Falcons needed a co-scout leader, I couldn't say no. There's just one ginormous problem: the other scout leader Russ.To all other parents, he's #DadGoals, Mr. Sexy Widower who lords over the drop off line.To me? He's the bane of my picket-fenced existence - stuck up, anal (not in the fun way), and definitely the person who got me booted from the Parent Teacher Association. I can't let him wrest control of The Falcons and have history repeat itself - no matter how hot he looks in his khaki uniform.Thing is, the more we work together, the more I glimpse the caring man lurking under the cold exterior. Maybe he isn't the completely wretched human being I thought.We'd both sworn off romance to focus on fatherhood, and nothing's going to change that, not even sharing a too-small tent in the wilderness.Right?

See Me After Class spills over with a cast of luscious ladies and one very, very lucky guy! What's a young man to do when every hottie in school seems to stumble straight into his arms? More Than Lies N. E. Henderson,2022-09-18 I've spent years pushing her away. She thinks I hate her, but really, I know she deserves better than a college dropout turned tattoo artist. She's the good girl, the complete opposite of my bad boy nature. But something about her kind eyes and heart-shaped face has always caught my attention, not that she has ever realized that with how I treat her.I'm not a one-woman man, and I won't allow myself to hurt Tara in that way. Her mother makes her believe she'll never be good enough. I won't do the same when I know it's me that'll never measure up to the man she deserves.But when tragedy hits home, I can't watch another tear fall from her beautiful face, so I took something I should never have touched.Then I let her believe a lie. I stayed silent while her heart broke in front of me. She walked away. I didn't stop her. I should have because I learned the hard way-lies lead to consequences you're never prepared for.
