Mobilized Marketing and the Consumer: Technological Developments and Challenges Yamamoto, Gonca Telli,2009-11-30 This book explores technological developments and widespread issues concerning the explosion of mobile devices in the information age--Provided by publisher.

Digital Activism Decoded Mary C. Joyce,2010 The media has recently been abuzz with cases of citizens around the world using digital technologies to push for social and political change: from the use of Twitter to amplify protests in Iran and Moldova to the thousands of American non-profits creating Facebook accounts in the hopes of luring supporters. These stories have been published, discussed, extolled, and derided, but have not yet been viewed holistically as a new field of human endeavor. We call this field digital activism and its dynamics, practices, misconceptions, and possible futures are presented together for the first time in this book.--Pub. desc.

Absolute Swamp Thing by Alan Moore Vol. 1 (New Printing) Alan Moore, 2020-10-27 Before the groundbreaking graphic novel Watchmen, Alan Moore made his debut in the U.S. comic book market with the revitalization of the horror comic book Swamp Thing. Moore's classic, critically acclaimed Swamp Thing stories are now collected with brand-new coloring in Absolute Swamp Thing by Alan Moore Vol. 1. In 1983, a revolutionary English writer joined a trio of trailblazing American artists to revitalize a longstanding comic book icon. By the time they'd finished their work four years later, SWAMP THING by Alan Moore, Stephen R. Bissette, John Totleben, and Rick Veitch was universally recognized as one of the handful of titles that defined a new era of complexity and depth in modern graphic storytelling, and their run on the series remains one of the medium's most enduring masterpieces. Now DC Comics and Vertigo are proud to present an all-new vision of this landmark achievement. Comprising three deluxe hardcover volumes, ABSOLUTE SWAMP THING BY ALAN MOORE debuts completely new coloring for every page, crafted exclusively for this definitive collector's edition by legendary color artist Steve Oliff (Akira, Miracleman). This first volume includes the issues THE SAGA OF THE SWAMP THING #20-34 and SWAMP THING ANNUAL #2 and features a monumental new afterword from Bissette accompanied by a wealth of historic behind-the-scenes material from the title's original creative team.

The Brand Innovation Manifesto John Grant, 2006-05-12 The days of the image brands are over, and 'new marketing' has gone mainstream. The world's biggest companies are pursuing a post-advertising strategy, moving away from advertising and investing in leading edge alternatives. In the vanguard of the revolution has been John Grant, co-founder of the legendary agency St. Luke's and author of *The New Marketing Manifesto*, whose radical thinking has informed a generation. Now Grant is set to stun the industry again. In *The Brand Innovation Manifesto*, he redefines the nature of brands, showing why old models and scales no longer work and revealing that the key to success today is impacting people's lifestyles (think Starbucks, iPod and eBay). At the heart of the book is the concept of the 'brand molecule' to which new cultural ideas can be constantly added to keep pace with change.

Cataloguing 32 classes of idea, Grant presents a practical approach to mixing and matching them within your own market to develop new brand ideas - and new ideas for existing brands.

Digital Storytelling Carolyn Handler Miller, 2014-06-27 Digital Storytelling shows you how to create immersive, interactive narratives across a multitude of platforms, devices, and media. From age-old storytelling techniques to cutting-edge development processes, this book covers creating stories for all forms of New Media, including transmedia storytelling, video games, mobile apps, and second screen experiences. The way a story is told, a message is delivered, or a narrative is navigated has changed dramatically over the last few years. Stories are told through video games, interactive books, and social media. Stories are told on all sorts of different platforms and through all sorts of different devices. They're immersive, letting the user interact with the story and letting the user enter the story and shape it themselves. This book features case studies that cover a great spectrum of platforms and different story genres. It also shows you how to plan processes for developing interactive narratives for all forms of entertainment and non-fiction purposes: education, training, information and promotion. Digital Storytelling features interviews with some of the industry's biggest names, showing you how they build and tell their stories.
