Dream Weddings Neal Urban, 2014-04-15 Neal Urban is known for his unique, award-winning wedding photography. His images have a real energy—saturated colors, dramatic poses, and a real magazine-style, polished look. Images like these don't happen by chance; there is a high level of skill involved, from the inception of the shot through to the final presentation. In this book, Neal Urban presents 60 of his best images, along with a lighting diagram, setup shot, or screen shot and an alternate image from the event. Readers can approach the book from cover to cover or zero in on specific portraits they might want to emulate with their own clients and focus their attention on the creative process used to create those images. In every one of the 60 two-page spreads, you'll get insights into the hows and whys behind Urban's genius. You'll discover what inspired the image concept, which lighting units and modifiers Urban selected to create the mood in the shot, and how the bride, groom, couple, and other major players in the day's events were posed to help tell the story of the day. One of the things that sets Urban's work apart is

his HDR—high dynamic range—imaging. The complex approach allows photographers to produce final images contain a much-expanded range of tones, from white to black, than can be captured and reproduced with a “straight” image. As many of the striking images in this book were made with extensive postproduction work, readers will learn more tips and techniques for effective, efficient, artful image-editing than is found in the average book written for wedding photographers. Below written by the author My photography may be contemporary but I also cover the bases of photojournalism and the traditional family portraits. Not only do we provide a service but we also give them an experience of a lifetime. In the portrait session we direct and create moments that last a lifetime. I'd like to share that you can create world class images in your own hometown. You will learn how to create images and compete with the big shot wedding photographers who travel the world and shoot weddings in places like Italy, France and Spain.

Wedding Photography Steve Sint, 2005 In this information-packed guide, Steve Sing gives photographers the best of his...experience in shooting weddings and events.

Step-by-Step Wedding Photography Damon Tucci, 2014-07-21 Photographing a wedding is one of the most demanding tasks a photographer can undertake. Because of the tremendous import of the event to the couple, their families, and their guests and attendants, there is no room for error. It's the photographer's job to get the images the couple expects and to capture those images in a stylish, highly artistic and professional manner as every important minute passes. With countless weddings under his belt, super-shooter Damon Tucci knows what it takes to get the job done. In this book, he presents 60 lessons that show you just what's expected and precisely how to

make it all happen so that you can rest knowing that your couple's big day will be elegantly and flawlessly chronicled, from start to finish. Beginning with a look into the strategies you'll need to implement to ensure all of your bases are covered, Tucci gets you up to speed with initial lessons on ensuring the clients are a good fit, conducting an effective and efficient client consultation, and determining the must-have shots. Next, he moves on to cover the equipment needed for the wedding, the need for backups, and tips for paring down to the essentials. Targeted lessons will also show you how to anticipate the big events in the preparations, ceremony, and reception, so you can get all of the money shots that EVERY client demands. You'll also find plenty of lighting and posing ideas for the bride, groom, attendants, and families, so you can make sure that everyone looks their very best as your chronicle this meaningful and momentous day. Lastly, Tucci takes an in-depth look at the postproduction phase of the job, showing you how to carry out simple tasks using a host of popular programs and plug-ins. With Tucci's help, you'll learn to create the kinds of portrait looks that today's clients demand.

Fine Art Wedding Photography Jose Villa, Jeff Kent, 2011-03-29 Many semi-pro and professional wedding photographers are looking to wake up their style, stay current, and stimulate business. And today, that means lifestyle photography, also referred to as fine art wedding photography. Fine art wedding photography isn't just a catchy phrase; it's a modern approach in which design is paramount. Fine art wedding images are more graphic and stylized than traditional wedding photojournalism, as if they were pulled

from the pages of a glossy wedding or lifestyle magazine. Acclaimed wedding photographer Jose Villa was a pioneer in fine art wedding photography before it became a trendy buzzword. Here, he shares his secrets for bringing a stylized sense of composition, lighting, posing, and most important, design, to your images, while still keeping them organic and narrative. You'll learn Jose's trademark technique of capturing the more natural moment after a pose, and tips for getting images right in-camera to avoid the need for heavy postproduction. Final chapters show you how to integrate design through the delivered product, whether an album or slideshow, and continue nurturing clients after the wedding by expanding to baby and family portraiture. Packed with real-life examples, solid techniques, and stunning images from one of the wedding industry's brightest stars, this book will both educate and inspire photographers seeking to update their work and satisfy a new generation of brides.
