A Study of the Kanuri Language Johannes Lukas,2017-09-18 Originally published in 1937, this book is a practical manual of Kanuri which will be of use to both the layman and the linguist. This analysis makes it clear that kanuri is a tone-language and the author urges the reader to observe the tone-system of the language so that the accidence can be fully understood, as grammatical tone sometimes forms an integral part of it. As this is a practical study, a practical orthography has been chosen - i. e one that uses only letters that are absolutely necessary. This system improved Kanuri orthography, as it was based on scientific principles.

Illustrations of Bible Truth H.A. Ironside,2014-04-05 At the request of valued friends, I have grouped together here many stories and incidents which have served me well throughout a long ministry and which I hope may be used to advantage by others. Many are from my own personal experience and will not be found in the collections of other writers. Some, however, have been used in my books on various subjects. Others are now printed for the first time. I send them forth to the glory of Him who has been to me for over half a century, a wonderful Saviour and a faithful Friend, my ever adorable Lord Jesus Christ.

I Like Him, He Likes Her Phyllis Reynolds Naylor, 2010-05-18 Find a Penny pick it up and all day long you'll have good luck...except, of course, if that Penny is charming and pretty and funny, and the person picking her up just happens to be your boyfriend. Alice McKinley's freshman year is not as "lucky" as she was hoping it would be. But she's trying to look on the bright side. There are worse things than being single for a semester... for a school year...for the whole summer.... At least Alice can count on her best friends for support—in theory, anyway. Lately they haven't been all that there-for-her. In fact, it seems like Pam and Liz are suddenly involved in intense, secret conversations whenever Alice is around. Single is starting to feel a whole lot like solo.

Metropolitan Tabernacle Pulpit Charles Haddon Spurgeon, 1880

Jesus Christ Our Lord John F. Walvoord, 1969-06-01 Of the life and work of Jesus, the apostle John said, Even the world itself could not contain the books that should be written (John 21:25). Acknowledging the size of the task, as well as its importance, Dr. John F. Walvoord has written this systematic presentation of the Person and work of Christ from eternity past to eternity future. Beginning with an analysis of modern trends in the study of Christology, Dr. Walvoord shows that contemporary Christology has in many respects confused rather than clarified the extended revelation of the Word of God. The Word of God forms the solid basis for Dr. Walvoord's entire study. Analyzing the Old Testament, he shows Christ in its history, typology, and prophecy. Then, in the New Testament, he examines the life and work of the incarnate Christ. The doctrines of atonement, redemption, propitiation, and reconciliation are thoroughly and clearly discussed. The book concludes with an examination of the present and future work of Christ, thus giving the reader a comprehensive study of Christology

He Shall Glorify Me Oswald Chambers, 2015-10-30 Many books, sermons, and worship songs describe the character and work of Jesus Christ and God the

Father—but what about the Holy Spirit? Who is the Holy Spirit, and what is He doing in the world today? In *He Shall Glorify Me*, Oswald Chambers answers these questions in his direct and searching style, explaining the doctrine and work of the third member of the Trinity. With this fresh view of the Holy Spirit's ministry, Chambers also explores themes of joy, faith, spiritual regeneration, and other "fruits of the Spirit."

The Power of the Holy Spirit is one message of faith and hope for the Christians all around the World. A book that will bring growth and knowledge about faith, and invite him to live with greater intimacy with Holy Spirit.
