Super Tarot Sasha Fenton,2021-02 Improve your ability to string tarot cards together to create an accurate, insightful story. This generously illustrated guide will help you gain confidence and enjoy a greatly increased understanding of the tarot deck. Chapter by chapter, you'll build skills and put that newfound knowledge to work through an assortment of practice readings, intriguing exercises, and even games. With the expert advice and proven techniques included here, you'll quickly begin to understand how each of the major and minor arcana interact, when and why to use focused spreads, and why the court cards can be especially tough to interpret. And for more serious students, there's even a chapter on becoming a professional tarot reader.

How to Read Tarot Cards Like a Pro Katie Karma,2014-12-28 Are you confused, frustrated and/or fed up with so many tarot card books that have long explanations and meanings and then reversed meanings as you are attempting to learn how to read your tarot cards? So was I way back in 1975 when I first delved into the world of tarot cards. Then in 1983 I went to a reader and was fascinated by her interpretations of the cards. They were different from all the meanings I had seen in other books. I attended her exclusive invitation-only class and learned HER way! I decided to take those lessons and gather them together. The result is this little book that is power packed with information...no fluff, no illustrations, and no long-winded explanations. It's a unique blend of esoteric tarot meanings combined with astrology and numerology. I've included a few lessons on astrology in the event you aren't familiar with the zodiac. The included numerology explanation is fairly simple.

Ninth House Leigh Bardugo,2019-10-08 The best fantasy novel I've read in years, because it's about real people... Impossible to put down. -Stephen King The smash New York Times bestseller from Leigh Bardugo, a mesmerizing tale of power, privilege, and dark magic set among the Ivy League elite. Goodreads Choice Award Winner Locus Finalist Galaxy "Alex" Stern is the most unlikely member of Yale's freshman class. Raised in the Los Angeles hinterlands by a hippie mom, Alex dropped out of school early and into a world of shady drug-dealer boyfriends, dead-end jobs, and much, much worse. In fact, by age twenty, she is the sole survivor of a horrific, unsolved multiple homicide. Some might say she's thrown her life away. But at her hospital bed, Alex is offered a second chance: to attend one of the world's most prestigious universities on a full ride. What's the catch, and why her? Still searching for answers, Alex arrives in New Haven tasked by her mysterious benefactors with monitoring the activities of Yale's secret societies. Their eight windowless "tombs" are the well-known haunts of the rich and powerful, from high-ranking politicians to Wall Street's biggest players. But their occult activities are more sinister and more extraordinary than any paranoid imagination might conceive. They tamper with forbidden magic. They raise the dead. And, sometimes, they prey on the living. Don't miss the highly-anticipated sequel, *Hell Bent*.
