Galaxy War A.R. Knight,2020-06-17 Home. Kaishi never thought she'd see it again, and now it's surrounded by the aliens that want to enslave her people. Kaishi thought she'd found salvation at the hands of an alien that'd crashed down from the sky. Instead, she's been torn through danger and disaster while bringing the galaxy's war to Earth. Now Kaishi has to take what she's learned and try to keep humanity alive while desperate armies descend into a last-ditch battle for survival. Winning this war will mean more than kicking the creatures off Earth, though. Kaishi must gather what friends she has and get support from the galaxy's other powers to destroy the invaders, but such support comes with a dire cost. Kaishi must decide, for Earth, her friends and family, whether a life lived under subjugation from the galaxy's powers is a life worth living at all. And, if it's not, how she can fight her way to freedom. Galaxy War contains The Skyward Saga's last three novels and a prequel short story, an action-packed bundle that brings Kaishi's story to a thrilling conclusion. Project Censored's State of the Free Press 2022 Andy Lee Roth,Mickey Huff,2022-01-25 As the United States grapples with the ongoing COVID-19 pandemic, the nation's living legacy of systemic racism, and partisan threats to the foundations of democracy, the integrity of news and Project Censored's survey of underreported news stories has never been more important. This 2022 edition of Project Censored's State of the Free Press offers a comprehensive survey of the most important but underreported news stories of 2021 and a comparative analysis of the current state of corporate and independent news media, and its effect on democracy. The establishment media sustains a decrepit post-truth era, as examined the lowlight features: Junk Food News-frivolous stories that distract the public from actual news-and-News Abuse-important stories covered in ways that undermine public understanding. The alternative media provokes a burgeoning critical media literacy age, as evaluated in the highlight feature: Media Democracy in Action-relevant stories responsibly reported on by independent organizations. Finally, in an homage to the history of the annual report, the editors reinstate the Déjà vu News feature-revisited stories from previous editions. State of the Free Press 2022 endows readers with the critical thinking and media literacy skills required to hold the corporate media to account for distorting or censoring news coverage, and thus, to revitalize our democracy. State of the Free Press 2022 is a joint production of The Censored Press and Seven Stories Press.

Free-to-Play Christopher A. Paul,2020-10-13 An examination of free-to-play and mobile games that traces what is valued and what is marginalized in discussions of games. Free-to-play and mobile video games are an important and growing part of the video game industry, and yet they are often disparaged by journalists, designers, and players and pronounced inferior to to games with more traditional payment models. In this book, Christopher Paul shows that underlying the criticism is a bias against these games that stems more from who is making and playing them than how they are monetized. Free-to-play and mobile games appeal to a different kind of player, many of whom are women and many of whom prefer different genres of games than multi-level action-oriented killing fests. It's not a coincidence that some of the few free-to-play games that have been praised by games journalists are League of Legends and World of Tanks.

Destiny's Way: Star Wars Legends Walter Jon Williams,2011-06-28 The time of reckoning is close at hand. Events in the New York Times bestselling Star Wars The New Jedi Order series take a decisive turn, as the heroes of the New Republic prepare for their most volatile clash yet with the enemy—from without and within. In the war against the ruthless Yuuzhan Vong, the fall of Coruscant leaves the New Republic divided by internal strife, and on the verge of bowing to conquest. But those who steadfastly refuse to consider surrender—Luke Skywalker, Han Solo, Leia Organa Solo, and their children and comrades-in-arms—are determined to seize victory against overwhelming odds. And now, finally, there are signs that the tide may be turning in the New Republic’s favor. After capturing crucial Yuuzhan Vong intelligence, Jedi fighter-pilot Jaina Solo prepares to lead a daring surprise strike against an enemy flagship. Meanwhile, Jaina’s brother Jacen—liberated from the hands of the enemy and newly schooled in an even greater mastery of the Force by the Jedi Knight Vergere—is eagerly poised to bring his unique skills to bear against the invaders. And on Mon Calamari, the New Republic’s provisional capital, the retired, ailing hero Admiral Ackbar has conceived a major tactical plan that could spell the beginning of a swift end for the Yuuzhan Vong. Yet even as opposing squadrons face off in the depths of space, intrigue runs rampant: in the heated political race for Chief of State . . . in the shadows where Yuuzhan Vong spies plot assassinations . . . and in the inscrutable creature Vergere, a Jedi Knight whose allegiance is impossible to predict. And as Luke Skywalker sets about reestablishing the Jedi Council, the growing faction opposed to the ways of the Force unveil a terrifying weapon designed to annihilate the Yuuzhan Vong species. But in doing so, they may be dooming the New Republic to becoming the very thing it has sworn to fight against—and unleashing the power of the dark side. Mercenary Angels John M. Evans,2009-05 Colonel Mathew Stone and his seven man Special Forces team were the best in the world. But times had changed, and they were slated for early retirement by Uncle Sam. Matt figured they would collect their retirement checks and probably become high paid security guards. But in a bizarre twist, an angel from Heaven appears to Stone and his men, pleading for their help to save an alien planet from evil demons. It's part of a galaxy-wide struggle between good and evil for the souls of millions of humans. The angels are spread too thin and need assistance on the backwards planet of Rytan. Under Heaven's new plan, the coming war on Rytan would have to be contracted out. Wary about the whole situation but bored with their new lives, Stone and his men take the job. Unfortunately, the only allies they find are medieval pacifists trained to flee from the enemy, a fact the angel conveniently left out. Now, all the earthlings have to do is cross an unknown world, turn a continent full of medieval pacifists into an army, and learn the Ways of Power from a Wizard-Priest so they aren't incinerated by demons. Easy, right? Wrong...
