Helen Maria Edgeworth, 1834

The Novels of Maria Edgeworth: Helen Maria Edgeworth, 1893

GeomInt–Discontinuities in Geosystems From Lab to Field Scale Olaf Kolditz, Keita Yoshioka, Tuanny Cajuhi, Ralf-Michael Günther, Holger Steeb, Frank Wuttke, Thomas Nagel, 2023-05-02 This is an open access book. In view of growing conflicts over strategic georesources, the use of the geological subsurface in the sense of a regional resource is becoming increasingly important. In this context, georeservoirs are playing an important role for the energy transition not only as a source of energy but also as a storage facility and deep geological disposal for energy waste. The success of the energy transition also depends to a large extent on the efficient and safe use of underground resources. This book complements the previous basic book (GeomInt–Integrity of Host Rocks) with a series of application examples in different rock formations, clay, salt, and crystalline. The methodology developed in GeomInt is used, among others, in the Mont Terri underground research laboratory (Opalinus Clay), in the large borehole test in Springen (salt rock) and in the “Reiche Zeche” teaching and research mine (crystalline rock). In addition, new methodological developments are also taken up in experiments and models and embedded in workflows for geotechnical system analyses. The present book summarizes the results of the collaborative project “GeomInt2: Geomechanical integrity of host and barrier rocks - experiment, modeling and analysis of discontinuities” within the program: Geo Research for Sustainability (GEO: N) of the Federal Ministry of Education and Research (BMBF).

Dear Nan Emily Carr, Nan Cheney, Humphrey N. W. Toms, 1990 This collection includes 150 letters Emily Carr wrote to her friends Nan Cheney and Humphrey

Toms, and 100 other letters relating mainly to Emily Carr. The letters date from 1930 to 1945, the most prolific period in Carr's career as both painter and writer. In them she writes in colourful detail about her everyday activities, and discusses her painting - the biggest thing in my life. There are outbursts of exasperation and anger as well as many indications of her caring, her warmth, her wisdom and her wit, and of her impatience with critics and poseurs, and they give insights into her various relationships with, among others, Lawren Harris, Ira Dilworth, Jack Shadbolt, Garnett Sedgewick, Dorothy Livesay, A.Y. Jackson, and Arthur Lismer.

DK Eyewitness Travel Guide London DK,2015-10-06 DK Eyewitness Travel Guide: London is your in-depth guide to the very best of London.
