**Declutter Your Photo Life** Adam Pratt, 2022-05-23

### **Turn your photo chaos into precious memories to be enjoyed and shared!**

Now more than ever, we hold our photo collections dear. They are often some of our most prized possessions. Wouldn't it be great to finally have all your photos organized, safe, accessible, findable, and shareable? With *Declutter Your Photo Life* by your side, you have just what you need to achieve photo bliss.

Photographers and family historians understand the immense power that photographs have to convey meaning, emotion, and memory. We cherish both old film photos that were handed down by previous generations and our latest digital photos captured on the newest smartphone. But when those priceless memories are unorganized and scattered every which way—on a smartphone, on a laptop, on memory cards and flash drives, on two or three photo sharing websites, in photo albums, and in shoeboxes in the attic—the dominant feeling quickly goes from “overjoyed” to “overwhelmed.” What a mess!

Whether you're a professional photographer, a casual shooter, or the designated family historian, *Declutter Your Photo Life* will help you organize and enjoy your photos once again. In this book, professional photo organizer, photographer, and author Adam Pratt teaches you his straightforward step-by-step workflow that will have you taking complete control and creating a calming order out of your photo chaos. And once you've mastered Adam's system—Gather, Preserve, Organize, Share, Maintain—you'll have all the tools you need to keep your photo treasure organized as you move forward.

**MEMOIR OF AN ARTIST** Amitabh SenGupta,2014-06-26 Memoir of an Artist is a compelling account of an unpredictable life that stretches through India, Nigeria, and Paris. As a student, he was a witness to the student revolt in Paris in 1968; in the seventies, he was in Nigeria observing the post-Biafra scenario as a teacher in the university. As a product of institutional education that shaped and groomed the new artists, he realizes the impact of Eurocentric dialogue on Indian art so imposing that it makes Indian art in perpetual transit. Again, in the process of creating dialogue within Kolkata life, author discovers contemporary art indeed has no social connectivity; thus, the educated progressive is unable to dialogue with the progressing art. Indian modernism has become a manufactured brand within art commerce, aligned to global marketing. Meanwhile, life has many spectrums, and the author has observed the modernistic agenda exists in contemporary art, as in many activities of Indian life, but each is like an island without connectivity.
