The Unofficial Guide to Game of Thrones Kim Renfro,2019-10-08 The everything-you-missed, wanted-to-know-more-about, and can't-get-enough guide to the Game of Thrones television series—from the first episode to the epic finale. Valar morghulis! Spanning every episode across all eight seasons, INSIDER's entertainment correspondent Kim Renfro goes deep into how the show was made, why it became such a phenomenon and explores every detail you want to know. It's the perfect book to look back at all you may have missed or to jump-start you on a second viewing of the whole series. As an entertainment correspondent, Renfro has covered the show's premieres, broken down key details in scenes, explored characters' histories, and interviewed the cast, directors, and crew. In this book, she sheds new light on the themes, storylines, character development, the meaning of the finale, and what you can expect next. Some of the questions answered here include: What was the Night King's ultimate purpose? How did the show effect George R.R. Martin's ability to finish the book series? Why were the final seasons shorter? Why did the direwolves get shortchanged? How were the fates of Jon Snow and Daenerys Targaryen foretold from the start? Was that really a bittersweet ending? Winter may have come and gone, but there is still plenty to discover and obsess over in this behind-the-scenes fan guide to the Game of Thrones HBO series.

Storytelling Across Worlds Tom Dowd,2015-01-30 Don't restrict your creative property to one media channel. Make the essential leap to transmedia! From film to television to games and beyond, Storytelling Across Worlds gives you the tools to weave a narrative universe across multiple platforms and meet the insatiable demand of today's audience for its favorite creative property. This, the first primer in the field for both producers and writers, teaches you how to: * Employ film, television, games, novels, comics, and the web to build rich and immersive transmedia narratives * Create writing and production bibles for transmedia property * Monetize your stories across separate media channels * Manage transmedia brands, marketing, and rights * Work effectively with writers and producers in different areas of production * Engage audiences with transmedia storytelling Up-to-date examples of current transmedia and cross-media properties accompany each chapter and highlight this hot but sure-to-be enduring topic in modern media.

Game of Thrones - A View from the Humanities Vol. 1 Alfonso Álvarez-Ossorio,Fernando Lozano,Rosario Moreno Soldevila,Cristina Rosillo-Lopez,2023-03-20 This book reflects on time, space and culture in the Game of Thrones universe. It analyses both the novels and the TV series from a multidisciplinary perspective ultimately aimed at highlighting the complexity, eclecticism and diversity that characterises Martin's world. The book is divided into three thematic sections. The first section focuses on space—both the urban and natural environment—and the interaction between human beings and their surroundings. The second section follows different yet complementary approaches to Game of Thrones from an aesthetic and cultural perspective. The final section addresses the linguistic and translation implications of the Game of Thrones universe, as well as its didactic uses. This book is paired with a second volume that focuses on the characters that populate Martin's universe, as well as on one of the ways in which they often interact—violence and warfare—from the same multidisciplinary perspective.

Watching Game of Thrones Martin Barker,Clarissa Smith,Feona Attwood,2021-03-23 Game of Thrones was an international sensation, and has been looked at from many different angles. But to date there has been little research into its audiences: who they were, how they engaged with and responded to it. This book presents the findings of a major international research project that garnered more than 10,000 responses to an innovative 'qualiquantitative' questionnaire. Among its findings are: a new way of understanding the place and role of favourite characters in audiences' responses; new insights into the role of fantasy in encouraging thinking about our own world; and an account of two combined emotions – relish and anguish – which structure audiences' reactions to controversial elements in the series.

Game of Thrones History of Thrones,2016-09-30 All You Need To Know About Game of Thrones! Read Game of Thrones: A Family History Volume I on your PC, Mac, smart phone, table, ipad or Kindle device. A Game of Thrones is one of the most popular and successful fantasy fiction series in the world to date. With the success of the novels came a widely loved television series. While you might be a loyal fan of the books, the show, or both -- do you know all about the history of the leading families? This book aims to thoroughly detail the early history of the houses Targaryen, Stark, and Lannister, including how they first rose to power, and what happened in the years leading up to the beginning of The Game of Thrones story. Of the houses of the Seven Kingdoms, the great houses have the most power. In the past, they were largely royalty, but have sworn to the Iron Throne since then. Of the known world, the great houses are the most powerful throughout all of the different regions in the area. Do you know how the Targaryens first took control of the land of the Seven Kingdoms? Follow the tale of Aegon the Conqueror, and learn how he used his people's might to force a union of the kingdoms. You will follow the story of the dragons, and find out how they came to be killed off, leaving the Targaryens vying for power with the other houses. Despite their great conquests, they are too among the houses who play the game of thrones, attempting to restore their name to glory. And what of the Starks, who were once the Kings of Winter, ruling over the North. They fought off advances from invaders and remained in power for thousands of years. How did they come to lose their hold over their kingdom, to become only wards? And what happened to turn Lord Eddard away from his caring of the throne? The Lannisters of Casterly Rock were the Kings of the Rock at one time. Ever since the legendary Lann the Clever took it for himself through trickery, they have been rich and powerful. These people of the First Men used marriage and alliances to strengthen their hold over their neighbors. But their insidious tactics worked to bring an Andal to be the ruling Lannister. Find out how they came to be ruled by a dysfunctional family of mistrusting infighters. Here Is A Preview Of What You'll Learn... Playing the Middle Ages Robert Houghton,2023-08-24 The Middle Ages have provided rich source material for physical and digital games from Dungeons and Dragons to Assassin's Creed. This volume addresses the many ways in which different formats and genre of games represent the period. It considers the restrictions placed on these representations by the mechanical and gameplay requirements of the medium and by audience expectations of these products and the period, highlighting innovative attempts to overcome these limitations through game design and play. Playing the Middle Ages considers a number of important and timely issues within the field including: one, the connection between medieval games and political nationalistic rhetoric; two, trends in the presentation of religion, warfare and other aspects of medieval society and their connection to modern culture; three, the problematic representations of race; and four, the place of gender and sexuality within these games and the broader gaming community. The book draws on the experience of a wide-ranging and international group of academics across disciplines and from games designers. Through this combination of expertise, it provides a unique perspective on the representation of the Middle Ages in modern games and drives key discussions in the fields of history and game design.

Epic / everyday Sarah Cardwell,Jonathan Bignell,Lucy Fife Donaldson,2023-05-30 An exciting new strand in The Television Series, the 'Moments in Television' collections celebrate the power and artistry of television, whilst interrogating key critical concepts in television scholarship. Each 'Moments' book is organised around a provocative binary theme. Epic / everyday explores the presence within television of the epic and the everyday. It argues that attention to ideas of the epic and notions of the everyday can illuminate television programmes in new ways. The book explores an eclectic range of TV fictions, including Game of Thrones, Lost and Dr Who. Contributors from diverse perspectives come together to expand and enrich the kind of close analysis most commonly found in television aesthetics. Sustained, detailed programme analyses are sensitively framed within historical, technological, institutional, cultural, creative and art-historical contexts.

A Game of Thrones 4-Book Bundle George R. R. Martin,2011-03-22 The perfect gift for fans of HBO's Game of Thrones—a boxed set featuring the first four novels! George R. R. Martin's A Song of Ice and Fire series has become, in many ways, the gold standard for modern epic fantasy. Martin—dubbed the American Tolkien by Time magazine—has created a world that is as rich and vital as any piece of historical fiction, set in an age of knights and chivalry and filled with a plethora of fascinating, multidimensional characters that you love, hate to love, or love to hate as they struggle for control of a divided kingdom. This bundle includes the following novels: A GAME OF THRONES A CLASH OF KINGS A STORM OF SWORDS A FEAST FOR CROWS

The Lands of Ice and Fire George R. R. Martin,Jonathan Roberts,2012 A series of maps to illustrating the lands and cities of George R. R. Martin's A Song of Ice and Fire series.

The History Behind Game of Thrones David C. Weinczok,2019-02-18 The true history behind the hit HBO fantasy show and George R. R. Martin’s bestselling Fire and Ice series. A wall in the distant north cuts the world in two. Ruthless sea-born warriors raid the coasts from their war galleys. A young nobleman and his kin are slaughtered under a banner of truce within a mighty castle. A warrior king becomes a legend when he smites his foe with one swing of his axe during a nation-forging battle. Yet this isn’t Westeros—it’s Scotland. Game of Thrones is history re-imagined as fantasy. The History Behind Game of Thrones turns the tables, using George R. R. Martin’s extraordinary fictional universe as a way to understand the driving forces and defining moments from Scotland’s story. Why were castles so important? Was there a limit to the powers a medieval king could use—or abuse? What was the reality of being under siege? Was there really anything that can compare to the destructive force of dragons? By joining forces, Westeros and Scotland hold the answers. Writer and presenter David C. Weinczok draws on a vast array of characters, events, places, and themes from Scottish history that echo Game of Thrones at every dramatic turn. Visit the castle where the real Red Wedding transpired, encounter the fearsome historical tribes beyond Rome’s great wall, learn how a blood-red heart became the most feared sigil in Scotland, and much more. By journey’s end, the cogs in the wheels of Martin’s world and Scottish history will be laid bare, as well as the stories of those who tried to shape—and sometimes even break—them.
