Surviving The Endgame Alan Moss,2014-08-01 Sequel to INSIDIOUS DECEPTION A Presidential Election Becomes a Deadly Contest Between International Conspirators And Those Seeking Their Destruction Rob Taylor is back in Madison, Wisconsin ready to restart his life. Married to the woman who saved him from an assassin's bullet, and enrolled in medical school, he has put the past behind. Last year's drowning death of the exchange student who captured his heart and his perilous quest for revenge by infiltrating the international conspiracy responsible are history. With its leader dead and the New York Times ready to expose the conspiracy's record of criminal deeds, Rob is confident

that married life and a medical career will provide a satisfying future. But his optimism is short lived. Soon, he learns that the series of articles that would put him in the clear was shelved while a new, vicious CEO has assumed leadership of the conspiracy. A chilling knock on their apartment door starts a daring escape from professional killers with capabilities usually reserved for U.S. intelligence services. With the leading presidential candidate under the CEO's thumb, the conspirators will do anything to propel him into the world's most powerful office, including the use of a secret drone base and mass killings.

Chango's Beads and Two-Tone Shoes William Kennedy, 2011-09-29 When journalist Daniel Quinn meets Ernest Hemingway at the Floridita bar in Havana, Cuba, in 1957, he has no idea that his own affinity for simple, declarative sentences will change his life radically overnight. So begins William Kennedy's latest novel -- a tale of revolutionary intrigue, heroic journalism, crooked politicians, drug-running gangsters, Albany race riots, and the improbable rise of Fidel Castro. Quinn's epic journey carries him through the night clubs and jungles of Cuba and into the newsrooms and racially charged streets of Albany on the day Robert Kennedy is fatally shot in 1968.

The Generosity Mindset John Ray,2023-12-11 If you are a professional services provider, your goal is to do transformative work for clients you love working with and get paid commensurate with the value you deliver to those clients. While negative mindsets can inhibit your growth, adopting a different mindset, the Generosity Mindset, can replace those self-limiting beliefs. The Generosity Mindset enables you to diagnose and communicate the value you deliver to clients and, in turn, more effectively price to receive a portion of that value. Whether you're a consultant, coach, marketing or branding professional, business advisor, attorney, CPA, or work in virtually any other professional services discipline, your content and technical expertise are not proprietary. What's unique, though, is your experience and how you synthesize and deliver your knowledge. What's special is your demeanor or the way you deal with your best-fit clients. What's invaluable is how you deliver great value by guiding people through massive changes in their personal lives and in their businesses that bring them to a place they never thought possible. The combination of all these elements is quite different for you compared to any other service provider in your industry. Therein lies your value, but it's not the value you

see. It's the value your best-fit customers see in you. If pricing your value feels uncomfortable or unfamiliar to you, this book will teach you why putting a price on the value your clients perceive and identify serves both them and you, and you'll learn the factors involved in getting your price right.

The Girls Emma Cline,2017-05-09 THE INSTANT BESTSELLER • An indelible portrait of girls, the women they become, and that moment in life when everything can go horribly wrong ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, NPR, The Guardian, Entertainment Weekly, San Francisco Chronicle, Financial Times, Esquire, Newsweek, Vogue, Glamour, People, The Huffington Post, Elle, Harper's Bazaar, Time Out, BookPage, Publishers Weekly, Slate Northern California, during the violent end of the 1960s. At the start of summer, a lonely and thoughtful teenager, Evie Boyd, sees a group of girls in the park, and is immediately caught by their freedom, their careless dress, their dangerous aura of abandon. Soon, Evie is in thrall to Suzanne, a mesmerizing older girl, and is drawn into the circle of a soon-to-be infamous cult and the man who is its charismatic leader. Hidden in the hills, their sprawling ranch is eerie and run down, but to Evie, it is exotic, thrilling, charged—a place where she feels desperate to be accepted. As she spends more time away from her mother and the rhythms of her daily life, and as her obsession with Suzanne intensifies, Evie does not realize she is coming closer and closer to unthinkable violence.
