Ask the Pilot Patrick Smith,2004 Though we routinely take to the air, for many of us flying remains a mystery. Few of us understand the how and why of jetting from New York to London in six hours. How does a plane stay in the air? Can turbulence bring it down? What is windshear? How good are the security checks? Patrick Smith, an airline pilot and author of Salon.com's popular column, Ask the Pilot, unravels the secrets and tells you all there is to know about the strange and fascinating world of commercial flight. He offers: A nuts and bolts explanation of how planes fly Insights into safety and security Straight talk about turbulence, air traffic control, windshear, and crashes The history, color, and controversy of the world's airlines The awe and oddity of being a pilot The poetry and drama of airplanes, airports, and traveling abroad In a series of frank, often funny explanations and essays, Smith speaks eloquently to our fears and curiosities, incorporating anecdotes, memoir, and a life's passion for flight. He tackles our toughest concerns, debunks conspiracy theories and myths, and in a rarely heard voice dares to return a dash of romance and glamour to air travel.

After Evil Robert Meister,2011 The way in which mainstream human rights discourse speaks of such evils as the Holocaust, slavery, or apartheid puts them solidly in the past. Its elaborate techniques of transitional justice encourage future generations to move forward by creating a false assumption of closure, enabling those who are guilty to elude responsibility. This approach to history, common to late-twentieth-century humanitarianism, doesn't presuppose that evil ends when justice begins. Rather, it assumes that a time before justice is the moment to put evil in the past. Merging examples from literature and history, Robert Meister confronts the problem of closure and the resolution of historical injustice. He boldly challenges the empty moral logic of never again or the theoretical reduction of evil to a cycle of violence and counterviolence, broken only once evil is remembered for what it was. Meister criticizes such methods for their deferral of justice and susceptibility to exploitation and elaborates the flawed moral logic of never again in relation to Auschwitz and its evolution into a twenty-first-century doctrine of the Responsibility to Protect.

Dissertation Abstracts International ,1996

Natural Born Celebrities David Schmid,2008-09-15 Jeffrey Dahmer. Ted Bundy. John Wayne Gacy. Over the past thirty years, serial killers have become iconic figures in America, the subject of made-for-TV movies and mass-market paperbacks alike. But why do we find such luridly transgressive and horrific individuals so fascinating? What compels us to look more closely at these figures when we really want to look away? Natural Born Celebrities considers how serial killers have become lionized in American culture and explores the consequences of their fame. David Schmid provides a historical account of how serial killers became famous and how that fame has been used in popular media and the corridors of the FBI alike. Ranging from H. H. Holmes, whose killing spree during the 1893

Chicago World's Fair inspired *The Devil in the White City*, right up to Aileen Wuornos, the lesbian prostitute whose vicious murder of seven men would serve as the basis for the hit film *Monster*, Schmid unveils a new understanding of serial killers by emphasizing both the social dimensions of their crimes and their susceptibility to multiple interpretations and uses. He also explores why serial killers have become endemic in popular culture, from their depiction in *The Silence of the Lambs* and *The X-Files* to their becoming the stuff of trading cards and even Web sites where you can buy their hair and nail clippings. Bringing his fascinating history right up to the present, Schmid ultimately argues that America needs the perversely familiar figure of the serial killer now more than ever to manage the fear posed by Osama bin Laden since September 11. This is a persuasively argued, meticulously researched, and compelling examination of the media phenomenon of the 'celebrity criminal' in American culture. It is highly readable as well.—Joyce Carol Oates

The American Presidency William G. Howell, 2023-01-10 How institutions shape the American presidency This incisive undergraduate textbook emphasizes the institutional sources of presidential power and executive governance, enabling students to think more clearly and systematically about the American presidency at a time when media coverage of the White House is awash in anecdotes and personalities. William Howell offers unparalleled perspective on the world's most powerful office, from its original design in the Constitution to its historical growth over time; its elections and transitions to governance; its interactions with Congress, the courts, and the federal bureaucracy; and its persistent efforts to shape public policy. Comprehensive in scope and rooted in the latest scholarship, *The American Presidency* is the perfect guide for studying the presidency at a time of acute partisan polarization and popular anxiety about the health and well-being of the republic. Focuses on the institutional structures that presidents must navigate, the incentives and opportunities that drive them, and the constraints they routinely confront Shows how legislators, judges, bureaucrats, the media, and the broader public shape the contours and limits of presidential power Encourages students to view the institutional presidency as not just an object of study but a way of thinking about executive politics Highlights the lasting effects of important historical moments on the institutional presidency Enables students to grapple with enduring themes of power, rules, norms, and organization that undergird democracy

Games of Empire Nick Dyer-Witheford, Greig de Peuter, 2013-11-30 In the first decade of the twenty-first century, video games are an integral part of global media culture, rivaling Hollywood in revenue and influence. No longer confined to a subculture of adolescent males, video games today are played by adults around the world. At the same time, video games have become major sites of corporate exploitation and military recruitment. In *Games of Empire*, Nick Dyer-Witheford and Greig de Peuter offer a radical political critique of such video games and virtual environments as *Second Life*, *World of Warcraft*, and *Grand Theft Auto*, analyzing them as the exemplary media of Empire, the twenty-first-century hypercapitalist complex theorized by Michael Hardt and Antonio Negri. The authors trace the ascent of virtual gaming, assess its impact on creators and players alike, and delineate the

relationships between games and reality, body and avatar, screen and street. Games of Empire forcefully connects video games to real-world concerns about globalization, militarism, and exploitation, from the horrors of African mines and Indian e-waste sites that underlie the entire industry, the role of labor in commercial game development, and the synergy between military simulation software and the battlefields of Iraq and Afghanistan exemplified by Full Spectrum Warrior to the substantial virtual economies surrounding World of Warcraft, the urban neoliberalism made playable in Grand Theft Auto, and the emergence of an alternative game culture through activist games and open-source game development. Rejecting both moral panic and glib enthusiasm, Games of Empire demonstrates how virtual games crystallize the cultural, political, and economic forces of global capital, while also providing a means of resisting them.

W. B. Yeats and the Language of Sculpture Jack Quin, 2022-06-30 This book comprehensively examines the relationship between literature and sculpture in the work of W. B. Yeats, drawing on extensive archival research to offer revelatory new readings of the poet. The book traces Yeats's literary and critical engagement with Celtic Revival statuary, public monuments in Dublin, the coin designs of the Irish Free State, abstract sculpture by the Vorticists and modernists, and a variety of carvings, decorative sculptures, and objets d'art. By charting Yeats's early art school education in Dublin, his attempts to raise funds for public monuments in the city, and to secure commissions for his favourite sculptors, the book documents a lifelong interest in the plastic arts. New and original readings of Yeats's poetry, drama, and prose criticism emerge from this concerted inter-arts and interdisciplinary study.

"At this Defining Moment" Enid Lynette Logan, 2011

Gry Imperium. Globalny kapitalizm i gry wideo NICK DYER-WITHEFORD, GREIG DE PEUTER, PRZEKŁAD – Krzysztof Abriszewski, Paweł Gąska, Adrian Zabielski REDAKCJA NAUKOWA ORAZ NAUKOWE OPRACOWANIE PRZEKŁADU – Krzysztof Abriszewski i Paweł Gąska Gry wideo są modelowymi mediami zarówno Imperium, jak i niektórych sił, które się mu sprzeciwiają – taka teza przyświeca Grom Imperium, książce czerpiącej garściami z dzieł Micheala Hardta, Antonia Negriego, Michela Foucaulta, Gillesa Deleuza i Felixa Guattariego. Jest to pierwsze takie dzieło, w którym autorzy, za pomocą narzędzi współczesnej myśli krytycznej, przyglądają się grom wideo w kontekście krążenia kapitału, kompleksu wojskowo-przemysłowego czy wyzysku pracowników kognitywnych. Krytyka jest tu rzetelna, napisana przystępnym językiem, nie popada nigdy ani w bezpodstawną panikę moralną, ani w przesadny technooptymizm. W tekście utrzymano równowagę między teorią a empirycznymi przykładami (wśród których znajdują się choćby Full Spectrum Warrior, World of Warcraft, seria Grand Theft Auto czy konsola Sony Playstation). Gry Imperium to książka dla szerokiego grona odbiorców. Krytycy neoliberalnego kapitalizmu znajdą kolejne przykłady jego destrukcyjnego wpływu. Kulturoznawcy i groznawcy poznają nową perspektywę, z której można spoglądać na gry wideo. Wreszcie gracze

będą mogli w przystępnej formie przeczytać o jasnych i ciemnych stronach ważnego dla nich medium. Prezentowana książka otwiera nową serię wydawniczą Kultura Współczesności, która ma podjąć trudne zadanie zrozumienia współczesnej kultury w ciekawy sposób. Osoby pracujące nad przekładem łączą własne zaplecze teoretyczne z pracą empiryczną. Istotne jest także, by prace tego rodzaju zawierały element krytyczny, który pomoże wydobyć wielowymiarowość otaczającego nas świata. Obecność tych trzech warunków jest ważna o tyle, że żaden z nich z osobna nie oferuje satysfakcjonujących efektów podczas badania teraźniejszości, razem jednak dają szansę ukazania jej w sposób zaskakujący, nowy i inspirujący. Ufamy, że każda z publikowanych pozycji wniesie swój wkład w rozumienie kultury naszych czasów. Drugą planowaną pracą w serii jest przekład książki A Casual Revolution: Reinventing Video Games and Their Players Jespera Juula.

Chaos Theory Gary Krist, 2001 Krist's electrifying new thriller ricochets through the streets of Washington, D.C.--from the shadows of the blighted inner city to the white-hot epicenter of political power--where innocence and corruption collide.

Little Failure Gary Shteyngart, 2014-01-07 NEW YORK TIMES BESTSELLER • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY MICHIKO KAKUTANI, THE NEW YORK TIMES • NAMED ONE OF THE TEN BEST NONFICTION BOOKS OF THE YEAR BY TIME NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MORE THAN 45 PUBLICATIONS, INCLUDING The New York Times Book Review • The Washington Post • NPR • The New Yorker • San Francisco Chronicle • The Economist • The Atlantic • Newsday • Salon • St. Louis Post-Dispatch • The Guardian • Esquire (UK) • GQ (UK) Little Failure is the all too true story of an immigrant family betting its future on America, as told by a lifelong misfit who finally finds a place for himself in the world through books and words. In 1979, a little boy dragging a ginormous fur hat and an overcoat made from the skin of some Soviet woodland creature steps off the plane at New York's JFK International Airport and into his new American life. His troubles are just beginning. For the former Igor Shteyngart, coming to the United States from the Soviet Union is like stumbling off a monochromatic cliff and landing in a pool of Technicolor. Careening between his Soviet home life and his American aspirations, he finds himself living in two contradictory worlds, wishing for a real home in one. He becomes so strange to his parents that his mother stops bickering with his father long enough to coin the phrase failurchka—"little failure"—which she applies to her once-promising son. With affection. Mostly. From the terrors of Hebrew School to a crash course in first love to a return visit to the homeland that is no longer home, Gary Shteyngart has crafted a ruthlessly brave and funny memoir of searching for every kind of love—family, romantic, and of the self. BONUS: This edition includes a reading group guide. Praise for Little Failure "Hilarious and moving . . . The army of readers who love Gary Shteyngart is about to get bigger."—The New York Times Book Review "A memoir for the ages . . . brilliant and unflinching."—Mary Karr "Dazzling . . . a rich, nuanced memoir . . . It's an immigrant story, a coming-of-age story, a becoming-a-writer story, and a becoming-a-

mensch story, and in all these ways it is, unambivalently, a success.”–Meg Wolitzer, NPR “Literary gold . . . [a] bruisingly funny memoir.”–Vogue “A giant success.”–Entertainment Weekly

While this might not be the Gary Patrick Salon full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Gary Patrick Salon eBooks, including some popular titles.

FAQs About Gary Patrick Salon Books

What is a Gary Patrick Salon PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Gary Patrick Salon PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Gary Patrick Salon PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Gary Patrick Salon PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Gary Patrick Salon PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with

PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
