Marketing Cases from Emerging Markets Dilip Mutum,Sanjit Kumar Roy,Eva Kipnis,2013-09-03 Despite the fact that experts acknowledge the importance of the emerging markets, there is a dearth of real case studies specially focussed on marketing issues. This case study book addresses that need. It is also important and timely in providing a framework for instructors and researchers (both academic and industry) to understand the dynamics occurring in emerging markets. This book is composed of long and short real cases with varying complexity in different sectors including airlines, hotel, fashion, etc. These will cover issues which are unique to the emerging markets (including the BRIC countries) to understand the dynamics occurring in these countries. A Tall Order Kapil Pathare,2018-03-01 There is a lot to learn from this league of extraordinary gentlemen. They make such fine ambassadors of this great country of ours. While picking these 10 cricketers I did not have to think much because each of these gentlemen have made an impact on our lives in the last 25 years. Whether it is the Fabulous Four of Sachin Tendulkar, Rahul Dravid, Sourav Ganguly and VVS Laxman, or the spin duo of Anil Kumble and Harbhajan Singh, fantastic Virender Sehwag, flamboyant Yuvraj or the ever cool Mahendra Singh Dhoni or the magical Zaheer Khan, they have all made an impact in different ways. I have a lot to learn from each of these gentlemen because they have different qualities. Tendulkars humility is a lesson for all of us, Dravids steely resolve is worth emulating, Ganguly and MS Dhoni offer contrasting lessons in leadership skills. Similarly the fighting spirit of the spin pair of Kumble and Harbhajan or the devil-may-care attitude of Sehwag or the sheer natural ability of Yuvraj, coupled with the self-confidence of Zaheer. All this has

impacted me and no doubt billions of others. As I compiled this book, I was left wondering how wonderful it was for Indian cricket to have all these gentlemen play almost at the same time. Very rarely have cricket teams been built around individuals who are the best at what they do. It is indeed a privilege and a honour to have seen these extraordinary cricketers in the same era. One can learn so much from simply playing back their exploits. The videos of their efforts still make for compelling viewing. As you would imagine I am a complete cricket nut. For me nothing else mattered. It therefore felt great to compile my thoughts on these 10 extraordinary cricketers.

Diaries - Reports & Analysis on Cricket! Apurva Agarwal, 2018-05-17 This book contains reports on the sport that India fancies passionately—cricket! Matches were covered between 2005 and 2014, and hands-on analyses were prepared alongside following the sport. The author would sit down before a television set and write, write, and write as the competition unfolded on the telly. These reports are a flashback on the golden era of Indian cricket under the flamboyant leadership of Sourav Ganguly, prepared captaincy of Rahul Dravid, and the calmness at the top of MS Dhoni during this time frame.

Dance of Democracy E Sudhakar, 2023-08-31 This is a general narration of the entire drama of the elections in the largest democracy of the world, India. Being a slugfest intended to decide who should sit in the seat of power, it attracts a lot of attention within and outside the country and ropes in a number of enthusiastic actors, big and small, and rakes up a lot of din and dust throwing up money and material in the process. The general elections are quinquennial affair in India and every time they are held they create a lot of commotion and hype throughout the country. This time around, i.e., in 2019, this battle of ballots provided a colourful, intensely absorbing and juicy drama which was not witnessed on previous occasions, with some exceptions. There were many players in the arena, with an ardent desire to seize power including the incumbent prime minister Mr. Narendra Modi and others, like Mamata Banerjee, Mayawati, K. Chandrashekhara Rao, Sharad Pawar, Arvind Kejriwal, Deve Gowda and of course the Gandhi scion Rahul. The array of the political stalwarts, everyone having with an axe to grind and everyone exuding fierce instinct and confidence to fight the sworn enemy, viz., the Bharatiya Janata Party and its top leader and Prime Minister, Narendra Modi, made it a saga of grand proportions. As every election brings some lessons, messages and some experiences to guide the political leaders, people and the scholars, this story of 2019 elections is a piece of brief political history that can guide to assess the past and prove to be an instrument of reality check to the political parties, its leaders and the people.
