

Gay And Lesbian Pages

Alexandra Chasin

The Pink Pages Fusion Press, Vision Paperbacks, 2002 Are you looking for a lesbian volleyball team in London or a gay jogging club in Edinburgh? Perhaps you're after a gay-friendly hotel in Dublin, a newsletter in Bolton, a lawyer in Newcastle or a nightclub in Leeds?; From driving instructors and interior decorators to removal services and sex shops, his comprehensive listings guide provides a huge range. It has extensive entries for accommodation, pubs, clubs, bars and restaurants, health practitioners, adult education courses, gay-owned and gay-friendly businesses and services as well as national and regional contact details for AIDS helplines, support groups, counselling and information services. It is also geared towards the latest developments in the Information Age, and features up-to-date e-mail addresses, websites and even search engines.

The Gay & Lesbian Atlas Gary J. Gates, Jason Ost, 2004 While the words we are everywhere can be frequently heard at gay and lesbian political events, The Gay and Lesbian Atlas provides the first empirical confirmation of this rallying cry. Drawing on the most recent data from the U.S. Census, this groundbreaking work offers a detailed geographic and demographic portrait of gay and lesbian families in all 50 states plus the top 25 U.S. metropolitan areas. These results, presented in more than 250 full-color maps and charts, will both confirm and challenge anecdotal information about the spatial distribution and demographic characteristics of this community. It is probably no surprise that San Francisco, Key West, and western Massachusetts all host large gay and lesbian populations, but it might surprise some that Houston, Texas, contains one of the ten gayest neighborhoods in the country, or that Alaska and New Mexico have high concentrations of gay and lesbian couples in their senior populations. The Atlas is a unique and important resource for the political and public policy communities, public health officials, social scientists, and anyone interested in gay and lesbian issues

International Directory of Gay and Lesbian Periodicals, 1987

Selling Out Alexandra Chasin, 2000 Examines the relationship between the recent marketing aimed at the gay community and the movement that struggles to achieve equal rights for gay men and lesbians.

Out in All Directions Eric Marcus, 2009-09-26 Out in All Directions takes the mystery out of gay and lesbian history, lifts the lid off pink politics and paints the town lavender with every aspect of gay life, culture and community.

The Lesbian & Gay Pink Pages, 1996

Queer Sites David Higgs, 1999 There are areas which can be described as gay space because there are many gays and lesbians in the population. Queer Sites offers a history of gay space in the major cities from early modern time to the present.

Gay L.A. Lillian Faderman, Stuart Timmons, 2009-08-03 Charts LA's gay history, from the first missionary encounters with Native American cross-gendered 'two spirits' to cross-dressing frontier women in search of their fortunes, and from the 1960s gay liberation movement to the creation of gay marketing in the 1990s.

City of Friends Simon LeVay, Elisabeth Nonas, 1995 City of Friends offers a practical, intelligent, and well-informed overview of what it means to be gay or lesbian. The authors seek to help gay men and women, as well as their families and friends, to better understand the institutions and communities that make up the most culturally and ethnically diverse minority in America today. Beginning with basic concepts, LeVay and Nonas define the words homosexual, gay, lesbian, and bisexual and discuss the various patterns of homosexuality in different cultures around the world. They relate the history of the gay and lesbian community in the United States, and its struggle for equal rights and social acceptance, before

tackling the question -- still highly controversial -- of what determines an individual's sexual orientation. City of Friends describes the great diversity within the gay and lesbian community: Life in the gay ghetto. Old lesbians in rural hideaways. Gay resorts. A town without men. Gay and lesbian Latinos, African-Americans, Asian-Americans, and Native Americans -- what it means to be a minority within a minority. Lesbian and gay youth, the elderly, the deaf. Bisexuals and transsexuals. Academics, drag queens, technoqueers, publishers, softball players -- all make their appearance in these pages. LeVay and Nonas continue with a discussion of health issues (especially of the AIDS epidemic and the community's response to it), the law, and gay and lesbian politics. They describe the cultural achievements of lesbians and gay men -- their art, literature, theater, music, and dance. Finally they take a look at the spiritual life of gays and lesbians, both within and outside of organized religion.

Conduct Unbecoming Randy Shilts, 2005-07 The definitive book on lesbians and gay men in the US military. Randy Shilts, author of the classic documentary history of the AIDS epidemic *And The Band Played On*, was acclaimed for his ability to take epic histories and molding them into gripping, intimate narratives. *Conduct Unbecoming*, his groundbreaking exploration of lesbians and gays in the military, came out of hundreds of interviews conducted with servicepeople at all levels of the Army, Navy, Air Force and Marine Corps and intense research uncovering thousands of documents resulting in a unique history of gays in the military as well as the persecution of gays in the military. *Conduct Unbecoming* will leave readers moved and imbued with a better understanding of the pressing situation in our nation's military. A sober, thoroughly researched and engrossingly readable history on the subject. [Shilts's] chronicle is excellent military history, closely woven with an enthralling analysis of the changing definitions of sexuality and personal relationships in American society....[A] landmark book....Remarkable. --New York Times Book Review A masterpiece of investigative reporting...Shilts has shown us the honor homosexuals have brought, and continue to bring, to the uniforms they wear and the country they serve. - Boston Globe Gays, we are told, would damage morale in the military. Shilts documents the fact that morale has already been eaten away by hypocrisy, contradictions, and favoritism...This book will be to gay and lesbian liberation what Betty Friedan's was to early feminism or Rachel Carson's to ecological consciousness. No fair-minded person can read *Conduct Unbecoming* and consider the present system defensible. - USA Today Gripping reading...the history of homosexual people and the movement for gay/lesbian equality in the United States can nowhere be more clearly told. - Los Angeles Times

Lesbians, Gay Men, and Bisexuals, 1994 A resource guide developed to increase the understanding of the issues important to the lesbian, gay, and bisexual communities. The guide is the product of a search of the National Clearinghouse for Alcohol and Drug Information data bases. It describes articles and reports from peer reviewed journals and books, lists materials with clear ATOD prevention messages, and gives resources for more information.

Pink Pages, 2011

Gay Market Guide,

In the Pink Sue Levin, 1999 Readers of *In the Pink* will gain practical, useful tips on running and starting a gay-focused business, being partners with their partners, managing gay employees, and much more. *In the Pink* also gives the reader personalized help on general issues such as motivation, personality, finance, marketing, planning, and management from a gay perspective. It tells you how to find a mentor, how to apply for a bank loan, how to market to the gay and non-gay communities, whether or not your business should come out, and much more. Copyright © Libri GmbH. This Book Is Gay Juno Dawson, 2021-09-07 The bestselling young adult non-fiction book on sexuality

and gender! Lesbian. Gay. Bisexual. Transgender. Queer. Intersex. Straight. Curious. This book is for everyone, regardless of gender or sexual preference. This book is for anyone who's ever dared to wonder. This book is for YOU. This candid, funny, and uncensored exploration of sexuality and what it's like to grow up LGBTQ also includes real stories from people across the gender and sexual spectrums, not to mention hilarious illustrations. Inside this revised and updated edition, you'll find the answers to all the questions you ever wanted to ask, with topics like: Stereotypes—the facts and fiction Coming out as LGBT Where to meet people like you The ins and outs of gay sex How to flirt And so much more! You will be entertained. You will be informed. But most importantly, you will know that however you identify (or don't) and whomever you love, you are exceptional. You matter. And so does this book. This book is for: LGBTQIA+ teens, tweens, and adults Readers looking to learn more about the LGBTQIA+ community Parents of gay kids and other LGBT youth Educators looking for advice about the LGBTQIA+ community Praise for *This Book is Gay: A Guardian Best Book of the Year 2018 Garden State Teen Book Award Winner* The book every LGBT person would have killed for as a teenager, told in the voice of a wise best friend. Frank, warm, funny, USEFUL.—Patrick Ness, New York Times bestselling author This egregious gap has now been filled to a fare-thee-well by Dawson's book.—Booklist ***STARRED REVIEW***

A New Generation of Homosexuality: Modern Trends in Gay & Lesbian Communities Bill Palmer, 2014-09-29 Young people coming out as lesbian, gay, bisexual, and transgender (LGBT) in the twenty-first century are being welcomed into a community that is proud, diverse, and vibrant! This book examines the history of the LGBT community in America from its roots in the free-thinking seaport cities of the 1800s, through the social revolution of World War II, the early activists of the 1950s, the gay pride movements of the 1970s, the AIDS crisis, and the mainstreaming of LGBT communities of the present day. It is a story of courage in the face of oppression, a demand for civil rights, and people making meaningful and authentic lives for themselves—and having fun, too. LGBT people today are the heirs of the hopes and dreams and hard work of past generations. This is an exciting and inspirational story of an American minority group that is still fighting for full acceptance in contemporary society.

Brave Journeys David Mixner, Dennis Bailey, 2011-04-20 In *Stranger Among Friends*, renowned activist, political adviser, and White House insider David Mixner offered a compelling account of his decades-long fight for human rights and the challenges he faced as a gay man in Washington. Now, in this new book written with collaborator Dennis Bailey, Mixner presents moving, candid, and inspiring portraits of other extraordinary men and women engaged in the struggle for equality. *Brave Journeys: Profiles in Gay and Lesbian Courage* From a top-gun pilot in the U.S. Navy to an authority on antigay violence, from a member of the president's administration to a leading Shakespearean actor, *Brave Journeys* tells the stirring stories of seven intrepid men and women who effectively challenged the status quo and thereby altered the political and societal landscape of the world we live in. In these pages we meet Hispanic-American Dianne Hardy-Garcia, executive director of the Lesbian and Gay Rights Lobby of Texas and a passionate crusader against hate crimes; Elaine Noble, the feisty veteran of Boston's busing wars who became the first openly gay person to be elected to a state office in the United States—the Massachusetts State Legislature; brilliant British actor Sir Ian McKellen, who came out as a gay man and an activist in one very public moment on the BBC; Roberta Achtenberg, who braved the venomous homophobia of Jesse Helms in Senate confirmation hearings for her appointment to the Department of Housing and Urban Development; Lieutenant Tracy Thorne, a Navy fighter pilot living his lifelong dream of flight who outed himself on *Nightline* to challenge the U.S. military's policy against gays and lesbians, fully aware that this would mean the end of his Navy career; and San Franciscans Del Martin and Phyllis Lyon, founders of the first national

lesbian organization, the Daughters of Bilitis, who have celebrated fifty years together as a couple. Powerful and eloquent, *Brave Journeys* is David Mixner's tribute to gay men and lesbians who have made a difference. Rich in private bravery and public risk, these profiles comprise a vivid map of the gay rights movement over the last fifty years-and individually they testify to the power of courage to force change against profoundly overwhelming odds.

New Englands Community Pink Pages ,2003
Gay & Lesbian Biography Michael J. Tyrkus,1997 Profiles the achievements of prominent and noteworthy gays & lesbians.

Interpreting LGBT History at Museums and Historic Sites Susan Ferentinos,2014-12-16 LGBT individuals and families are increasingly visible in popular culture and local communities; their struggles for equality appear regularly in news media. *Interpreting LGBT History at Museums and Historic Sites* provides a straightforward, accessible guidebook for museum and history professionals as they embark on such worthy efforts.
