

# Gay Times Magazine

John Paul Brammer

**The Gay Times Book of Short Stories** P-P. Hartnett, 2000 This anthology, is an exciting mix of the best established names plus an adventurous new wave of gay and bisexual voices from England, Ireland. Scotland and Wales, says Hartnett. This collection is a far cry from crap melodrama, the usual sentimental nonsense and all that paint by numbers porn that is as wincingly predictable as it is unlikely, and anything but erotic. It's important for writers to embrace their sexuality and lifestyle as completely and honestly as possible and at the same time to forget about it entirely.

The Boy Made the Difference Matt Bishop, 2020-08-11 Rex, a husband and father, makes an unintentional error. Will Rex get away with his terrible, taboo-busting mistake? This opening premise is the starting gun to a rollicking ride through London of the late 1980s and early 1990s, in a literary novel that focuses on human frailty, love, marriage, family bonds, gay sex, betrayal, alcoholism, illness and death. Although aspects of the novel are richly ironic and even comedic, it also deals with challenging themes, not least HIV/AIDS. Matt Bishop wrote *The Boy Made the Difference* because very few (if any) literary novels are set against the narrative backdrop of the HIV/AIDS crisis of the late 1980s and early 1990s, which had a profound and lasting impact on the gay community. All of the proceeds from the book sales will be donated to his late mother's charity - the Bernardine Bishop Appeal (part of CLIC Sargent - a charity that helps children, young people and their families who are suffering the effects of cancer).

*The Times I Knew I Was Gay* Eleanor Crewes, 2020-10-06 A charming, highly relatable graphic memoir about one woman's coming out and coming of age that "brims with hope, and the joy that arises when one is finally ready to step out into the world" (OprahMag.com). Ellie always had questions about who she was and how she fit in. As a girl, she wore black, obsessed over Willow in *Buffy the Vampire Slayer*, and found dating boys much more confusing than many of her friends did. As she grew older, so did her fears and a deep sense of unbelonging. From her first communion to her first girlfriend via a swathe of self-denial, awkward encounters, and everyday courage, Ellie offers a fresh and funny self-portrait of a young woman becoming herself. This "heartwarming, delightful memoir of self-discovery" (Kirkus Reviews, starred review) reminds us that people sometimes come out not just once but again and again; that identity is not necessarily about falling in love with others, but about coming to terms with oneself. Full of vitality and humor, *The Times I Knew I Was Gay* will ring true for anyone who has taken the time to discover who they truly are.

**Hola Papi** John Paul Brammer, 2022-06-07 The popular LGBTQ advice columnist and writer presents a memoir-in-essays chronicling his journey growing up as a queer, mixed-race kid in America's heartland to becoming the Chicano Carrie Bradshaw of his generation.

Pink Ink Bill Calder, 2016-08-01 The tapping of typewriters first lifted the secrecy around homosexuality, and a vibrant array of voices was soon heard. The publishers of gay magazines and newspapers were a diverse and lively lot. Some wanted to publicise where the best parties were held; some to fight the political battle; and others to show new ways for lesbians and gay men to live their lives. The story of these magazines and newspapers is the story of society's changing attitudes, and indeed, the changing gay world. This book traces the evolution of Australia's gay and lesbian publications from smudgy porn sold in brown paper bags to glossy coffee-table magazines proudly on display; from gestetnered newsletters to an industry publishing millions of newspapers each year - that is, until the Internet changed it all.

**Gay Bar** Jeremy Atherton Lin, 2021-02-09 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER NAMED ONE OF THE BEST BOOKS OF

THE YEAR BY: The New York Times \* NPR \* Vogue \* Gay Times \* Artforum \* "Gay Bar is an absolute tour de force." -Maggie Nelson Atherton Lin has a five-octave, Mariah Carey-esque range for discussing gay sex." -New York Times Book Review As gay bars continue to close at an alarming rate, a writer looks back to find out what's being lost in this indispensable, intimate, and stylish celebration of queer history. Strobing lights and dark rooms; throbbing house and drag queens on counters; first kisses, last call: the gay bar has long been a place of solidarity and sexual expression-whatever your scene, whoever you're seeking. But in urban centers around the world, they are closing, a cultural demolition that has Jeremy Atherton Lin wondering: What was the gay bar? How have they shaped him? And could this spell the end of gay identity as we know it? In *Gay Bar*, the author embarks upon a transatlantic tour of the hangouts that marked his life, with each club, pub, and dive revealing itself to be a palimpsest of queer history. In prose as exuberant as a hit of poppers and dazzling as a disco ball, he time-travels from Hollywood nights in the 1970s to a warren of cruising tunnels built beneath London in the 1770s; from chichi bars in the aftermath of AIDS to today's fluid queer spaces; through glory holes, into Crisco-slicked dungeons and down San Francisco alleys. He charts police raids and riots, posing and passing out-and a chance encounter one restless night that would change his life forever. The journey that emerges is a stylish and nuanced inquiry into the connection between place and identity-a tale of liberation, but one that invites us to go beyond the simplified Stonewall mythology and enter lesser-known battlefields in the struggle to carve out a territory. Elegiac, randy, and sparkling with wry wit, *Gay Bar* is at once a serious critical inquiry, a love story and an epic night out to remember.

To be a Gay Man Will Young, 2020-09-03 In *To Be a Gay Man*, Will Young speaks out about gay shame, revealing the impact it had on his own life, how he learned to deal with it, and how he can now truthfully say he is gay and happy. We know Will as a multi-platinum recording artist, Olivier-nominee, and the first winner of the *Idol* franchise. But his story began long before his first audition. Looking back on a world where growing up being called gay was the ultimate insult and coming out after a lifetime of hiding his sexuality, Will explores the long-lasting impact repressing his true self has had. As Will's own story demonstrates, internalised shame in childhood increases the risk of developing low self-worth, and even self-disgust, leading to destructive behaviours in adult life. Will revisits the darkest extremes he has been to, sharing his vulnerabilities, his regrets, tracing his own navigation through it all and showing the way for others who might have felt alone in the same experience. Here you will find a friend, champion and mentor, breaking taboos with frank honesty, and offering invaluable practical advice on overcoming the difficult issues too often faced within the LGBTQ+ community.

An Untamed State Roxane Gay, 2014-05-06 A Haitian American woman survives a brutal kidnapping in this "commanding debut novel" from the New York Times-bestselling author of *Bad Feminist* (The New Yorker). Author and essayist Roxane Gay is celebrated for her incisive commentary on identity and culture, as well as for her bestselling nonfiction and short story collections. Now, with *An Untamed State*, she delivers a "breathtaking debut novel" (The Guardian, UK) of wealth in the face of crushing poverty, and the lawless anger produced by corrupt governments. Mireille Duval Jameson is living a fairy tale. The strong-willed youngest daughter of one of Haiti's richest sons, she lives in the United States with her adoring husband and infant son, returning every summer to stay on her father's Port-au-Prince estate. But the fairy tale ends when Mireille is kidnapped in broad daylight by a gang of heavily armed men, just outside the estate walls. Held captive by a man who calls himself The Commander, Mireille waits for her father to pay her ransom. As her father's standoff with the kidnappers stretches out into days,

Mireille must endure the torments of a man who despises everything she represents. An Untamed State is a “breathless, artful, disturbing and original” story of a willful woman attempting to find her way back to the person she once was, and of how redemption is found in the most unexpected of places (Meg Wolitzer, author of The Interestings).

**Bad Feminist** Roxane Gay, 2014-08-05 “Roxane Gay is so great at weaving the intimate and personal with what is most bewildering and upsetting at this moment in culture. She is always looking, always thinking, always passionate, always careful, always right there.” – Sheila Heti, author of How Should a Person Be? A New York Times Bestseller Best Book of the Year: NPR • Boston Globe • Newsweek • Time Out New York • Oprah.com • Miami Herald • Book Riot • Buzz Feed • Globe and Mail (Toronto) • The Root • Shelf Awareness A collection of essays spanning politics, criticism, and feminism from one of the most-watched cultural observers of her generation In these funny and insightful essays, Gay takes us through the journey of her evolution as a woman (Sweet Valley High) of color (The Help) while also taking readers on a ride through culture of the last few years (Girls, Django in Chains) and commenting on the state of feminism today (abortion, Chris Brown). The portrait that emerges is not only one of an incredibly insightful woman continually growing to understand herself and our society, but also one of our culture. Bad Feminist is a sharp, funny, and spot-on look at the ways in which the culture we consume becomes who we are, and an inspiring call-to-arms of all the ways we still need to do better, coming from one of our most interesting and important cultural critics.

**Modern HERstory** Blair Imani, 2018-10-16 An inspiring and radical celebration of 70 women, girls, and nonbinary people who have changed—and are still changing—the world, from the Civil Rights Movement and Stonewall riots through Black Lives Matter and beyond. With a radical and inclusive approach to history, Modern HERstory profiles and celebrates seventy women and nonbinary champions of progressive social change in a bold, colorful, illustrated format for all ages. Despite making huge contributions to the liberation movements of the last century and today, all of these trailblazers come from backgrounds and communities that are traditionally overlooked and under-celebrated: not just women, but people of color, queer people, trans people, disabled people, young people, and people of faith. Authored by rising star activist Blair Imani, Modern HERstory tells the important stories of the leaders and movements that are changing the world right here and right now—and will inspire you to do the same.

**Deaf Utopia** Nyle DiMarco, Robert Siebert, 2022-04-19 NEW YORK TIMES BESTSELLER A heartfelt and inspiring memoir and celebration of Deaf culture by Nyle DiMarco, actor, producer, two-time reality show winner, and cultural icon of the international Deaf community Before becoming the actor, producer, advocate, and model that people know today, Nyle DiMarco was half of a pair of Deaf twins born to a multi-generational Deaf family in Queens, New York. At the hospital one day after he was born, Nyle “failed” his first test—a hearing test—to the joy and excitement of his parents. In this engrossing memoir, Nyle shares stories, both heartbreaking and humorous, of what it means to navigate a world built for hearing people. From growing up in a rough-and-tumble childhood in Queens with his big and loving Italian-American family to where he is now, Nyle has always been driven to explore beyond the boundaries given him. A college math major and athlete at Gallaudet—the famed university for the Deaf in Washington, DC—Nyle was drawn as a young man to acting, and dove headfirst into the reality show competitions America’s Next Top Model and Dancing with the Stars—ultimately winning both competitions. Deaf Utopia is more than a memoir, it is a cultural anthem—a proud and defiant song of Deaf culture and a love letter to American Sign Language, Nyle’s primary language. Through his stories and those of his Deaf brothers, parents, and grandparents, Nyle opens many windows into the Deaf experience. Deaf Utopia is intimate, suspenseful, hilarious, eye-opening,

and smart—both a memoir and a celebration of what makes Deaf culture unique and beautiful.

**The Kids** Gabriela Herman, 2017-10-10 PAPERBACK ORIGINAL A stunning new photobook featuring more than fifty portraits of children brought up by gay parents in America, sixth in a groundbreaking series that looks at LGBTQ communities around the world Judges, academics, and activists keep wondering how children are impacted by having gay parents. Maybe it's time to ask the kids. For the past four years, award-winning photographer Gabriela Herman, whose mother came out when Herman was in high school and was married in one of Massachusetts' first legal same-sex unions, has been photographing and interviewing children and young adults with one or more parent who identify as lesbian, gay, trans, or queer. Building on images featured in a major article for the New York Times Sunday Review and The Guardian and working with the Colage organization, the only national organization focusing on children with LGBTQ parents, *The Kids* brings a vibrant energy and sensitivity to a wide range of experiences. Some of the children Herman photographed were adopted, some conceived by artificial insemination. Many are children of divorce. Some were raised in urban areas, other in the rural Midwest and all over the map. These parents and children juggled silence and solitude with a need to defend their families on the playground, at church, and at holiday gatherings. This is their story. *The Kids* was designed by Emerson, Wajdowicz Studios (EWS).

**Queer Love in Color** Jamal Jordan, 2021-05-04 A photographic celebration of the love and relationships of queer people of color by a former New York Times multimedia journalist "Thank you, Jamal Jordan, for showing the world what true love looks like."—Billy Porter *Queer Love in Color* features photographs and stories of couples and families across the United States and around the world. This singular, moving collection offers an intimate look at what it means to live at the intersections of queer and POC identities today, and honors an inclusive vision of love, affection, and family across the spectrum of gender, race, and age.

**A Night at the Sweet Gum Head: Drag, Drugs, Disco, and Atlanta's Gay Revolution** Martin Padgett, 2021-06-01 An electric and intimate story of 1970s gay Atlanta through its bedazzling drag clubs and burgeoning rights activism. Coursing with a pumped-up beat, gay Atlanta was the South's mecca—a beacon for gays and lesbians growing up in its homophobic towns and cities. There, the Sweet Gum Head was the club for achieving drag stardom. Martin Padgett evokes the fantabulous disco decade by going deep into the lives of two men who shaped and were shaped by this city: John Greenwell, an Alabama runaway who found himself and his avocation performing as the exquisite Rachel Wells; and Bill Smith, who took to the streets and city hall to change antigay laws. Against this optimism for visibility and rights, gay people lived with daily police harassment and drug dealing and murder in their discos and drag clubs. Conducting interviews with many of the major figures and reading through deteriorating gay archives, Padgett expertly re-creates Atlanta from a time when a vibrant, new queer culture of drag and pride came into being.

*Serendipity* Peter Burton, 2004 Unthemed anthology of gay fiction.

**all of it is you.** Nico Tortorella, 2018-04-17 A debut poetry collection from actor Nico Tortorella exploring "all of it," from the smallest cells in our bodies to the outer limits of our universe. Nico Tortorella's debut poetry collection presents a singular voice honed through years as an actor, podcaster, and advocate, one colored with love, wonder, and endless curiosity. But it is also more than just words on a page – it is a sensuous journey into who we are and how we relate to the world around us, showing how the connections we make are vital to understanding why we are here. Provocative, enlightening, and emotionally charged, *all of it is you.* is a poetry experience like no other.

*Gay in the 80s* Colin Clews, 2017-02-03 The 1980s heralded many challenges for LGBT people around the world and

Colin Clews examines these in his new book. These included the rise of the New Right in the USA, Section 28 which prohibited the promotion of homosexuality; the trial of Gay's the Word bookshop in the UK and the continuing criminalisation of homosexuality in the majority of Australian states. Underpinning all of this was the unfolding of the AIDS crisis: a time when LGBT people realised that they were no longer simply fighting for their rights but, quite literally, fighting for their lives. But it wasn't all doom and gloom; by the end of the eighties there had been some very real progress. Major political parties had LGBT rights in their manifestos, trades unions increasingly took up the cause and regional legislators introduced anti-discrimination laws and policies. LGBT people became more prolific in film, television, music and literature and the LGBT community grew significantly. The book also examines the dynamics behind these changes; some the result of prolonged campaigns, others stemming from the growing influence of the 'pink pound/dollar', others still a consequence of the growing anger at government intransigence to the AIDS crisis. Gay in the 80s examines a number of the events and issues in the UK, USA and Australia, giving a comprehensive perspective of LGBT reality during this decade. The book covers the broad political context of the 1980s and takes a comparative approach to events in the three countries where Colin either lived or spent large amounts of time. Colin Clews' debut book offers a unique perspective on a pivotal era in LGBT history. It will appeal to readers that want to learn more about the LGBT experience in the 1980s. Its publication also coincides with the 50th anniversary of the 1967 Sexual Offences Act, which partially decriminalised homosexuality, and the 30th anniversary of the 'Don't Die of Ignorance' AIDS awareness campaign. A number of film and television events are planned to commemorate both anniversaries and Colin will be contributing to some of them.

Pride: The Story of Harvey Milk and the Rainbow Flag Rob Sanders, 2018-04-10 JUNIOR LIBRARY GUILD SELECTION • Celebrate Pride and it's iconic rainbow flag--a symbol of inclusion and acceptance around the world-- with the very first picture book to tell its remarkable and inspiring history! Pride is a beacon of (technicolor) light. -- Entertainment Weekly In this deeply moving and empowering true story, young readers will trace the life of the Gay Pride Flag, from its beginnings in 1978 with social activist Harvey Milk and designer Gilbert Baker to its spanning of the globe and its role in today's world. Award-winning author Rob Sanders's stirring text, and acclaimed illustrator Steven Salerno's evocative images, combine to tell this remarkable - and untold - story. A story of love, hope, equality, and pride.

*The Light Years* Chris Rush, 2019-04-02 *The Light Years* is a joyous and defiant coming-of-age memoir set during one of the most turbulent times in American history. Chris Rush was born into a prosperous, fiercely Roman Catholic, New Jersey family. But underneath the gleaming mid-century house, the flawless hostess mom, and the thriving businessman dad ran an unspoken tension that, amid the upheaval of the late 1960s, was destined to fracture their precarious facade. His older sister Donna introduces him to the charismatic Valentine, who places a tab of acid on twelve-year-old Rush's tongue, proclaiming: "This is sacrament. You are one of us now." After an unceremonious ejection from an experimental art school, Rush heads to Tuscon to make a major drug purchase and, still barely a teenager, disappears into the nascent American counterculture. Stitching together a ragged assemblage of lowlifes, prophets, and fellow wanderers, he seeks kinship in the communes of the west. His adolescence is spent looking for knowledge, for the divine, for home. Given what Rush confronts on his travels—from ordinary heartbreak to unimaginable violence—it is a miracle he is still alive. *The Light Years* is a prayer for vanished friends, an odyssey signposted with broken and extraordinary people. It transcends one boy's story to perfectly illustrate the slow slide from the optimism of the 1960s into the darker and more sinister

1970s. This is a riveting, heart-stopping journey of discovery and reconciliation, as Rush faces his lost childhood and, finally, himself.

**Queer Data** Kevin Guyan, 2022-01-13 Data has never mattered more. Our lives are increasingly shaped by it and how it is defined, collected and used. But who counts in the collection, analysis and application of data? This important book is the first to look at queer data – defined as data relating to gender, sex, sexual orientation and trans identity/history. The author shows us how current data practices reflect an incomplete account of LGBTQ lives and helps us understand how data biases are used to delegitimise the everyday experiences of queer people. Guyan demonstrates why it is important to understand, collect and analyse queer data, the benefits and challenges involved in doing so, and how we might better use queer data in our work. Arming us with the tools for action, this book shows how greater knowledge about queer identities is instrumental in informing decisions about resource allocation, changes to legislation, access to services, representation and visibility.

Right here, we have countless books **Gay Times Magazine** and collections to check out. We additionally provide variant types and afterward type of the books to browse.
