**Remember My Beauties** Lynne Hugo, 2016-04-18 Imagine a hawk's view of the magnificent bluegrass pastures of Kentucky horse country. Circle around the remnants of a breeding farm, four beautiful horses grazing just beyond the paddock. Inside the ramshackle house, a family is falling apart. Hack, the patriarch breeder and trainer, is aged and blind, and his wife, Louetta, is confined by rheumatoid arthritis. Their daughter, Jewel, struggles to care for them and the horses while dealing with her own home and job—not to mention her lackluster second husband, Eddie, and Carley, her drug-addicted daughter. Many days, Jewel is only sure she loves the horses. But she holds it all together. Until her brother, Cal, shows up again. Jewel already has reason to hate Cal, and when he meets up with Carley, he throws the family into crisis—and gives Jewel reason to pick up a gun. Every family has heartbreaks, failures, a black sheep or two. And some families end in tatters. But some stumble on the secret of survival: if the leader breaks down, others step up and step in. In this lyrical novel, when the inept, the addict, and the ex-con join to weave the family story back together, either the barn will burn to the ground or something bigger than any of them will emerge, shining with hope. Remember My Beauties grows large and wide as it reveals what may save us. For more information, visit [lynnehugo.com](http://lynnehugo.com)

*Living With A Lighter Load* Susan Whisnand, 2006-01-13 Reading Living with a Lighter Load is the same as reading my diary. The kind of diary that has a lock and key and no one is allowed to see what is inside. But there isn't a lock and key on this book. I have removed them, and I am inviting you to peek inside and have a look at my personal story. The story of my life isn't profound, tragic, or extraordinary. It is not something to make a big deal over. But, it's underneath the events of my story that reveal the diary-like emotions and thoughts that are very private to me. It's where my frustration from struggles are experienced, heart piercing pain of loss is felt, defeat of mistakes overwhelms, shame from sin takes over, fear from a bad experience is absorbed, and sadness from disappointment sinks in. It's these emotions and thoughts of mine that I reveal and share with you. Why do I

reveal what is underneath the experiences of my life? Because I have learned a life lesson that is worth getting out of my diary and into an open book. I have learned that I don't have to lug the heavy weight that the struggles of life put upon my emotions and thoughts. I have learned to live with a lighter load and how to keep it light. Since I am no longer straining to pull the weight, I have wider eyes to see more of life's abundance and richness. And what I see makes me too happy to keep stored in my diary and all to myself. - Sue Marvin -----

Love Letters to France George East, 2016-06-01 From a general list of false preconceptions about the French, to George East's take on why the French think that being born in France automatically imbues every French person with a great sense of style and taste and the ability to cook like an angel and make love like Casanova, Love Letters to France is the first in our new series of French Collections. George East's love of France began when visiting with his school back in the 1950's and of course his obsession with a poster of Brigitte Bardot. After writing for French Property News for a quarter of a century, George has picked some of his most poignant scribbling and put them together with some very personal and favourite photos of his travels around France for your delight. George's sense of fun and his love of France and (most) things French tells in his humorous tales and encounters. He is considered to be one of the top funny guys of travel literature and has written a number of books on his chosen subject of France. Over the years, George has travelled the equivalent of the distance to the moon and back in France. He has lived or visited every one of the thirteen regions and ninety-six mainland departments in France. While about his business (and having a fabulous time) he has written more than a million words about the country, its people and their sometimes Funny Little Ways. This collection of his essays, articles and blogs is evidence of his deep and abiding love for France, and of his unique talent for finding precisely the mot juste when describing the people and country we sometimes find so hard to understand...

*An Unhurried Life* Alan Fadling, 2020-04-07 The 2014 Christianity Today Book Award of Merit Winner (Spirituality)  
I am a recovering speed addict. Beginning with this confession, pastor and spiritual director Alan Fadling describes his journey out of the fast lane and into the rhythms of Jesus. Following the framework of Jesus' earthly life, Fadling shows how the work of unhurrying ourselves is central to our spiritual development in pivotal areas such as resisting temptation, caring for others, praying, and making disciples. We are all called to do work, Fadling affirms, and productivity is not a sin—it is the attitudes behind our work that can be our undoing. So how do we find balance between our sense of calling and the call to rest? *An Unhurried Life* offers a way. This revised edition, now in hardcover, includes a new five-session group guide and appendix with suggestions for five-minute retreats.

*Never Broken* Jewel, 2015-09-15 New York Times bestselling poet and multi-platinum singer-songwriter Jewel explores her unconventional upbringing and extraordinary life in an inspirational memoir that covers her childhood to fame, marriage, and motherhood. When Jewel's first album, *Pieces of You*, topped the charts in 1995, her emotional voice and vulnerable performance were groundbreaking. Drawing comparisons to Joan Baez and Joni Mitchell, a singer-songwriter of her kind had not emerged in decades. Now, with more than thirty million albums sold worldwide, Jewel tells the story of her life, and the lessons learned from her experience and her music. Living on a homestead in Alaska, Jewel learned to yodel at age five, and joined her parents' entertainment act, working in hotels, honky-tonks, and biker bars. Behind a strong-willed family life with an emphasis on music and artistic talent, however, there was also instability, abuse, and trauma. At age fifteen, she moved out and tasked herself with a mission: to see if she could avoid being the kind of statistic that her past indicated for her future. Soon after, she was accepted to the prestigious Interlochen Arts Academy in Michigan, and there she began writing her own songs as a means of expressing herself and documenting her journey to find happiness. Jewel was eighteen and homeless in San Diego when a radio DJ aired a bootleg version of one of her songs and it was requested into the top-ten countdown, something unheard-of for an unsigned artist. By the time she was twenty-one, her debut had gone multiplatinum. There is much more to Jewel's story, though, one complicated by family legacies, by crippling fear and insecurity, and by the extraordinary circumstances in which she managed to flourish and find happiness despite these obstacles. Along her road of self-discovery, learning to redirect her fate, Jewel has become an iconic singer and songwriter. In *Never Broken* she reflects on how she survived, and how writing songs, poetry, and prose has saved her life many times over. She writes lyrically about the natural wonders of Alaska, about pain and loss, about the healing power of motherhood, and about discovering her own identity years after the entire world had discovered the beauty of her songs.
