Behold! Bethsheba Ashe,2023-11-28 Unlock the esoteric origins of Kabbalah to discover hidden symbolic messages in the Bible and key occult texts The art of Gematria goes far deeper than the way in which people have come to understand it today. Originating in Biblical texts, Gematria is less about the cherry-picking and comparison of numbers, but a far more beautiful and ancient art, that is crucial for biblical interpretation and occult symbolism. In this revised and expanded version of the classic book, Bethsheba Ashe tackles questions which have been asked for as long as the Bible has existed - why Adam and Eve had to leave the Garden of Eden; how Moses parted the Red Sea; whether Elijah riding the fiery chariot to heaven as real - which can all be answered all through the art of gematria, in the most advanced and thorough study of the subject ever published to date. The ciphers in the book are utilized by the Shematria Gematria Calculator, created by the author herself to assist readers as she guides you through the ancient Hebrew system. Behold can be read as both a student handbook, a history and an invaluable reference text; within its pages you will find everything needed to detect and read hidden gematria calculations. The new and expanded edition has been revised and reorganised and includes new material on the true meaning of the recently discovered Mount Ebal Curse tablet

GOLGOTHA — Friday, 27 April, 31 A.D. Doru-Petru

Dugan,2022-12-21 The purpose of this monograph is to establish the true date of Christ' s Crucifixion from the Old and New Testaments, based on Daniel's Seventy-Week Prophecy (Daniel 9:24-27), and in the light of the historical and the existing archaeological evidence. Numerous authors have written books and articles on this subject, but the present study is self-contained inasmuch as it neither imitates nor complements such studies, but rather goes beyond them to provide a sui generis and exhaustive analysis. The book is primarily aimed at those working in the fields of theology, biblical chronology, history, archaeology, ancient astronomy, and patristics, be they scholars, pastors, teachers, or students, and secondly at Christians in general who, though they might not possess specialist knowledge, wish to receive the word of God in the spirit of humility and godliness practised in apostolic Christianity.

Fulfilled Eschatology Tim Liwanag,2015-02-25 Fulfilled Eschatology is about the story of the redemption of the Jewish nation and the end of the world prophecies that were accomplished in the first century.

As the Lightning Comes Svensk A-Ob,Svensk oob,2013-02-01 This fast paced adventure is like The Bible Code meets The Chariots of the Gods. It weaves together the fascinating themes of ancient astronauts, angel visitations, hidden Bible codes and end time prophecies, with an international conspiracy thrown in. The story follows the quest of cynical lawyer John Marshall to locate

the Tree of Knowledge and then to pass on the key to it to the one called the Son of Man. Marshall unwittingly becomes the last custodian of the key when he tries to come to the rescue of an elderly Eastern wise man. He teams up with fellow American, evangelist and one time Middle Eastern linguistic expert, Marc Arnold. Arnold ropes in the assistance of longtime friend, Kirsty Gordon, a Scottish aristocrat and archaeologist. Their quest across three continents is thwarted by dark forces apparently hell bent on grasping the key from them for an as yet unknown nefarious purpose. The key is an ancient artefact that guides and gives access to a subterranean installation. This is the remnant of a long lost civilization, of which the Atlantians were a part. Modern technology has not yet caught up with that of the ancients, which ultimately contributed towards their downfall. The installation, located in the bowels of a Nepalese mountain, houses an arsenal of futuristic flying craft of the sort mistakenly labelled as UFOs. It is also the repository of an electronic archive of the long forgotten past, shades of which were captured in myth, folklore and religion, known as the Tree of Knowledge... Through the centuries, various historical characters including the Chinese strategist Sun Tzu (author of the Art of War), Nostradamus and Hitler have gained access to the Tree of Knowledge. What they learnt changed the destiny of mankind and provided a peek into the future. Will the trio find the Tree of Knowledge and identify and locate the Messiah in time to thwart the Antichrist and save the Earth from the immense meteorite storm that is on a collision course with it? The final countdown has commenced.

The Damnable Heresy of Salvation by Dead Faith (Expanded Edition) Edward Hendrie, 2021-06-19 Good works follow salvation; they do not earn salvation. Good works do not save us. The works of faith are those works ordained and performed by God through the believer. They are the result of faith. It is that perfect faith that justifies the believer. For by

grace are ye saved through faith; and that not of yourselves: it is the gift of God: Not of works, lest any man should boast. For we are his workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them. For we are his workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them. Ephesians 2:8-10. In Romans, chapters 6 and 8, Paul explains faith without good works cannot save. Paul says that God's elect walk not after the flesh, but after the Spirit. Romans 8:1. He states that those who do not walk in the Spirit but instead walk in the flesh shall not inherit the kingdom of God. Galatians 5:15-25. John explains: If we say that we have fellowship with him, and walk in darkness, we lie, and do not the truth: But if we walk in the light, as he is in the light, we have fellowship one with another, and the blood of Jesus Christ his Son cleanseth us from all sin. 1 John 1:6-7. James asks a rhetorical question: What doth it profit, my brethren, though a man say he hath faith, and have not works? can faith save him? James 2:14. James succinctly explains that faith without works is dead. James 2:20. The pronouncement in James that true faith bears the fruit of good works is a theme found in the gospel. But some perniciously preach that God saves a person by faith that has no good works. That is one of the damnable heresies about which Peter warned. See 2 Peter 2:1-22.

Behold Bethsheba Ashe,2021-07-21 Would you like to be able to read hidden messages in the Bible and other occult texts? Gematria is so much more than people think it is today. Real Gematria is not about cherry-picking numbers and comparing them to one other. Real Gematria (in the Bible) was a formal system of early mathematics. That means it had known rules and conventions, like our system of math does today. Gematria is a beautiful and ancient art that is a crucial key to biblical interpretation and occult symbolism. If you've ever wondered why Adam and Eve had to leave the garden of Eden? Or how Moses

parted the red sea? Or whether the story of Elijah riding the fiery chariot to heaven was real? The answers are in the gematria. Behold: The Art and Practice of Gematria is the most advanced and thorough study of gematria ever published to date. It is at once a student handbook, a history, and an invaluable reference. Written by the creator of the Shematria Gematria Calculator, and referencing the latest professional scholarship, 'Behold' includes everything you need to find and read hidden gematria messages for yourself. 300 pages - illustrated - full color

Joka ei ollut saapa kuninkaan arvoa Samuel

Tuominen, 2019-01-08 21. heinäkuuta vuonna 1969 Neil Armstrong teki historiaa, kun hän laskeutui ensimmäisenä ihmisenä kuun pinnalle ja lausui kuuluisat sanansa, 'Pieni askel ihmisille, mutta jättiläispäinen harppaus ihmiskunnalle.' Kolme viikkoa aikaisemmin tapahtui jotain muutakin historiallista, kun Kuningatar Elisabet II:n esikoinen Charles vihittiin muodollisesti Walesin Prinssiksi keskiaikaisessa Caernarfonin linnassa, jota seurasi globaali yleisö tuohon aikaan jo yleistyneen television ansiosta. Vuonna 2019 tästä tulee kuluneeksi raamatullinen riemuvuosi, mutta valtaistuimalla on yhä 70 -vuotiaan kruununperijän äidillä. Huhut Buckinghamin palatsin sisältä ovat antaneet ymmärtää, että Kuningatar luovuttaisi Charlesille sijaishallitsijan aseman, kun hän täyttää 95 huhtikuussa 2021. Mutta onko kansa valmis ylenkatsotun prinssin hallinnolle? Aina maailmanlaajuisen verkon synnystä lähtien 90 -luvun alussa, internetissä on kiertänyt väitteitä joiden mukaan Prinssi Charles olisi Raamatun Antikristus. Mihin tällainen uskomus oikein perustuu? Tässä kirjassa kuulet ensimmäistä kertaa tämän teorian laajoista raamatullisista perusteista, joista osa menee tavanomaista eskatologiaa paljon syvemmälle. Opit vuosikymmeniä vallinneista

opeista, jotka ovat estäneet kristittyjä ottamasta vakavasti mitä tahansa yritystä identifioida laittomuuden ihminen ennen seurakunnan ylösottoa. Opit miten kirkon historian 2000-vuotisen eskatologian eri perinteet on mahdollista sovittaa yhteen. Kaikki tämä tarjoaa viimekädessä vastauksen kristillistä kirkkoa jo vuosisatoja vaivanneeseen kysymykseen Antikristuksen identiteetistä. Olemmeko nyt siinä hetkessä missä laittomuuden ihmisen on aika paljastua kristillisen seurakunnan valvoville? Tämä radikaali ja shokeeraava väite on perusteltu juuriaan myöten tässä järjestyttävässä kirjassa missä opit myös Englannin kuningasperheen pimeästä puolesta, josta valtamedia vaikenee. Kirja perustuu kiistanalaiseen, mutta hyvin perusteltuun teoriaan, jota on tutkinut itsenäisesti useat kristityt kirjailijat ympäri maailmaa. Näistä kahteen kirjailija itse on ollut henkilökohtaisessa yhteydessä.

The Sea Beach Line Ben Nadler,2015-10-13 Set in post-Giuliani New York City, The Sea Beach Line melds mid-20th-century pulp fiction and traditional Jewish folklore as it updates the classic story of a young man trying to find his place in the world. After being expelled from Oberlin for hallucinogenic drug use, Izzy Edel seeks out his estranged father—a Polish Jew turned Israeli soldier turned New York street vendor named Alojzy who

is reported to be missing, possibly dead. To learn about Alojzy's life and discover the truth behind his disappearance, Izzy takes over his father's outdoor bookselling business and meets the hustlers, gangsters, and members of a religious sect who peopled his father's world. He also falls in love. As Izzy soon discovers, appearances can deceive; no one, not even his own father, is quite whom he seems to be. Vowing to prove himself equal to Alojzy's legacy of fearlessness, Izzy plunges forward on a criminal enterprise that will bring him answers—at great personal cost. Fans of Jonathan Lethem's *Motherless Brooklyn*, Nathan Englander's *For the Relief of Unbearable Urges*, and Michael Chabon's *The Yiddish Policemen's Union* will relish to Ben Nadler's combined mystery, love story, and homage to text and custom.
