The Crooked City Ryan Whitwam,2014-05-09 Jonah doesn't want to run—he has to. There's only so much pain one man can cause before he needs to start over. Unstuck from his tainted past, he craves the anonymity he can only achieve by vanishing like a specter in the night. Before his new life is even underway, a chance encounter leaves him in possession of a curious object—something the mysterious Keepers of The Oracle will kill to obtain, but there's more to the Keepers than Jonah could possibly imagine. They have the ability to do much worse than kill, and now he's in their sights. The Keepers wield power unlike anything Jonah has ever seen, and they're closing in fast. He's placed a new group of innocents in danger this time, and he can't run away again.

Warhol-isms Andy Warhol,2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—"In the future, everyone will be world-famous for 15 minutes." *Warhol-isms* separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well.I went to [a psychiatrist] once, and he never called me back.They always say that time changes things, but you actually have to change them yourself.I've never met a person I couldn't call a beauty.New things are always better than old things.I'm still a commercial artist. I was always a commercial artist.

Hanging with My Peeps Kathryn Higgs-Coulthard,2016-03-31 Before Dad's rust-bucket lurched into the driveway with forty-three chickens in the back, the closest Sami Duggan had ever come to poultry was licking the grease off her fingers at the local KFC. Now Sami better think quick before her whole life is turned upside down by Dad's latest get rich quick scheme.

Naked at Noon 1 Jean Le Baptiste, 2014-04-19 Nudist, or naturist, magazines comprising photographs of naked men and women enjoying outdoor activities first appeared as far back as the beginning of the 20th century. Nudist culture boomed in the 1950s and early 1960s, following a landmark ruling which permitted such material to be freely distributed via the US mail. Of course, these publications were not aimed solely at fellow naturists; although their content and context was strictly non-sexual, the ample swathes of female flesh they offered nonetheless provided the average man with the only masturbatory material which was freely available. Jean le Baptiste has assembled from his own collection a stunning array of vintage photographs from these magazines, a collection which takes us back to the unashamed, unclothed splendour of more innocent decades in the sun. Naked At Noon 1 contains over 60 classic images, with many in full colour. For those who prefer women with no tattoos, no silicone, and hair where nature intended.
