The Genesis Project Leke Alder,2017-08-16 The Genesis Project How old is the universe? In what dimension is God? How will the world end? What is dark energy? Are dinosaurs in the Bible? Why doesn't God grow old? Does the Bible talk about spaceships? When was Adam created? What are black holes? How did the world begin? How will the world end? Was the world created in one week? These and many more are the questions answered in The Genesis Project. The book takes a look at the science of Genesis. You will learn about UFOs, higher dimensions, parallel universes, wormholes, time travel, antimatter, alien civilizations, and much more. Little did we know that when God said, Let there be light, billions of years later, the remnant of that light will appear on our TV as static. This is a very enjoyable read on the origin of creation.

The Genesis Project Ron Truscott,2005-12 She placed a robe around Jesus' shoulders and pressed a small tube to his neck. The painkillers cleared his headache, but did nothing to relieve the pain in his heart. Seeking comfort, he accepted the embrace from Artemis. Jesus buried his face on her breast, and continued to weep with deep, heartrending sobs. When slavers attack a camel caravan that eleven-year-old Jesus bin Joseph and his family are following from Egypt to Nazareth, his father, Joseph, is violently murdered in the raid. In an attempt to avenge his father and defend his family, Jesus is clubbed unconscious. Left for dead, Jesus is rescued by Apollo Centauri, Jesus's true sire, through artificial insemination. The befuddled boy is transported by shuttlecraft to a secret base inside Mt. Sinai and learns of the sixty-thousand-year-long experiment being conducted by a team of humans from the planet Alpha, more than four light years from Earth. Jesus is startled to discover that he is the focal point of an experiment in social engineering by the Alphans in an attempt to persuade the Earth humans to cease their genocide. Will Jesus be successful, or will Earth destroy itself?

The Genesis Project: The End of Times Trilogy David Kruse,2020-02-26 Travel with Father Olin Masterson as he is pulled from his chaplain duties in South Carolina and taken to a top-secret underground base somewhere in the desert southwest. He soon discovers dimensions no one has ever seen. He spiritually travels back in time to explore ancient Eden platforms. Follow him as he witnesses the destruction of Sodom and Gomorrah live and in technicolor. Take a ride with him on a godship at fifty-seven times the speed of light, thanks to an artifact excavated from the Dead Sea.

The Genesis Project: Science and Creation through Art Clay Sherrod,2017-06-02 The Genesis Project from P. Clay Sherrod is a series of multimedia flat artworks of many simple notations from the Biblical book of Genesis. Whether you are an atheist, agnostic or believe in God does not matter, because we must admit that Creation DID happen. The very fact that you are reading this proves that creation took place. The Project is intended to take simple and self-explanatory phrases and impressions that are given in Genesis, and expose the visually so that they can be interpreted in the complexity in which these acts of creation were rendered. The Genesis Project presents visual perception intended to provoke thought and personal insight by the person viewing the piece. It should stimulate the appreciation for the fact that Creation, the Bible, and Science can all co-exist and in fact agree with one-another. This presentation is intended to PROVOKE thought, insight and discussion through the artist's extensive background in many disciplines of science.

The Genesis Project Ron K. Truscott,2011-10-29 It is eleven AD when slavers attack a camel caravan that eleven year old Jesus bin Joseph and his family are following from Egypt to Israel. Jesus is clubbed unconscious and left for dead when he avenges the violent murder of his father. The befuddled boy is transported by alien shuttlecraft to a secret base inside Mt. Sinai. There he learns of the sixty thousand year long experiment being conducted by humanoid aliens from the planet Alpha.

The Articles of Configuration Carl D. Armstrong,2010-09-09 The Articles of

Configuration: What happened before Genesis began? The scriptures amazingly describe the material building blocks of the earth before our earthly sphere was formed. But, even more amazing, is that the invisible blueprints describing the formation of the universe and its lifeforms are hidden in plain sight in the scriptures in the form of flashback descriptions of what happened before Genesis 1:1. The problem of mankind understanding these blueprints has been that advancements in science were necessary to understand what has been written from antiquity. Science and theology has been locked together in a mighty struggle of ideas. The process, at times, has been ugly as a caterpillar chomping on leaves, regurgitating and trying to build a cocoon of how the universe is really constituted. But this cocoon, like the human brain, has an inside tension between left brained logic and right brained dreaming. A mighty struggle ensues and at last a butterfly emerges from the cocoon and its glistening wings dry in the sun. As the butterfly discovers its destiny and ascends in flight into the brilliant blue sky filled with fluffy white clouds, a serene revelation of peace envelops the butterfly. It realizes that its one wing of science and its other wing of theology are working in harmony under a Master control. Thrilled and awed, the butterfly uses both wings to ascend far above worldly ideas into realms that it once only dreamed of.

Everything depends on Ella but is she a double agent? This fast-paced thriller unfolds across the swamps of Louisiana, the brooding Irish mountains and the faded glory of London. It will have you on the edge of your seat as you turn the pages following the twists and turns of this roller-coaster novel...A word from the author: Hello and thank you for your interest in my book. It has come to my attention that some people have been mistaking my books for those written by the famous author duo Douglas Preston and Lincoln Child. This is not the case. I wish to clarify that I am not, by any means, related to Douglas Preston or Lincoln Child, Lee Child or any other author called Preston Child. I hope this clears up the confusion. The Genesis Project leads the reader on a roller-coaster ride in search of a legend. Packed with breathtaking suspense and nerve-shredding action, the Genesis Project is a thrilling read for all fans of action, suspense, and intrigue.

The Genesis Project: Part I Taylor Stutesman, 2017-11-02 The nuclear fallout from the end of World War III is devastating, and the radiation produced steadily spreads and kills any life that managed to survive the nuclear detonations. Mankind, desperate to save the planet, produces a miracle: genetically modified vegetation that can devour radiation. The miracle works, albeit much better than the scientists predicted. While mankind hides behind walls the height of skyscrapers, an organization known as the Church steps out of the shadows. They possess Adams and Eves-humans with supernatural abilities. Jonathon Aster, a man with a dark past, meets Miranda through accidental circumstances, but she is about to change his life forever. He suspects she is an Eve, and now, he's got more than monsters to worry about. The Church is on its way.

The Genesis Project Larry Payne, 2020-05-08 Earth was dying and the sleeper ship, Genesis I, was the first phase of The Genesis Project. She carried an advance party to C1789, a planet in what was deemed a habitable zone in the newly discovered Hemera

system. Once revived, the crew would shoulder the responsibility of creating a new earth colony for Genesis II and the ships that would follow at yearly intervals.

The Genesis Project Tigris Eden,2014-01-28 Old earth has been deemed unsuitable for life, New Earth is home. With the Uni-Wars over, races have joined together in order to sustain their way of life. All life was considered worth saving, but only one race failed to submit. Humans. Now extinct, humans are a thing of the past. The people of New Earth won't acknowledge their hand in their eradication, but they have benefited from it. Dr. Vaggo Blackmore has found the answer, he's restored his races way of life- sustenance through farming. The one thing that will give them back their long lives..... Blood, human blood. Biologically engineered in a lab, Genesis Blackmore has always been different. Her father has told her it's due to her enhancements, the Federated Council sees her as a genetic mutation; and her fellow peers see her as the shiny new toy. Gen has had better days. Everyone on New Earth has milky white skin, platinum blonde hair, and electric blue eyes. It's the norm. Genesis' glossy, black hair, ice blue eyes ringed by gold, would have almost made her socially acceptable- if it wasn't for her golden skin and blue, gold veins. In a sea of milky white she alone is the dark anomaly. All Pars get their life's nourishment through blood plasma. All Pars find their match through the tasting. Gen can do neither, forbidden by her father to do so. She can neither taste, nor be tasted. Something that's never bothered her until now. E,2005 Genesis Project: After the End, Comes the Beginning, is the first book in a series, where the worlds of fantasy and science fiction meet and fuse together to create a universe of wonder, excitement and adventure; a realm not for the faint of heart.

The Genesis Project Rick Kueber,2016-04-08 Leaving behind the comfort and the false sense of safety the small haven of Barnhill provided, Tanner Astin and Elle set out to find answers in the new world where the smallest of conveniences seemed miraculous. Accidents and accidental meetings lead to the unexpected. Small hints and clues begin to unravel the mysteries of the Ahsushas. The two unlikely heroes become three, four and many more, settling into a new place with new friends and new discoveries, but as always, the Titans are never far...

Genesis Project: Genesis Engine Aaron Michael Smith,2015-02-16 Vong Kidfar, a Kalek Warrior, must fight, with friends and family, against the forces of evil - and the ancient, potentially destructive, Genesis Engine. In his struggle, Vong must save a beloved Star Kingdom on the verge of annihilation. Little does he know there is more than one evil at work, and a Demon from his past is about to rise again.

The Genesis Project Greg Van Arsdale,2012-09-05 John Neumann creates a virtual world on the ethereal plane. There, he places people who are deathly sick, using the power of his Genesis Machine to maintain their body in the real world. Then someone inserts a Doomsday virus into the Machine. The only way to save the people is for John to come into the world itself and reprogram the computer from the inside. Once there, he finds his memory is gone and someone desperately trying to kill him. He has 40 days to discover his identity, 40 days to find the solution before the world explodes. His only option, however, may cost him his life.

Earth 8-8-2: the Genesis Project Y. Correa,All Authors Publishing House,2015-07-18 Can Science Sever as Salvation?One-fourth Human.One-fourth God.One-fourth Superhuman.One-fourth Vampire.For Dr. Scott, the combined strengths of each life form

represent the answer to the onslaught of malice and tyranny plaguing his Earth. When his creation-Genesis-begins developing, the lines between scientist and father become blurred. Soon the time approaches where Genesis is expected to fulfill her purpose. Does she go along willingly, or will her rapid evolution obliterate everyone's best laid plans?
