Look, Look! Peter Linenthal,1998-09-01 Striking and stylish, Look Look! is the ideal first board book for babies just beginning to look and learn and a perfect gift for little hands. Look, look! Children run, fish swim, stars shine . . . all for baby's eyes to see. This sturdy board book, full of high-contrast black-and-white cut-paper art perfect for staring at, is just the thing for the eyes of the youngest babies. A few words in curving red type on each spread describe the scenes—a car races, a cat stretches, flowers bloom—and extend the book's age appeal so that it will be fascinating to older babies, too.
