[German Verb Drills](#) Astrid Henschel, 2003-10-10 The shortest route to mastering verb conjugations One of the greatest challenges in learning a language is

mastering verb conjugations. The books in the unique Language Verb Drill series make it easier than ever for learners to meet that challenge. Drilling, whether it's for learning a musical instrument, a sport, or a language, is an essential part of a sound education because repeated, concentrated practice makes specialized skills become second nature. Unlike most verb books, which tend to concentrate on tables of conjugations, the books in the Language Verb Drills series allow students to focus exclusively on building mastery of verbs without being distracted by other elements of grammar. Combining the features of a workbook and reference manual, they clearly and systematically explain how a verb system works while providing numerous drills for practice. These revised editions of the popular study guides now include a final review section to reinforce the reader's ability to automatically select the correct verb form.
