Systematical Vocabulary English-Norwegian (Danish) According to the German Text of Oscar Hecker Oscar Hecker, 2018-02-05 Excerpt from Systematical Vocabulary English-Norwegian (Danish) According to the German d104 of Oscar Hecker: Translated Into English Orthography and Accent are the same in Norwegian and Danish, but the Danish language distinguishes from the Norwegian by the softer consonants and a different pronunciation of the vowel 3. Also a lively, almost pouncing rhythm is peculiar to the Danish language. The following differences from other languages are to be noticed. *The Nordic Languages* Oskar Bandle, Lennart Elmevik, Gun Widmark, 2002 The handbook is not tied to a particular methodology but keeps in principle to a pronounced methodological pluralism, encompassing all aspects of actual methodology. Moreover it combines diachronic with synchronic-systematic aspects, longitudinal sections with cross-sections (periods such as Old Norse, transition from Old Norse to Early Modern Nordic, Early Modern Nordic 1550-1800 and so on). The description of Nordic language history is built upon a comprehensive collection of linguistic data; it consists of more than 200 articles written by a multitude of authors from Scandinavian and German and English speaking countries. The organization of the book combines a central part on the detailed chronological developments and some chapters of a more general character: chapters on theory and methodology in the beginning and on overlapping spatio-temporal topics in the end.

*In Cod We Trust* Eric Dregni, 2011-09-01 Eric Dregni's great-grandfather Ellef fled Norway in 1893 when it was the poorest country in Europe. More than one hundred years later, his great-grandson traveled back to find that—mostly due to oil and natural gas discoveries—it is now the richest. The circumstances of his return were serendipitous, as the notice that Dregni won a Fulbright Fellowship to go there arrived the same week as the knowledge that his wife Katy was pregnant. Braving a birth abroad and benefiting from a remarkably generous health care system, the Dregnis' family came full circle when their son Eilif was born in Norway. In this cross-cultural memoir, Dregni tells the hair-raising, hilarious, and sometimes poignant stories of his family's yearlong Norwegian experiment. Among the exploits he details are staying warm in a remote grass-roofed hytte (hut), surviving a dinner of rakfisk (fermented fish) thanks to 80-proof aquavit, and identifying his great-grandfather's house in the Lusterfjord only to find out it had been crushed by a boulder and then swept away by a river. To subsist on a student stipend, he rides the meat bus to Sweden for cheap salami with a busload of knitting pensioners. A week later, he and his wife travel to the Lofoten Islands and gnaw on klippefisk (dried cod) while cats follow them through the streets. Dregni's Scandinavian roots do little to prepare him and his family for the year in Trondheim eating herring cakes, obeying the conformist Janteloven (Jante's law), and enduring the mørketid (dark time). In *Cod We Trust* is one Minnesota family's spirited excursion into Scandinavian life. The land of the midnight sun is far stranger than they previously thought, and their encounters show that there is much we can learn from its unique and surprising culture.
