

# **Get The Skinny From Mckinney**

**J.J. Murray**

*Curing the Cross-eyed Mule* Loyal Jones, Billy Edd Wheeler, 1989 Presents a collection of jokes and stories from Appalachia dealing with such topics as animals, city folks, politicians, religion, and old age.

**Morgan McKinney Was Portly, Not Skinny** Doug MacGregor, 2003-01-01 A little boy's dream-fantasy in which he rides through the air with his zoo animal friends.

A Villianous Spite Mike Connor, 2020-07-02 Cabbington is usually a quiet town hidden in North London, this is why Jack Landon chose it. A perfect place to hide as he worries over keeping the powerful robot, he inherited, a secret. He comes across an injured father whose trying to rescue his kidnapped son. Jack takes pity on the mortally wounded man and agrees to rescue his son. By choosing a shortcut, Jack faces disaster as he's whisked away to another world. The planet Gronoldva has been damaged by a war. Now he must survive being cut off from everyone and everything he knows. Learning to survive on the ravaged world is fraught with peril, the dinosaurs here still live. Ionopuric Bexatrocs are lethal and the town Jack finds is being terrorised by the biggest one. Nearly everything is in ruins with no means to destroy the beast. Having to rough it is one thing, getting to grips with the odd culture is difficult. Can he find a way back home and carry out his quest?

**Playing for Keeps** David Halberstam, 2012-12-18 The Pulitzer Prize-winning journalist looks at the life and times of the Chicago Bulls superstar— “The best Jordan book so far” (The Washington Post). One of sport's biggest superstars, Michael Jordan is more than an internationally renowned athlete. As illuminated through David Halberstam's trademark balance of impeccable research and fascinating storytelling, Jordan symbolizes the apex of the National Basketball Association's coming of age. Long

before multimillion-dollar signings and lucrative endorsements, NBA players worked in relative obscurity, with most games woefully unattended and rarely broadcast on television. Then came Larry Bird and Magic Johnson, Jordan's two great predecessors, and the game's status changed. The new era capitalized on Jordan's talent, will power, and unrivaled competitiveness. In *Playing for Keeps*, Halberstam is at his investigative best, delving into Jordan's expansive world of teammates and coaches. The result is a gripping story of the athlete and media powerhouse who changed a game forever. This ebook features an extended biography of David Halberstam.

The Real Skinny on Losing It Michelle McKinney Hammond, 2010 Filled with great tips, recipes, advice, and encouragement, *The Real Skinny on Losing It* is a hilarious and blatantly honest story of Hammond's own battle of the bulge and everything she's learned about fad diets, nutrition, exercise, self-esteem, and self-worth along the way.

**The Book of Matt** Stephen Jimenez, 2020-05-26 With a New Conclusion by the Author On the night of October 6, 1998, twenty-one-year-old Matthew Shepard left a bar with two alleged "strangers," Aaron McKinney and Russell Henderson. Eighteen hours later, Matthew was found tied to a log fence on the outskirts of town, unconscious and barely alive. Overnight, a politically expedient myth took the place of important facts. By the time Matthew died a few days later, his name was synonymous with anti-gay hate. *The Book of Matt*, first published in 2013, demonstrated that the truth was in fact far more complicated – and daunting. Stephen Jimenez's account revealed primary documents that had been under seal, and gave voice to many with firsthand knowledge of the case who had not been heard from, including members of law enforcement. In his

Introduction to this updated edition, journalist Andrew Sullivan writes: “No one wanted Steve Jimenez to report this story, let alone go back and back to Laramie, Wyoming, asking awkward questions, puzzling over strange discrepancies, re-interviewing sources, seeking a deeper, more complex truth about the ghastly killing than America, it turned out, was prepared to hear. It was worse than that, actually. Not only did no one want to hear more about it, but many were incensed that the case was being re-examined at all.” As a gay man Jimenez felt an added moral imperative to tell the story of Matthew’s murder honestly, and his reporting has been thoroughly corroborated. “I urge you to read [The Book of Matt] carefully and skeptically,” Sullivan writes, “and to see better how life rarely fits into the neat boxes we want it to inhabit. That Matthew Shepard was a meth dealer and meth user says nothing that bad about him, and in no way mitigates the hideous brutality of the crime that killed him; instead it shows how vulnerable so many are to the drug’s escapist lure and its astonishing capacity to heighten sexual pleasure so that it’s the only thing you want to live for. Shepard was a victim twice over: of meth and of a fellow meth user.”

**God Spare the Girls** Kelsey McKinney, 2021-06-22  
Read it for twists on twists, meditations on faith, and a deeply thoughtful treatment of an evangelical community. — Glamour, Beach Reads That Are Like Summer in a Book “A thoughtful and candid meditation on faith, family, and forgiveness . . . fabulous.” —Claire Lombardo, New York Times bestselling author of *The Most Fun We Ever Had* Recommended by Good Housekeeping, Elle, Parade, Real Simple, Glamour, Refinery29, Bustle, Oprah Daily, The Millions, Shondaland, Yahoo!, Literary Hub, and more! A mesmerizing debut novel set in northern Texas about two sisters who discover an unsettling secret about their father,

the head pastor of an evangelical megachurch, that upends their lives and community—a story of family, identity, and the delicate line between faith and deception. Luke Nolan has led the Hope congregation for more than a decade, while his wife and daughters have patiently upheld what it means to live righteously. Made famous by a viral sermon on purity co-written with his eldest daughter, Abigail, Luke is the prototype of a modern preacher: tall, handsome, a spellbinding speaker. But his younger daughter Caroline has begun to notice the cracks in their comfortable life. She is certain that her perfect, pristine sister is about to marry the wrong man—and Caroline has slid into sin with a boy she's known her entire life, wondering why God would care so much about her virginity anyway. When it comes to light, five weeks before Abigail's wedding, that Luke has been lying to his family, the entire Nolan clan falls into a tailspin. Caroline seizes the opportunity to be alone with her sister. The two girls flee to the ranch they inherited from their maternal grandmother, far removed from the embarrassing drama of their parents and the prying eyes of the community. But with the date of Abigail's wedding fast approaching, the sisters will have to make a hard decision about which familial bonds are worth protecting. An intimate coming-of-age story and a modern woman's read, *God Spare the Girls* lays bare the rabid love of sisterhood and asks what we owe our communities, our families, and ourselves. "A deeply felt book about love — love for family and community, for people who sustain you and people who disappoint you. And love for God, too, which Kelsey McKinney writes about with humane and incisive frankness."—Linda Holmes, New York Times bestselling author of *Evvie Drake Starts Over* "The accomplishment of this canny novel is in positing coming of age itself as a loss of faith—not only in the church, but in our parents, our

family, and the world as we thought we understood it.” — Rumaan Alam, New York Times bestselling author of *Leave the World Behind* and *Rich and Pretty*

### **Jack McKinney's Tales from Saint Joseph's**

**Hardwood** Jack McKinney, 2005 With a foreword by current coach Phil Martelli, *Tales from Saint Joseph's Hardwood: The Hawk Will Never Die* recounts the storied history of St. Joe's basketball through the eyes and eras of its great coaches. Hawk Hall of Fame coach (and former NBA Coach of the Year) Jack McKinney studs the fast-moving account with poignant and humorous anecdotes. Jack and author Bob Gordon interview hundreds of former and current players, coaches, Hawk mascots, and fans who add a trove of zippy Hawk lore. There's a lot of lore. St. Joe's has competed in parts of 11 decades standing toe to toe with all the big guys of college hoops. The Hawks have tumbled many a Goliath in chalking up over 1000 wins--more wins than all but a couple dozen other colleges in the entire nation. The book gives an in-depth profile of Jack McKinney from his youth in Chester to his two NBA championship rings. You'll also chuckle at the inside story of the Hawk mascot, which ESPN chose as college basketball's best. The Phillie Phanatic (a former Hawk himself) guest authors in the mascot chapter. All the memorable wins and heart breaking defeats are recaptured. Through the prism of 45 years, *Tales from Saint Joseph's Hardwood: The Hawk Will Never Die* looks back at the heart breaking 1960 point-shaving scandal. Up-close-and-personal profiles of Hawk stars like George Senesky, Matty Guokas, Cliff Anderson, Mike Bantom, Jameer Nelson, and Delante West stud the narrative. Palestra and Big Five lore abounds. Past and present Big Five coaches pick their all-time Big Five teams and recount their greatest memories. Finally, hilarious tales about Hawk teams playing overseas spice a must-read entertaining and informative

book for collegebasketball lovers everywhere.

*McKinney's Consolidated Laws of New York Annotated*  
New York (State),1922

Something Real J.J. Murray,2014-11-20 Thanks to her black mother and her Irish father, Ruth Penny Borum is the color of a new penny. Big-boned and notoriously sassy, Ruth is nonetheless the organist and a member in good standing of Antioch, Virginia's most prominent black church--or at least she was until she dragged the popular Reverend Jonas Borum into an ugly divorce. Having lost everything in the divorce, Ruth scrapes by on what she can make as a hairdresser at Diana's, a tiny two-seat salon. Alone at night, in her basement apartment, she indulges in ice cream and argues with the Almighty. Did He have to take everything away? And when is He going to give something back? The Good Lord must have a sense of humor. That's the only conclusion Ruth can reach when He makes her fall head over heels in love. . .with a white man. Her friends are appalled, and Antioch, her spiritual home since birth, is ready to throw her out on her ear. Still, with the help of jump rope rhymes, a homeless man who hears God's voice in a mason jar, and two children who want a Mama as much as she wants them, Ruth's determined to prove anything is possible--even love between two people who couldn't be more mismatched. . . Delightful! Sexy! Something Real is like a burst of sunshine. --Romance in Color J. J. Murray has outdone himself with his latest work. He has written a realistic story that could happen to anyone.--RAWSistaz

The Swans of Harlem Karen Valby,2024-04-30 A MOST ANTICIPATED BOOK • The forgotten story of a pioneering group of five Black ballerinas and their fifty-year sisterhood, a legacy erased from history—until now. “This is the kind of history I wish I learned as a child dreaming of the stage!” —Misty Copeland, author of *Black Ballerinas: My Journey to*

Our Legacy “Utterly absorbing, flawlessly-researched...Vibrant, propulsive, and inspiring, *The Swans of Harlem* is a richly drawn portrait of five courageous women whose contributions have been silenced for too long!” —Tia Williams, author of *A Love Song for Ricki Wilde*

At the height of the Civil Rights movement, Lydia Abarca was a Black prima ballerina with a major international dance company—the Dance Theatre of Harlem, a troupe of women and men who became each other’s chosen family. She was the first Black company ballerina on the cover of *Dance* magazine, an *Essence* cover star; she was cast in *The Wiz* and in a Bob Fosse production on Broadway. She performed in some of ballet’s most iconic works with other trailblazing ballerinas, including the young women who became her closest friends—founding Dance Theatre of Harlem members Gayle McKinney-Griffith and Sheila Rohan, as well as first-generation dancers Karlya Shelton and Marcia Sells. These Swans of Harlem performed for the Queen of England, Mick Jagger, and Stevie Wonder, on the same bill as Josephine Baker, at the White House, and beyond. But decades later there was almost no record of their groundbreaking history to be found. Out of a sisterhood that had grown even deeper with the years, these Swans joined forces again—to share their story with the world. Captivating, rich in vivid detail and character, and steeped in the glamour and grit of professional ballet, *The Swans of Harlem* is a riveting account of five extraordinarily accomplished women, a celebration of both their historic careers and the sustaining, grounding power of female friendship, and a window into the robust history of Black ballet, hidden for too long.

**David Halberstam on Sports** David

Halberstam, 2018-03-20 Four New York Times bestsellers by a “remarkable” Pulitzer Prize-winning journalist capture and

celebrate America's passion for sports (The Seattle Times). Pulitzer Prize-winning journalist David Halberstam, preeminent chronicler of the American experience, focuses his meticulous narrative gifts on some of Major League Baseball's most iconic moments, training for the Olympics, and a remarkable profile of hoops legend Michael Jordan.

Summer of '49: In this #1 New York Times bestseller, Halberstam brings to stirring life the unforgettable season that cemented baseball as America's pastime. A nation in transition is gripped by a pennant race for the ages: the Boston Red Sox, led by Ted Williams's unearthly bat skills, versus the New York Yankees and Joe DiMaggio's legendary heroics. Every hit on and off the field crackles across the page "in such an enjoyable, interesting, and informative manner that a reader needn't be a baseball fan to appreciate the book" (Library Journal).

October 1964: The 1964 World Series pitted the established Yankees against the upstart St. Louis Cardinals in an epic, seven-game seesaw battle that seemed to reflect the tensions of a nation in turmoil. The barnburner included a cast of legends—Mantle, Maris, Ford, Gibson, Brock—and enough game-changing plays to last a lifetime. Halberstam captures every moment with "a fluidity of writing that make[s] the reading almost effortless. . . . Absorbing" (San Francisco Chronicle).

The Amateurs: This inspirational bestseller focuses Halberstam's brilliant reportage on the travails and triumphs of Olympic rowing. Introducing us to a cast of highly driven athletes at the 1984 single sculls trials in Princeton, Halberstam delves deep into their struggles, motivations, and failures—but in the end only one will represent the United States at the 1984 Olympics in Los Angeles. Informative and compelling, Halberstam "maintains the suspense to the very last stroke" (Sports Illustrated).

Playing for Keeps: A wildly entertaining and

revealing portrait of global icon Michael Jordan and the rise of the NBA. With his usual impeccable research and gripping storytelling, Halberstam covers the whole court, from the transformative rivalry of Larry Bird and Magic Johnson to the invention of ESPN to Spike Lee's Nike commercials to every unforgettable playoff game that built Jordan's legend. "Filled with salty, informed hoops talk" (Publishers Weekly), this "remarkable book . . . [is] a must-read for basketball fans, admirers of Jordan, and anyone who seeks to understand sports in America today" (Bill Bradley).

**Prevention's Shortcuts to Big Weight Loss** Chris Freytag, 2007-12-26 A personal trainer and lifestyle expert introduces a series of ten-minute workouts to help readers lose weight, burn fat, slim and tone problem areas, and promote overall fitness.

*Tales from the Wake Forest Hardwood* Dan Collins, 2004 Tales from the Wake Forest Hardwood chronicles how Wake Forest basketball could survive the university's relocation from the quaint town of Wake Forest to the city of Winston-Salem without ever leaving behind fans and followers.

**The Fat Stupid Kid** David A. Sparks, 2022-03-09 The Fat Stupid Kid: A Collection of Short Stories By: David A. Sparks We've all had not-so-bright moments, moments of misunderstanding, confusion, and basic stupidity. The Fat Stupid Kid: A Collection of Short Stories highlights a delightful set of comical exploits, learning experiences, and familial relationships. The author hopes that the reader would not only experience laughter when reading but also take the lessons learned and use them in their own life. This message is especially relevant today because we need something at which to laugh. The life lessons that the author shares are still needed for today's youth. This is not a politically correct book. The humor is self-effacing. Some

readers might find fault at this self-deprecating humor, but the author says, "I love me, all of me, and I am very comfortable in my skin." Readers should be also. It is okay to laugh at yourself. God made you the way you are for a purpose. Maybe that purpose is to make others smile. That is the author's great joy.

*Phantom Warrior* Forrest Bryant Johnson, 2007-08-07

This is the story of John McKinney who received the Medal of Honor for his actions against a Japanese surprise attack. On May 11, 1945, McKinney returned fire on the Japanese attacking his unit, using every available weapon-even his fists-standing alone against wave after wave of dedicated Japanese soldiers. At the end, John McKinney was alive-with over forty Japanese bodies before him. This is the story of an extraordinary man whose courage and fortitude in battle saved many American lives, and whose legacy has been sadly forgotten by all but a few. Here, the proud legacy of John McKinney lives on.

**Multicomponent and Multilayered Thin Films for Advanced Microtechnologies: Techniques, Fundamentals and Devices** O. Auciello, Jürgen

Engemann, 2012-12-06 The synthesis of multicomponent/multilayered superconducting, conducting, semiconducting and insulating thin films has become the subject of an intensive, worldwide, interdisciplinary research effort. The development of deposition-characterization techniques and the science and technology related to the synthesis of these films are critical for the successful evolution of this interdisciplinary field of research and the implementation of the new materials in a whole new generation of advanced microdevices. This book contains the lectures and contributed papers on various scientific and technological aspects of multicomponent and multilayered thin films presented at a NATO/ASI. Compared

to other recent books on thin films, the distinctive character of this book is the interdisciplinary treatment of the various fields of research related to the different thin film materials mentioned above. The wide range of topics discussed in this book include vacuum-deposition techniques, synthesis-processing, characterization, and devices of multicomponent/multilayered oxide high temperature superconducting, ferroelectric, electro-optic, optical, metallic, silicide, and compound semiconductor thin films. The book presents an unusual interdisciplinary exchange of ideas between researchers with cross-disciplinary backgrounds and it will be useful to established investigators as well as postdoctoral and graduate students.

Tales from the Wake Forest Demon Deacons Locker Room Dan Collins, 2016-01-19 Based on the gold-standard currency of tradition and success, few college basketball programs are richer in history than Wake Forest University's. This reissue of Tales from the Wake Forest Demon Deacons Locker Room, first published in 2004, traces that vibrant history from the birth of the league to the growing successes of the team today. An original member of the Atlantic Coast Conference, the Demon Deacons have provided the acclaimed league with much of its color and character—not to mention many of its colorful characters. Author Dan Collins provides stories about legendary players like Muggsy Bogues, the 5'3" guard who defied the description of basketball as a big man's game, and the glory days of Tim Duncan, the onetime aspiring Olympic swimmer who grew up to become a five-time NBA champion and one of the greatest players in the game. The book looks at great coaches like Richard Crozier, the director of the university gymnasium who introduced basketball to Wake Forest; coach Murray Greason, whose love for the game of basketball was second only to his love

for his beagle hounds; and coach Bones McKinney, the hyperactive Baptist minister whose dual, and at times dueling, religions were based on the Bible and basketball. Tales from the Wake Forest Demon Deacons Locker Room chronicles how Wake Forest basketball survived the university's relocation from the quaint town of Wake Forest to the city of Winston-Salem, and how the university has thrived with the support of its devoted fans. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
