Get Off Your Butt and Do Something Thomas Jackobs,2011-05-01 You're wanting to get in shape, but where should you begin? Who should you listen to, which exercises will work best for you? All of these questions and the answers can be very intimidating for the beginner. I know, I've been there myself. I've struggled with health issues associated with being overweight and I've struggled as the 90 pound weakling. I wanted to write this book because I struggled for so long before I got fit and I don't want anyone else to go through the same struggle I did. So, before you pick up a weight, pick up this book.

Get Off My World! Murray Leinster,2019-11-05 PLANET OF SAND: A world literally bald, completely covered by sand and devoid of life - or so the stranded spaceman thought until he saw the huge menacing girders whose origin and purpose he could not begin to fathom. WHITE SPOT: A gold locket containing a picture of a girl, found in millennia-old ruins on a planet some hundreds of light-years from Earth, threatens the existence of the entire human race. SECOND LANDING: A lost space team lands on a deserted planet, entirely unprepared for the strange world's one citizen; a great white amoeboid monster, hiding in wait to wreak its fury on any intruders.

Get off the Sidewalk and Get on the Highway R.O. Bray,2010-12-30 Get off the Sidewalk and Get on the Highway is a timeless release of critical personal study—necessary to unlock the path toward self-improvement. Through the use of creative storytelling and spiritual references, readers are encouraged to think and then assess their lifestyles, core set of values, and goals. At the onset of each chapter, the author sets the tone with piercing questions to her readers, and the journey thereby unfolds into layers of perpetual challenges and opportunities to pursue purpose and truth. Within the

pages of each chapter, there are important tools to learn from one's mistakes or the journey's of others. Every chapter closes with a unique, additional guide for self-reflection that effectively prepares the reader for more self-awareness and disclosures to follow.

Probability and Statistical Inference J.G. Kalbfleisch, 2012-12-06 A carefully written text, suitable as an introductory course for second or third year students. The main scope of the text guides students towards a critical understanding and handling of data sets together with the ensuing testing of hypotheses. This approach distinguishes it from many other texts using statistical decision theory as their underlying philosophy. This volume covers concepts from probability theory, backed by numerous problems with selected answers.

The Music Business and Recording Industry Geoffrey P Hull, Geoffrey Hull, Thomas Hutchison, Richard Strasser, 2011-06-23 The Music Business and Recording Industry is a comprehensive music business textbook focused on the three income streams in the music industry: music publishing, live entertainment, and recordings. The book provides a sound foundation for understanding key issues, while presenting the latest research in the field. It covers the changes in the industry brought about by the digital age, such as changing methods of distributing and accessing music and new approaches in marketing with the Internet and mobile applications. New developments in copyright law are also examined, along with the global and regional differences in the music business.

The Recording Industry Geoffrey P. Hull, 2004 The Music Business and Recording Industry is a comprehensive music business textbook focused on the three income streams in the music industry: music publishing, live entertainment, and recordings. The book provides a sound foundation for understanding key issues, while presenting the latest research in the field. It covers the changes in

the industry brought about by the digital age, such as changing methods of distributing and accessing music and new approaches in marketing with the Internet and mobile applications. New developments in copyright law are also examined, along with the global and regional differences in the music business.

Authors, Users, and Pirates James Meese, 2023-10-31 An examination of subjectivity in copyright law, analyzing authors, users, and pirates through a relational framework. In current debates over copyright law, the author, the user, and the pirate are almost always invoked. Some in the creative industries call for more legal protection for authors; activists and academics promote user rights and user-generated content; and online pirates openly challenge the strict enforcement of copyright law. In this book, James Meese offers a new way to think about these three central subjects of copyright law, proposing a relational framework that encompasses all three. Meese views authors, users, and pirates as interconnected subjects, analyzing them as a relational triad. He argues that addressing the relationships among the three subjects will shed light on how the key conceptual underpinnings of copyright law are justified in practice. Meese presents a series of historical and contemporary examples, from nineteenth-century cases of book abridgement to recent controversies over the reuse of Instagram photos. He not only considers the author, user, and pirate in terms of copyright law, but also explores the experiential element of subjectivity—how people understand and construct their own subjectivity in relation to these three subject positions. Meese maps the emergence of the author, user, and pirate over the first two centuries of copyright's existence; describes how regulation and technological limitations turned people from creators to consumers; considers relational authorship; explores practices in sampling, music licensing, and contemporary art; examines provisions in copyright law for user-generated content; and reimagines the pirate as an innovator.

Get Off Your Acid Dr. Daryl Gioffre, 2018-01-09 Easy, customizable plans (2-day, 7-day, and longer) to rid your diet of the acidic foods (sugar, dairy, gluten, excess animal proteins, processed foods) that cause inflammation and wreak havoc on your health. Let's talk about the four-letter word that's secretly destroying your health: ACID. An acidic lifestyle -- consuming foods such as sugar, grains, dairy, excess animal proteins, processed food, artificial sweeteners, along with lack of exercise and proper hydration, and stress -- causes inflammation. And inflammation is the culprit behind many of our current ailments, from weight gain to chronic disease. But there's good news: health visionary Dr. Daryl Gioffre shares his revolutionary plan to rid your diet of highly acidic foods, alkalize your body and balance your pH. With the *Get Off Your Acid* plan, you'll: Gain more energy Strengthen your immune system Diminish pain and reflux Improve digestion, focus, and sleep Lose excess weight and bloating, naturally With alkaline recipes for easy, delicious snacks and meals, *Get Off Your Acid* is a powerful guide to transform your health and energy -- in seven days.

Get Off Your Ass! Marty Tuley, 2005-04-15 In a completely revised and updated edition of his best-selling book, Marty Tuley presents a direct, unique, lifestyle-changing programme for weight-loss success for the average person, whom he knows doesn't have a lot of time or energy to waste. The *Get Off Your Ass!* (GOYA) programme is comprised of three core parts, or 'laps': Education, Exercise, and Nutrition.

Get Off Your Arse and Lose Weight Steve Miller, 2014-12-04 No more excuses! The Life Bitch is here, and he has no time for whingers. If you know your bum looks big, then get it off the sofa. Steve Miller is an expert in training people in positive thinking. His approach depends on using skills that everyone has: common sense (you are fat because you eat too much - no one is fat in a famine) and a

bit of determination. He is tough-talking (he calls a hippo a hippo) but warm and witty too; and he shows you - with real life examples and stories - techniques that really work. His approach is realistic, and it's all about getting real. This is not just about shedding the flab, but about becoming the person you want to be, and realising that it is in you to make it happen.

Girlfriends' Getaway Kathleen Laing, Elizabeth Butterfield, 2011-02-16 It's time for a weekend with the girls. If we are to live full, healthy, and balanced lives, we need to spend significant time with other women who understand, support, and encourage us. No one does this better than our girlfriends. Here is your complete guide to putting together a low-demand, high-reward time of refreshment, encouragement, and fun with the women you are closest to. It's all here, from selecting your getaway girlfriends to planning your activities. From making time for your getaway to deciding where to go and what you'll eat. From arranging the logistics to overcoming your girlfriends' protests. The mother-daughter team of Elizabeth Butterfield and Kathleen Laing cover every detail necessary to plan the adventure that will change your life.

Stop the Presses! I Want to Get Off! Joseph W. Grant, 2012-08-01 The final book in the groundbreaking Voices from the Underground series, *Stop the Presses! I Want to Get Off!*, is the inspiring, frenetic, funny, sad, always-cash-starved story of Joe Grant, founder and publisher of Prisoners' Digest International, the most important prisoners' rights underground newspaper of the Vietnam era. From Grant's military days in pre-Revolutionary Cuba during the Korean War, to his time as publisher of a pro-union newspaper in Cedar Rapids and his eventual imprisonment in Leavenworth, Kansas, Grant's personal history is a testament to the power of courage under duress. One of the more notorious federal penitentiaries in the nation, Leavenworth inspired Grant to found PDI in an effort to bring hope to prisoners and their families nationwide.
