Jen Frederick

Tales from the Back Seat David George,2022-05-04 *Tales from the Back Seat* is an in-depth study by an author who grew up on the island of Grenada, where opportunities were few and far apart, and his transformation to the American way of life once in the United States. It is a well-thought-out nonfiction that would make you want to read it repeatedly. It is filled with moments of sadness and joy, as well as periods of disbelief and shame. As an Uber driver, the author gave a frightening colloquy of the risks and challenges of the job, as well as the mistrust and difficulties he faced daily with the city law enforcement, notably the Taxi and Limousine Commission (TLC) and the New York City Police Department (NYPD). The author also took a critical look at the practices of Uber and how it has hurt his business and that of his fellow colleagues. *Tales from the Back Seat* makes good reading for everyone, but I expect the individuals between the age group of twenty to sixty-five years of age to find it very interesting. They are the ones who most frequently use Uber and would be interested in knowing what their fellow riders are doing or saying. This book would change the readers' perception not only of New York City life but that of the drivers as well. Readers would be surprised to know that for many of us, driving is a means to an end. In short, the author took a no-holds-barred approach in writing this manuscript. He hopes that its content would leave you with your mouths wide open, as though you are gasping for air. It is a page-turner. However, you should make time to read and digest it. I would advise you not to read it while crossing the streets.

The Innovator's DNA, Updated, with a New Preface Jeff Dyer, Hal Gregersen, Clayton M. Christensen,2019-05-14 A new classic, recommended by leaders and media around the world In this bestselling book, authors Jeff Dyer (Innovation Capital and The Innovator's Method), Hal Gregersen (Questions Are the Answer), and Clayton M. Christensen (The Innovator's Dilemma, The Innovator's Solution, and How Will You Measure Your Life?) build on what we know about disruptive innovation to show how individuals can develop the skills necessary to move progressively from idea to impact. By identifying the winning behaviors of the world's best innovators—from leaders at Amazon and Apple to those at Google, Tesla, and Salesforce—Dyer, Gregersen, and Christensen outline five discovery skills that distinguish innovative entrepreneurs and executives from ordinary managers: associating, questioning, observing, networking, and experimenting. Through real-world stories, the authors show you how to evaluate and develop your own innovator's DNA code, including advice for how you can use the five skills to generate ideas, collaborate with colleagues to implement them, and sharpen your organization's competitive edge by building innovation skills into its culture. This innovation advantage will translate into a premium in your company's stock price—an innovation premium—which is possible only by building the code for innovation right into your organization's people, processes, and guiding philosophies. This book shows you how. Now updated with a new preface and fresh examples, *The Innovator's DNA* is more than ever the essential resource for individuals, managers, and teams who want to strengthen their innovative prowess.

Black Enterprise ,1991-03 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals, entrepreneurs and corporate executives. Every month, BLACK ENTERPRISE delivers timely, useful information on careers, small business and personal finance.

New York Magazine ,1982-08-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Discover Salvador, Brazil Jen Santos,2021-09-13 Charming. Magical. Enchanting. All words used to describe Salvador — a gem of a city located on the northeast coast of Brazil. Come fall in love — whether it's with the rich history on the cobblestone streets of the city's historic center, the white sand beaches, or the warm, friendly smiles of the people. You'll discover the city through the eyes of Jen Santos, a US citizen who has chosen to make Salvador her home. She remembers all too well what it's like to want to learn more, so much more, about this magical city and hating feeling like she was missing out because of the language barrier. This book is written for the first time visitor so you have all of the resources you need to make the most of your time in this city of enchantment. What you'll find in the guide: • Help choosing the best time to visit — based upon price, weather, and your specific interests • Monthly weather patterns • Month-by-month calendar of major holidays and festivals • Pre-travel information, including visas, vaccines, power adapters, and essential apps • Best options for getting around town, including the all-important airport transfer • Day-to-day essentials, including how to use our ATMs, grocery store and pharmacy information, how to get a phone chip, public wi-fi, and more • Public safety information — basic do's and don'ts • Information about local customs and greetings, tipping, and the souvenir scene • The perfect 4 days — a detailed itinerary for the on-the-go traveler • The must-try food and drink of Salvador — we have a food scene all our own here • Top tips for going to the beach, including what you should expect to pay • Guides for the five most popular neighborhoods for visitors • The all-time top 10 things to do in Salvador — both well-known and off the beaten path • More than 50 color photos • 5 custom downloadable neighborhood maps with points of interest and safe and not-so-safe streets identified • Links to

dozens of helpful websites and blogs • **SPECIAL FEATURE:** Pelourinho walking tour — a custom walking tour for the dozens of points of interest in the city's historic center. Includes opening and closing hours, admission fees, and if English-language resources are available Jumpstart your trip planning and be prepared to be enchanted. Click the buy button and get your copy today. Discover Salvador, Brazil is formatted specifically for eBook with the on-the-go traveler in mind.

Heart and Seoul Jen Frederick,2021-05-25 One woman learns that the price of belonging is often steeper than expected in this heart-wrenching yet hopeful romantic novel and first in the Seoul duology by USA Today bestselling author Jen Frederick. As a Korean adoptee, Hara Wilson doesn't need anyone telling her she looks different from her white parents. She knows. Every time Hara looks in the mirror, she's reminded that she doesn't look like anyone else in her family—not her loving mother, Ellen; not her jerk of a father, Pat; and certainly not like Pat's new wife and new “real” son. At the age of twenty-five, she thought she had come to terms with it all, but when her father suddenly dies, an offhand comment at his funeral triggers an identity crisis that has her running off to Seoul in search of her roots. What Hara finds there has all the makings of a classic K-drama: a tall, mysterious stranger who greets her at the airport, spontaneous adventures across the city, and a mess of familial ties, along with a red string of destiny that winds its way around her, heart and soul. Hara goes to Korea looking for answers, but what she gets instead is love—a forbidden love that will either welcome Hara home...or destroy her chance of finding one.

DK Eyewitness Top 10 Lisbon DK Eyewitness,2019-01-22 Lisbon, one of the world's oldest cities, is renowned for its abundance of sunshine, historic buildings and vibrant nightlife. New York City Travel Guide 2024 T Turner, One of the world's greatest cities, New York City (known as The Big Apple, NYC, or just plain New York) is a global center for media, entertainment, art, fashion, research, finance, and trade. The bustling, cosmopolitan heart of the 4th largest metropolis in the world and by far the most populous city in the United States, New York has long been a key entry point and a defining city for the

nation. From the Statue of Liberty in the harbor to the Empire State Building towering over the Manhattan skyline, from the tunnels of the subway to the riches of Wall Street, from the bright signs of Times Square to the naturalistic beauty of Central Park, and from Yankee Stadium in the Bronx to Coney Island in Brooklyn, New York's landmarks are quintessential American landmarks. The city's neighborhoods and streets are so iconic they have become ingrained into the American consciousness. Here the power, wealth and culture of the United States is on full display in one of the largest and most iconic skylines in the world, in the food and music to be found around every corner, and in the diverse population of immigrants who come from every corner of the globe to take part in what this city has to offer.

New York Magazine ,1982-08-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

It's everywhere, and it's telling entire generations of people how to travel the world.' □ Fairfax Media (Australia)

The Power Law Sebastian Mallaby,2022-02-01 “A gripping fly-on-the-wall story of the rise of this unique and important industry based on extensive interviews with some of the most successful venture capitalists.” - Daniel Rasmussen, Wall Street Journal “A must-read for anyone seeking to understand modern-day Silicon Valley and even our economy writ large.” -Bethany McLean, The Washington Post A rare and unsettling look inside a subculture of unparalleled influence.” —Jane Mayer A classic...A book of exceptional reporting, analysis and storytelling.” —Charles Duhigg From the New York Times bestselling author of More Money Than God comes the astonishingly frank and intimate story of Silicon Valley's dominant venture-capital firms—and how their strategies and fates have shaped the path of innovation and the global economy Innovations rarely come from “experts.” Elon Musk was not an “electric car person” before he started Tesla. When it comes to improbable innovations, a legendary tech VC told Sebastian Mallaby, the future cannot be predicted, it can only be discovered. It is the nature of the venture-capital game that most attempts at discovery fail, but a very few succeed at such a scale that they more than make up for everything else. That extreme ratio of success and failure is the power law that drives the VC business, all of Silicon Valley, the wider tech sector, and, by extension, the world. In The Power Law, Sebastian Mallaby has parlayed unprecedented access to the most celebrated venture capitalists of all time—the key figures at Sequoia, Kleiner Perkins, Accel, Benchmark, and Andreessen Horowitz, as well as Chinese partnerships such as Qiming and Capital Today—into a riveting blend of storytelling and analysis that unfurls the history of tech incubation, in the Valley and ultimately worldwide. We learn the unvarnished truth, often for the first time, about some of the most iconic triumphs and infamous disasters in Valley

history, from the comedy of errors at the birth of Apple to the avalanche of venture money that fostered hubris at WeWork and Uber. VCs' relentless search for grand slams brews an obsession with the ideal of the lone entrepreneur-genius, and companies seen as potential "unicorns" are given intoxicating amounts of power, with sometimes disastrous results. On a more systemic level, the need to make outsized bets on unproven talent reinforces bias, with women and minorities still represented at woefully low levels. This does not just have social justice implications: as Mallaby relates, China's homegrown VC sector, having learned at the Valley's feet, is exploding and now has more women VC luminaries than America has ever had. Still, Silicon Valley VC remains the top incubator of business innovation anywhere—it is not where ideas come from so much as where they go to become the products and companies that create the future. By taking us so deeply into the VCs' game, *The Power Law* helps us think about our own future through their eyes.

Raw Deal Steven Hill, 2015-10-20 What's going to happen to my job? That's what an increasing number of anxious Americans are asking themselves. The US workforce, which has been one of the most productive and wealthiest in the world, is undergoing an alarming transformation. Increasing numbers of workers find themselves on shaky ground, turned into freelancers, temps and contractors. Even many full-time and professional jobs are experiencing this precarious shift. Within a decade, a near-majority of the 145 million employed Americans will be impacted. Add to that the steamroller of automation, robots and artificial intelligence already replacing millions of workers and projected to obsolesce millions more, and the jobs picture starts looking grim. Now a weird yet historic mash-up of Silicon Valley technology and Wall Street greed is thrusting upon us the latest economic fraud: the so-called sharing economy, with companies like Uber, Airbnb and TaskRabbit allegedly liberating workers to become independent and their own CEOs, hiring themselves out for ever-smaller jobs and wages while the companies profit. But this share the crumbs economy is just the tip of a looming iceberg that the middle class is drifting toward. *Raw Deal: How the Uber Economy and Runaway Capitalism Are Screwing American Workers*, by veteran journalist Steven Hill, is an exposé that challenges conventional thinking, and the hype celebrating this new economy, by showing why the vision of the techno sapien leaders and their Ayn Rand libertarianism is a dead end. In *Raw Deal*, Steven Hill proposes pragmatic policy solutions to transform the US economy and its safety net and social contract, launching a new kind of deal to restore power back into the hands of American workers.

Spatiotemporal Transportation Economics Development: Theories and Practices in China and Beyond Hongchang Li, 2022-01-09 This book focuses on the analysis of transportation economics development with spatiotemporal characteristics in both theory and practice. The comprehensive and general theory development, practical transportation events and policy implications are addressed. The book pursues three main objectives: firstly, to structurally describe the overall spatiotemporal transportation theory development; secondly, to break down transportation elements and transportation modes into railway, highway, water, civil aviation, pipeline and urban transportation for the purposes of in-depth professional analysis; and thirdly, to summarize transportation trends including car-hailing, shared bicycles, etc., in China to reveal their policy implications.

The Business of Sharing Alex Stephany, 2015-03-09 Providing a colorful insight into the people at the forefront of the emergent Sharing Economy, a movement predicted to already be worth around \$26B a year, this book gives vital advice to anyone thinking of starting or investing in a collaborative consumption business. The first of its kind, written by an author on the forefront of this new trend.

New York City Taxi & Limousine Drivers Guide Tim Mosher, Stuart Allen Taub, 1997

Don't Be a Victim Nancy Grace, 2020-09-22 Discover gripping true crime stories and the surprising tools you need to keep you and your family safe -- from iconic legal commentator, TV journalist, and New York Times bestselling author Nancy Grace. Nancy Grace wasn't always the iconic legal commentator we know today. One moment changed her entire future forever: her fiancé Keith was murdered just before their wedding. Driven to deliver justice for other crime victims, Nancy became a felony prosecutor and for a decade, put the bad guys behind bars in inner-city Atlanta. Now, with a new and potentially life-saving book, Nancy puts her crime-fighting expertise to work to empower you stay safe in the face of daily dangers. Packed with practical advice and invaluable prevention tips, *Don't Be a Victim* shows you how to: Fend off threats of assaults, car-jack and home invasion Defend yourself against online stalking, computer hackers and financial fraudsters Stay safe in your own home, at school and other public settings like parking garages, elevators and campsites Protect yourself

while shopping, driving and even on vacation With insights on so many potential threats, you'll be empowered to protect yourself and your children at home and in the world at large by being proactive! Nancy's crime-fighting expertise helps keep you, your family, and those you love out of harm's way.

Disruptive Innovation The New York Times Editorial Staff,2018-07-15 In 1995, the term disruptive innovation was coined to describe innovations that disrupt and threaten existing markets and consumer habits. Since then, we've played witness to how new companies have altered, and threatened, key industries such as hospitality and the taxi industry. These articles explore the growth of two of the most prominent disruptive tech companies, Uber and Airbnb, and how competitors and regulators have responded to the changing tides.

FAQs About Gett Taxi Black Car Service Books

What is a Gett Taxi Black Car Service PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Gett Taxi Black Car Service PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Gett Taxi Black Car Service PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows

direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Gett Taxi Black Car Service PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Gett Taxi Black Car Service PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
