Ghost in the Mirror Leslie Rule,2010-08-10 Whether they are bumping about our attics, hitchhiking on a moonlight road, or fraternizing with our reflections, ghosts tantalize us with their secrets. --Leslie Rule Meet Leslie Rule-America's real-life ghost hunter with a penchant for sharing authentic, spine-tingling stories of the paranormal. The Gallup Organization reports that more than 32 percent of Americans have seen a ghost. More than half the population believes in the spiritual, cosmic, or supernatural. To Leslie Rule, such revelations come as no surprise. Rule has spent more than a decade researching specters and spirits and has chronicled her ghostly tales in three previous titles, *Coast to Coast Ghosts*, *Ghosts Among Us*, and *When the Ghost Screams*. Inside *Ghost in the Mirror*, Rule documents more than dozens of stories of paranormal apparitions that reveal themselves on the other side of the looking glass. Rule's painstaking archival research presents factual clues to each haunting, along with her own dramatic black-and-white photographs that capture the eerie unrest of the scenes she explores.

Ghostly Reflections christopher nadeau,2012-03-09 Author and reluctant editor Christopher Nadeau has collected purportedly true tales of encounters with ghosts in this just-shy-of-100 pages volume featuring several new writers and a few established ones. Are the stories in here true or simply well-crafted fiction? You decide.

The Mirror Image Ghost Catherine Storr,2000 Lisa is sure that she has seen a ghost in the reflection of her mother's bedroom mirror. There is no one she can confide in: not her grandparents, who are oddly secretive about ghosts and the past; nor her mother who seems so preoccupied since her recent marriage; and she definitely won't tell her new step-brother and sister, they are French and she loathes them! Junior high readers.

In Search of Ghosts Hans Holzer,2012-02-21 Famed ghost hunter Hans Holzer once told an interviewer, "There are three dirty words in my vocabulary: belief, disbelief and supernatural. They don't exist. There's no 'supernatural world.' Everything that exists is natural. Yet there is a dimension of existence that is as real as your living room, even if the average person cannot access it with all their senses." For five decades, this meticulous, Vienna-born researcher has been delving into manifestations that seem miraculous, moving among ghosts with a calm resolve that might have startled even the spooks. In book after book, he has documented these spirit presences, building an unprecedented bibliography of The Other Side. *In Search of Ghosts* brings together some of The Ghost Hunter's famous, astonishing, and controversial cases. Holzer recreates eerie scenes with a skillful sense of telling detail. His long, deep immersion in the field is evidenced by the vast diversity of his subjects. He writes about Bavarian poltergeists and Connecticut "left behinds"; spectral murder victims and a ghostly spy courier who refuses to disappear; a noisy spirit in a San Francisco suburb and a Revolutionary War traitor whose imprint stubbornly remains. Some posthumous visitors tiptoe; others thrash; some require the gentle coaxing of mediums. Holzer brings alive not only phantoms who emerge from the shadows but also the average people whose everyday lives were interrupted by these unexpected nocturnal visitors and their intrusive rumblings. Like any good researcher, he realizes that context is everything. With tireless attention, he pursues his vaporish subjects back into history, separating the chaff from the wheat and puzzling out the true stories of their uneasy exits. For Hans Holzer, things that go bump in the night are no longer phenomena to be regarded with fear or awestricken wonder. *In Search of Ghosts* offers you a steadying hand as he escorts you into haunted realms you never imagined so vividly.

Ghostly Photographs Julie Griffin,2012-10-02 This phenomenal collection of photographs, coupled with the stories which illuminate each image, will enrich any reader's mind with deeply thought-provoking concepts. What Julie Griffin has captured on film is equally compelling and significant. It will prove to be an outstanding contribution to a supernatural conversation occurring worldwide. Andrea Perron, Author House of Darkness House of Light www.houseofdarknesshouseoflight.com ~ o ~ The spirit world is constantly around us; they don't wait until the middle of the night. I have photographed spirit energy as early as 11:30 in the morning, outdoors on a clear sunny day in May. Learn out about the full body apparitions that were captured indoors by the camera not once, but twice as they moved. My travels have taken me to the Lizzie Borden House, Gettysburg, Rolling Hills Asylum, Eastern State Penitentiary, an amazing haunted B&B in NY State, and many other places. These are the stories behind the photographs and what happened on the investigations. I have experienced objects physically moved by an unknown source, a frightened spirit rush out of a basement and pass through the right side of my body, plus a disembodied male voice whose comment was directed at me. And an unexpected message given by a Medium from a friend's late husband. I was told a list of many items to tell her about, including a broken gravy boat. So enjoy these real ghost encounters from the comfort of your favorite chair. They are ghost stories you can see with your own eyes.

Ghosts Among Us James Van Praagh,2009-10-13 Everything You Always Wanted to Know About Ghosts, but Were Too Afraid to Ask From a very young age James Van Praagh was aware of a dimension that most of us cannot see, and he has dedicated his life to explaining it to the rest of us. The New York Times bestseller *Ghosts Among Us* takes us on an incredible journey into the spirit world that brings to light one of our greatest mysteries--what happens to us after we die?

When Ghosts Speak Mary Ann Winkowski,2007-10-22 In the bestselling tradition of Rosemary Altea and John Edwards comes the memoir of Mary Ann Winkowski, the real life Ghost Whisperer and consultant on the Top 30 CBS show *Ghost Whisperer* starring Jennifer Love Hewitt. Lights flicker on and off for no good reason. You feel drained and inexplicably irritable. Your four-year-old is scared to enter her bedroom. Tell these things to Mary Ann Winkowski, and she'll tell you that you have a ghost. A happily married, devout Catholic, suburban mother and full-time paranormal investigator, Mary Ann Winkowski has been able to see earthbound spirits, spirits that are trapped on earth and haven't crossed over, since she was a little girl. Mary Ann works with these spirits to help them make peace with what keeps them here - whether it be people they can't let go of or homes they love. In *When Ghosts Speak*, Mary Ann will tell the amazing story of growing up with this gift, and will share tips on how to recognize when you're not alone, and what to do if you are in the presence of a ghost.

Popular Ghosts Maria del Pilar Blanco,Esther Peeren,2010-04-01 Located in the ambivalent realm between life and death, ghosts have always inspired cultural fascination as well as theoretical consideration.

Spectres of the Self Shane McCorristine,2010-07-22 Examines the culture of ghost-seeing, arguing that the ghost represents a symbol of the psychological hauntedness of modern experience.

Ghost of the Living and Ghost of the Dead Virginia Black,2004-07 Once upon a time, I saw three ghost figures in the tall ceiling on a cold dark night in October. They were talking to each other and appeared to be very happy to see each other... I was glad to see ghosts of the dead, as they are still there in secondary form. Ghosts in the top of the ceiling during the Aurora Borealis are ghosts not yet born. Are these Borealis people?

Real Ghosts, Restless Spirits, and Haunted Places Brad Steiger,2012-09-26 The culmination of Brad Steiger's 50 years of paranormal research, this book is a bold telling of true ghost stories and firstperson encounters with the supernatural. Arranged topically, it covers every sort of ghost and haunting: poltergeists, shadow beings, and phantoms alongside haunted apartments, hotels, and trains. From ghosts that still haunt Ohio's State Reformatory, otherwise known as Shawshank, to Abe Lincoln's regular consultation with mediums, this compendium delves into the true scary stories from both historical documents and personal accounts. In its 30 chapters, spirits represented include the good ("Ghosts that Saved Lives"), the bad ("Invisible Home Wreckers"), and the ugly ("Demonic Spirits That Whisper Commands to Kill"). The book goes on to unearth the ghastly goings-on and macabre manifestations at haunted places such as museums, churches, graveyards, restaurants, and sacred sites while also instructing how to perform a cleansing ritual to rid a home of unwanted spectral visitors. This second edition is updated to include new stories and compelling evidence of both the existence of ghosts and proof of hauntings that will entertain, induce chills, and make the doubtful believe.

Historic Ghosts and Ghost Hunters H. Addington Bruce,2022-04-01 The following pages represent in the main a discussion of certain celebrated mysteries, as viewed in the light of the discoveries set forth in the writer's earlier work *The Riddle of Personality*. That dealt, it may briefly be recalled, with the achievements of those scientists whose special endeavor it is to illumine the nature of human personality. On the one hand, it reviewed the work of the psychopathologists, or investigators of abnormal mental life; and, on the other hand, the labors of the psychical researchers, those enthusiastic and patient explorers of the seemingly supernormal in human experience. Emphasis was laid on the fact that the two lines of inquiry are more closely interrelated than is commonly supposed, and that the discoveries made in each aid in the solution of problems apparently belonging exclusively in the other. To this phase of the subject the writer now returns. The problems under examination are, all of them, problems in psychical research: yet, as will be found, the majority in no small measure depend for elucidation on facts brought to light by the psychopathologists. Of course, it is not claimed that the last word has here been said with respect to any one of these human enigmas. But it is believed that, thanks to the knowledge gained by the investigations of the past quarter of a century, approximately correct solutions have been reached; and that, in any event, it is by no means imperative to regard the phenomena in question as inexplicable, or as explicable only on a spiritistic basis. Before attempting to solve the problems, it manifestly was necessary to state them. In doing this the writer has sought to present them in a readable and attractive form, but without any distortion or omission of material facts.

Surrounded by Ghosts Janet Larkin,2013 As a newborn, Janet Larkin died and came back to life. Then her sister drove over her skull with a tractor. And when she was eight years old, she had a conversation with her grandmother who had died before Janet was born. So began a life full of ghostly encounters. When she was still a girl, Janet received foreknowledge of a double homicide next door, and then she saw the ghost of one of the victims. In a Memphis hotel room, she experienced a terrifying demon posing as her husband. She even telepathically communicated with the soul of her unborn daughter. Janet has seen more than her fair share of spirits and spooks throughout her life, and especially in her haunted house on Poge Point. In *Surrounded by Ghosts*, Janet recalls her creepiest stories and grapples to make sense of a life overflowing with unexplained phenomena.

Psychic Quest Natalie Osborne-Thomason,2002-01-01 Following a formative childhood meeting with the soul of her recently deceased grandmother, Natalie Osborne-Thomason's consuming interest has been to research and write about ghosts. As a natural psychic, she is blessed with the gift of being able to deepen this quest beyond the capacities of most ghost hunters, allowing her to sense, perceive and experience what many cannot. Following on from her acclaimed *Ghost Hunting Case Book*, *Psychic Quest* features Osborne-Thomason's many personal experiences of ghosts and her own search for answers. Interlaced with autobiographical glimpses, Osborne-Thomason tells of psychic episodes and ghostly encounters, including her meeting with the ghost of Pengersick Castle and the haunting spirit of Woodford church. She also tells of clairvoyant intuitions in Jerusalem, how she prevented a car crash, her opportunity to read the U.S. President's palm, the delights of overnight vigils in musty locations and much more. In her thoughtful conclusion, the author suggests a solution to the mystery of ghosts, and indicates how ghosts might manifest. She also gives a list of ghostly locations for would-be ghost hunters.

Chasing Spirits Nick Groff,Jeff Belanger,2012-10-02 Take a look behind the scenes of the Travel Channel's hit show *Ghost Adventures* with paranormal investigator Nick Groff as he shares his favorite explorations of the supernatural. From recording strange voices during his dusk-to-dawn lockdowns at "haunted" places to a face-to-face encounter with a spirit at Linda Vista Hospital in Los Angeles, Nick reveals an inside perspective of some of the most mind-blowing incidents caught on-camera, a closer look at some of the gadgets and gear used in the show, and the friendly and competitive camaraderie between the *Ghost Adventures* crew—on the set and off. *Chasing Spirits* also invites you into Nick's haunted past, where a childhood near-death experience, an energetic passion for life, and a love of movies fueled his imagination and curiosity about the afterlife and started him off on his paranormal path. That path combined his interests in a documentary on ghosts that would eventually launch the *Ghost Adventures* television series and phenomenon. Everything Nick has witnessed and done has convinced him of the reality of the hereafter and inspired him to improve his personal and professional relationships and to continue to learn what it means to be a human being on a spiritual journey.

Co-habiting with Ghosts Dr Caron Lipman,2014-03-28 How does it feel to live in a 'haunted home'? How do people negotiate their everyday lives with the experience of uncanny, anomalous or strange events within the domestic interior? What do such experiences reveal of the intersection between the material, immaterial and temporal within the home? How do people interpret, share and narrate experiences which are uncertain and unpredictable? What does this reveal about contested beliefs and different forms of knowledge? And about how people 'co-habit' with ghosts, a distinctive self - other relationship within such close quarters? This book sets out to

explore these questions. It applies a non-reductive middle-ground approach which steers beyond an uncritical exploration of supernatural experiences without explaining them away by recourse only to wider social and cultural contexts. The book attends to the ways in which households in England and Wales understand their experience of haunting in relation to ideas of subjectivity, gender, materiality, memory, knowledge and belief. It explores home as a place both dynamic and differentiated, illuminating the complexity of ‘everyday’ experience - the familiarity of the strange as well as the strangeness of the familiar - and the ways in which home continues to be configured as a distinctive space.

Wayward Spirits & Earthbound Souls Anson V. Gogh,2010-09-08 Meet the colorful array of lost souls, earthbound spirits, and troubled (or troublemaking) entities that spirit wrangler and psychic clairvoyant Anson V. Gogh has encountered in her years of working with the dead. There’s Pool Hall Jenny, a personable and vivacious spirit who doesn’t want to leave the neon and the nightlife. Ida Mae, a powerful and magically skilled ghost, is determined to destroy her former daughter-in-law’s life. The chivalrous and polite Men in Gray are the spirits of Confederate soldiers awaiting their next orders. In this fascinating collection of true ghost stories, Anson shares her most interesting, difficult, and unusual cases. Helping an escaped slave reunite with his family, finding justice for a young girl murdered in 1896, even crossing over a group of souls at Wal-Mart—it’s all in a day’s work. Wayward Spirits & Earthbound Souls also includes advice that readers (whether psychic or not) can use to help lost spirits cross over to the other side.

Subversive Spirits Robin Roberts,2018-01-17 The supernatural has become extraordinarily popular in literature, television, and film. Vampires, zombies, werewolves, witches, and wizard have become staples of entertainment industries, and many of these figures have received extensive critical attention. But one figure has remained in the shadows--the female ghost. Inherently liminal, often literally invisible, the female ghost has nevertheless appeared in all genres. Subversive Spirits: The Female Ghost in British and American Popular Culture brings this figure into the light, exploring her cultural significance in a variety of media from 1926 to 2014. Robin Roberts argues that the female ghost is well worth studying for what she can tell us about feminine subjectivity in cultural contexts. Subversive Spirits examines appearances of the female ghost in heritage sites, theater, Hollywood film, literature, and television in the United States and the United Kingdom. What holds these disparate female ghosts together is their uncanny ability to disrupt, illuminate, and challenge gendered assumptions. As with other supernatural figures, the female ghost changes over time, especially responding to changes in gender roles. Roberts's analysis begins with comedic female ghosts in literature and film and moves into horror by examining the successful play The Woman in Black and the legend of the weeping woman, La Llorona. Roberts then situates the canonical works of Maxine Hong Kingston and Toni Morrison in the tradition of the female ghost to explore how the ghost is used to portray the struggle and pain of women of color. Roberts further analyzes heritage sites that use the female ghost as the friendly and inviting narrator for tourists. The book concludes with a comparison of the British and American versions of the television hit Being Human, where the female ghost expands her influence to become a mother and savior to all humanity.
