**Stitching Identities in a Free Trade Zone** Sandya Hewamanne, 2011-01-01  
Anthropologist Sandya Hewamanne spent time in a Sri Lankan free trade zone (FTZ) working and living among the workers to learn about their lives. They were poor women from rural areas, Hewamanne writes, who migrated to do garment work in transnational factories of a global assembly line. Their difficult work routines and sad living conditions have been examined in detail. When I was with them I often wondered whether anyone noticed the smiles, winks, smirks, gestures, tones of voice, the movies they saw, or the songs they sang. Hewamanne deftly weaves theories of identity, globalization, and cultural politics throughout her detailed accounts of the workers' efforts to negotiate ever shifting roles and expectations of gender, class, and sexuality. By analyzing how these workers claim political subjectivity, Hewamanne's *Stitching Identities in a Free Trade Zone* challenges conventional notions about women at the bottom of the global economy. The book offers a fascinating journey through the vibrant subaltern universe of Sri Lankan female migrant workers, from the FTZ factory shop floor to boarding houses, from urban movie theaters to temples and beaches and back to their native rural villages. *Stitching Identities in a Free Trade Zone* captures the spirit with which women confront power and violence through everyday poetics and politics, exploring how female workers construct themselves as different while investigating this difference as the space where deep anxieties and ambivalences over notions of nation, modernity, and globalization get played out.

It's Your Wedding - Not Theirs Miles O'Brien Riley, 2008-11 The Bridal Biz not only triples the price of wedding services, it literally takes the wedding away from the bride and makes it an impersonal, secular event that is all they know and treats your wedding like a Ken and Barbie runway at a fashion show, based on Hollywood movies and silly TV shows. It's Your Wedding Not Theirs is a comprehensive, creative guide to help you plan a distinctively unique, personal and sacred celebration. If you want a Martha Stewart wedding, do not buy this book. With photos and suggestions from 55 brides, this book offers dozens of tips on how to make your celebration a memorable experience, not just an expensive event. This simple, 65 page guide book will walk you through 40 plus chapters, including your goal, your attitude, your groom, your mother, your focus or theme, your family, your budget, your guest list, your location, your celebrant, your wardrobe, your rings, your vendors, your ceremony, your legal requirements, your program, your rehearsal and dinner, your ceremony and reception, your honeymoon, and your marriage. With very practical tips on every aspect of your wedding weekend from welcome to readings and love letters to vows and symbols of unity to cultural customs, favors, toasts and cake this book shows you how to present yourselves as hosts rather than self-conscious stars and how to move from a costly, cookie cutter party to a sacred, fun, mature, memorable celebration.
