

# Gigbeat Concerts

Wiggles, The

**Ticket Masters** Dean Budnick,Josh Baron,2012-04-24 “A clear, comprehensive look at a murky business.” —The Wall Street Journal Your favorite band has just announced their nationwide tour. Should you pay to join their fan club and get in on the pre-sale? No, you decide to wait. But the on-sale date arrives, and the site is jammed. You can't get on—and the concert is sold out in six minutes. What happened? What now? Music journalists Dean Budnick and Josh Baron chronicle the behind-the-scenes history of the modern concert industry. Filled with entertaining rock-and-roll anecdotes about The Rolling Stones, The Grateful Dead, Pearl Jam, and more—and charting the emergence of players like Ticketmaster, StubHub, Live Nation, and Outbox—Ticket Masters will transfix every concertgoer who wonders just where the price of admission really goes. This edition has an updated epilogue that covers recent industry developments.

**The Arena Concert** Benjamin Halligan,Kirsty Fairclough,Robert Edgar,Nicola Spelman,2015-11-19 The Arena Concert: Music, Media and Mass Entertainment is the first sustained engagement with what might said to be - in its melding of concert and gathering, in its evolving relationship with digital and social media, in its delivery of event, experience, technology and star - the art form of the 21st century. This volume offers interviews with key designers, discussions of the practicalities of mounting arena concerts, mixing and performing live to a mass audience, recollections of the giants of late twentieth century music in performance, and critiques of latter-day pretenders to the throne. The authors track the evolution of the arena concert, consider design and architecture, celebrity and fashion, and turn to feminism, ethnographic research, and ideas of humour, liveness and authenticity, in order to explore and frame the arena concert. The arena concert becomes the “real time” centre of a global digital network, and the gig-goer pays not only for an immersion in (and, indeed, role in) its spectacular nature, but also for a close encounter with the performers, in this contained and exalted space. The spectacular nature of the arena concert raises challenges that have yet to be fully technologically overcome, and has given rise to a reinvention of what live music actually means. Love it or loathe it, the arena concert is a major presence in the cultural landscape of the 21st century. This volume finds out why.

**The Decibel Diaries** Carter Alan,2017-04-04 Sometimes a rock concert is more than just an event. Every so often a band's performance becomes a musical milestone, a cultural watershed, a political statement, and a personal apotheosis. On any given night a rock concert can tell the truth about who we are, where we are, and what's going on in music and life right now. In The Decibel Diaries, Carter Alan, longtime DJ and music director at WZLX in Boston, chronicles a lifetime in rock with a tour through fifty concerts that defined such moments - from Crosby, Stills, Nash & Young playing in the rain when Richard Nixon resigned to Talking Heads and the first stirrings of punk in the basement bars of New York and Boston to the bluegrass angel Alison Krauss and the adaptable veteran Robert Plant forging a plangent, plaintive postmodern synergy. For each event Alan shows us what it was like to be there and telescopes out to reveal how this show fit into the arc of the artist's career, the artist's place in music, and the music's place in the wider world. Taken together, The Decibel Diaries is a visceral and visionary portrait of nearly fifty years of rock 'n' roll.

**Rock Concert** Marc Myers,2021-11-09 A “fascinating, intimate” oral history of the golden age of the rock concert based on nearly 100 interviews with musicians, fans, and others (Publishers Weekly). Decades after the rise of rock music in the 1950s, the rock concert retains its power as a unifying experience—and as a multi-billion-dollar industry. In Rock Concert, acclaimed music writer Marc Myers delves into the history of this cultural phenomenon, weaving together ground-breaking accounts from the people who were there. Myers combines the tales of icons like Joan Baez, Ian Anderson, Alice Cooper, Steve Miller, Roger Waters, and Angus Young with the disc jockeys, audio engineers, and music journalists, and promoters who organized it all, like Michael Lang, co-founder of Woodstock, to create a rounded and vivid account of live rock's stratospheric rise. Rock Concert offers a backstage view of rock 'n' roll as it evolved through live performance—from the rise of R&B in the 1950s, to the hippie gatherings of the '60s, and the growing arena tours of the '70s and '80s. Elvis Presley's gyrating hips, the “British Invasion” of the Beatles, the Grateful Dead's free flowing jams, and Pink Floyd's The Wall are just a few of the defining musical acts that drive this rich narrative.

**Join Together** Marley Brant,2008 More than ninety artists contribute their unique memories and perspectives on the music festival and its impact on rock music and society in this volume that takes readers behind the scenes of live music's most high profile and historic rock concerts.

**Music Concerts** Kenny Abdo,2018-12-15 This title focuses on music concerts and gives information related to their origin, fun facts, and worldwide influence. This hi-lo title is complete with epic and colorful photographs, simple text, glossary, and an index. Aligned to Common Core Standards and correlated to state standards. Fly! is an imprint of Abdo Zoom, a division of ABDO.

**Are the Kids All Right?** John Grant Fuller,1981 Discusses crowds at rock concerts, specifically in regard to the concert given by The Who at Riverfront Stadium in Cincinnati, Ohio in 1979.

**Bookings & Gigs** Scott Witmer,2009-08-15 Bookings & Gigs, written by front man Scott Witmer of the indie group Light Sweet Crude, gives readers the tools they need to have a successful band. From choosing where to play to putting together press packets, this book is a treasure-trove of insider knowledge. Also covered are tips for networking and a follow up plan after a gig. ABDO & Daughters is an imprint of ABDO Publishing Company.

**Rush Gigs** Ray Wawrzyniak,2021-11-22 Over Rush's long 45+ year history, they played everywhere- from drop-in's in suburban Toronto to the largest stadiums across the world. Along the way, many bar owners, local newspapers, club designers, and large entertainment conglomerates advertised these shows, these gigs- in magazines and marquees and myriad other places. Within these pages, you'll learn about the first time Neil Peart ever took the stage with Rush, how Santa Claus (!) opened for Rush, and just how extensive their touring really was. You'll see ads and gig posters promoting everything from Rush's first concert in America to the largest crowd they ever played (a benefit show in Toronto) to their final act, at the fabled Forum in Los Angeles. A must for fans of one of the most storied rock acts of all time, Rush.

**Rock On!** Jon Chattman,Ellen Feig,2008-03-01 Includes personal reminiscences of first concerts attended.

**Live & Kicking** Mark Cunningham,1999 Today's concert industry is a complex business, a balance between artistry and economics. This book is a fly-on-the-wall insight into that business, offering interviews with leading sound and lighting designers.

**Rock Concerts** Kay Rowley,1992 Examines the history of rock music as reflected in the evolution of concerts and tours and describes how a rock concert is planned, promoted, and produced.

**Live** Bruce Jarvis,Josh Easby,2010 Whether they played to 80,000 in a stadium or festival, or for a few dozen people in a pub, the world's greatest musical performers have helped change forever our concept of live entertainment. This beautifully-crafted book brings together the best-ever collection of photographs and stories from New Zealand concerts over the past half century, from the legendary Johnny Cash in 1959 to today's high-tech extravaganzas. Almost 600 photographs, many of them rare and previously unpublished, show how we sang, screamed and danced to acts like The Beatles, The Rolling Stones, Bob Marley, Led Zeppelin and hundreds more bands who performed LIVE.

**Hard Days Hard Nights** Pat DiCesare,2014-08-30 Hard Days, Hard Nights is the fascinating, behind-the-scenes story of the birth and development of modern rock concerts, as told by one of its most illustrious proponents, Pat DiCesare. For 36 years, starting with his first show in Youngstown, Ohio with the Four Freshman, to his big breakthrough promoting the Beatles concert in Pittsburgh, PA in 1964, through his last major show in 1999, Pat DiCesare ruled the Pittsburgh concert scene. Virtually every major rock and pop act of the area--from the Rolling Stones to Led Zeppelin to Bruce Springsteen--passed through Pittsburgh during these years to perform in concerts produced and promoted by Pat DiCesare. These are the backstage tales of those shows and how they came to be the untold story of one of America's most beloved industries.

**Official Gazette of the United States Patent and Trademark Office** ,2002

**The Grateful Dead in Concert** Jim Tuedio,Stan Spector,2010-02-09 This book offers a spirited analysis of the unique improvisational character of Grateful Dead music and its impact on appreciative fans. The 20 essays

capture distinct facets of the Grateful Dead phenomenon from a broad range of scholarly angles. The band's trademark synergizing focus is discussed as a function of complex musical improvisation interlaced with the band members' collective assimilation of an impressive range of marginal musical forms and lyrical traditions. These facets are shown to produce a vibrant Deadhead experience, resulting in community influences still morphing in new directions 45 years after the band's initial impact.

**The First Concert** Lindsay Anderson,2017-12-18 Tonight was the first concert of the tour, and Holly and Finn were pumped. Tonight's concert would be taking place in New York City. Yesterday, Finn, Holly, the band, their band manager, publicist, and body-guard had gotten a tour of New York City. Tonight, Holly and Finn would be performing in it!

*The Pop Concert* Jean Wills,Stephanie Harris,1992-01-01

**Mathematics of the Heart** Kefi Chadwick,2012-02-07 What happens when love doesn't add up? Dr Paul MacMillan is a professor of Chaos Theory. Specialist subject: storm patterns. A month after the death of his father, Paul's life has ground to a halt. With his itinerant ne'er do well brother, Chancer, in his spare room, his girlfriend Emma pushing for a future and the arrival of a beautiful new PhD student, Zainab, prediction is proving increasingly difficult. Then the discovery of his father's final and surprise possession catapults Paul's world into real chaos. Intelligent, witty and sincere, this drama combines strong emotion with knowing humour and a cleverly relevant academic backbone, whereby scientific theories rebound themes and motifs, and inform the characters' apparently random decisions and actions. Mathematics of the Heart won the Brighton Fringe Festival New Writing South Best New Play 2011 andthe Evening Argus 'Outstanding Artistic Contribution' Award 2011.

*The Wiggles* Wiggles, The,2005 A behind-the-scenes look at The Wiggles, live in concert.
