**Sicker in the Head** Judd Apatow, 2023-04-18 NEW YORK TIMES BESTSELLER • An all-new collection of honest, hilarious, and enlightening conversations with some of the most exciting names in comedy—from lifelong comedy nerd Judd Apatow. “When I need to read an interview with a comedian while in the bathroom, I always turn to Judd Apatow for deeply personal insights into the comedic mind. Place one on your toilet today.”—Amy Schumer ONE OF THE BEST BOOKS OF THE YEAR: Vulture No one knows comedy like Judd Apatow. From interviewing the biggest comics of the day for his high school radio show to performing stand-up in L.A. dive bars with his roommate Adam Sandler, to writing and directing *Knocked Up* and producing *Freaks and Geeks*, Apatow has always lived, breathed, and dreamed comedy. In this all-new collection of interviews, the follow-up to the New York Times bestselling *Sick in the Head*, Apatow sits down with comedy legends such as David Letterman, Whoopi Goldberg, and Will Ferrell, as well as the writers and performers who are pushing comedy to the limits, and defining a new era of laughter: John Mulaney, Hannah Gadsby, Bowen Yang, Amber Ruffin, Pete Davidson, and others. In intimate and hilariously honest conversations, they discuss what got them into comedy, and what—despite personal and national traumas—keeps them going. Together, they talk about staying up too late to watch late-night comedy, what kind of nerds they were in high school, and the right amount of delusional self-confidence one needs to “make it” in the industry. Like

eavesdropping on lifelong friends, these pages expose the existential questions that plague even the funniest and most talented among us: Why make people laugh while the world is in crisis? What ugly, uncomfortable truths about our society—and ourselves—can comedy reveal? Along the way, these comics reminisce about those who helped them on their journey—from early success through failure and rejection, and back again—even as they look ahead to the future of comedy and Hollywood in a hyper-connected, overstimulated world. With his trademark insight, curiosity, and irrepressible sense of humor, Apatow explores the nature of creativity, professional ambition, and vulnerability in an ever-evolving cultural landscape, and how our favorite comics are able to keep us laughing along the way.

**Kesterson Reservoir First Stage Technical Report in Support of Report of Waste Discharge to the California Regional Water Quality Control Board** J. H. Rowell, 1983 This report presents technical information in support of an NPDES application and Report of Waste Discharge to the California Regional Water Quality Control Board for the operation of Kesterson Reservoir, First Stage. The design and operation of the reservoir are described, and a detailed presentation and evaluation of geologic and hydrologic data collected to date are included. Conclusions based in the technical information in this report and recommendations regarding the present problems and potential solutions are presented.
