For more than three decades Ginger has held the truth of their relationship close to her heart. Now she shares her unique story... In her own words, Ginger details their whirlwind romance—from first kiss to his stunning proposal of marriage. And for the very first time, she talks about the devastating end of it all and the fifty thousand mourners and reporters who descended on Graceland in 1977, exposing Ginger to the reality of living in the spotlight of a short yet immortal life. Above it all, Ginger rescues Elvis from the hearsay, rumors, and tabloid speculations of his final year by shedding a frank yet personal light on a very public legend. From a unique and intimate perspective, she reveals the man—complicated, romantic, fallible, and human—behind the myth, a superstar worshipped by millions and loved by Ginger Alden. INCLUDES PHOTOS
