The Glitter in the Green Jon Dunn, 2021-04-20 An acclaimed natural history writer follows the trail of the remarkable hummingbird all over the world. Hummingbirds are a glittering, sparkling collective of over three hundred wildly variable species. For centuries, they have been revered by indigenous Americans, coveted by European collectors, and admired worldwide for their unsurpassed metallic plumage and immense character. Yet they exist on a knife-edge, fighting for survival in boreal woodlands, dripping cloud forests, and subpolar islands. They are, perhaps, the ultimate embodiment of evolution's power to carve a niche for a delicate creature in even the harshest of places. Traveling the full length of the hummingbirds' range, from the cusp of the Arctic Circle to near-Antarctic islands, acclaimed nature writer Jon Dunn encounters birders, scientists, and storytellers in his quest to find these beguiling creatures, immersing us in the world of one of Earth's most charismatic bird families.

On My Swedish Island Julie Catterson Lindahl, 2005-05-26 An exploration of the integral relationship between nature and personal development and how this manifests itself in the Scandinavian lifestyle—from outdoor life and relaxation to design, cuisine, gardening, and herbalism. On my Swedish Island is a rich collection of ideas about how we can improve our quality of life with a fresh philosophy that is Nordic-inspired, but can be used in any climate. Part memoir and part self-help book, On My Swedish Island combines the story of the author's transformation from urban jetsetter to wife and mother living on a small Swedish island with practical suggestions for living a simpler, more fulfilling existence.

Fresh From the Word 2023 David Painting, 2022-08-18 Fresh from the Word 2023 aims to help us build the discipline of Bible reading into our lives so we are grounded in God's word and our faith may deepen and develop. By offering accessible and engaging material, it aids our understanding of the Bible and helps us understand it from different Christian perspectives. One of the key themes in this year's edition is 'Hidden Heroes & Heroines', characters in the Bible who are overlooked but play a pivotal role in the unfolding of the Kingdom. As we read their stories, we may be encouraged that our lives, though they sometimes feel insignificant, are indeed being used by God in ways possibly beyond our imagining! The book also explores the different types of literature in the Bible. A number of the international and diverse community of writers who have contributed their wisdom, understanding and hard-won insights to encourage and bless us, unpack passages written in each particular style. And so we learn how we might safely interpret poetry, law, prophecy, narrative or apocalyptic. The hope is that these reflections - and indeed the complete volume - will help us see revealed that which was previously hidden from us. Contributors this year include: Terry Lester, who writes on the Judges of Israel. Terry has been an Anglican priest in Cape Town for almost four decades and currently serves in Constantia. A vocal advocate for justice, he is engaged in projects aimed at restoring dignity and building reconciliation in his fragmented community. Immaculée Hedden, who writes on Healing Divisions in the Old Testament. She and her husband Richard are the authors of Under His Mighty Hand, the story of how she survived the 1994 Genocide against the Tutsi. The couple are currently based in Rwanda, serving in healing and counselling support ministry with YWAM. Jane Gonzalez, who writes on Celebrations. Jane is a Roman Catholic laywoman and an active member of the Justice and Peace Group. Joshua Taylor, who writes on The God of all Comfort and Mercy. Joshua is an Anglican Priest in New Zealand, where he and his family have been exploring what it means to be a family following the way of Jesus. Louise Jones, who writes on Lord of the Sabbath. Working for an embedded, community-based organization (Newbigin Community Trust), Louise has a passion for

empowering, resourcing and loving those who have slipped through the cracks of our systems, in order to help people see their immense value and worth in Jesus.

In *La Bête humaine* (The Human Beast) he analyzes the hereditary urge to kill that haunts the Lantier branch of the family. *La Débâcle* (The Debacle) traces both the defeat of the French army by the Germans at the Battle of Sedan in 1870 and the anarchist uprising of the Paris Commune. Finally, in *Le Docteur Pascal* (Doctor Pascal) he uses the main character, the doctor Pascal Rougon, armed with a genealogical tree of the Rougon-Macquart family published with the novel, to expound the theories of heredity underlying the entire series.
