Ranjesh's Practical Golden Global English Speaking Course for Trainers & Trainees Ranjesh Kumar,2020-11-05

Cambridge Global English Stage 8 Workbook Chris Barker,Libby Mitchell,2014-08-21 Cambridge Global English Stages 7-9 follow the Cambridge Lower Secondary English as a Second Language (ESL) Curriculum Framework. Workbook 8 is organised into eighteen thematic units of study based on the Cambridge International Examinations English as a Second Language Scheme of Work for Stage 8 The units are carefully structured to reinforce the language learning of the Coursebook, at the same time as extending students' knowledge via a range of exercise types. CEFR Level: B1.

English as a Global Language David Crystal,2012-03-29 Written in a detailed and fascinating manner, this book is ideal for general readers interested in the English language.

Cambridge Global English Coursebook Stage 9 Coursebook with Audio CD Chris Barker,Libby Mitchell,2016-04-28 Cambridge Global English Stages 7-9 follow the Cambridge Lower Secondary English as a Second Language (ESL) Curriculum Framework. Coursebook 9 includes eighteen thematic units based on the Cambridge International Examinations Scheme of Work for Stage 9. Our Stage 9 Coursebook lays the foundation for learners who may go on to the Cambridge IGCSE ESL qualification. The topics and situations in Cambridge Global English reflect international diversity and encourage learning about different ways of life. It presents realistic listening, speaking, reading and writing tasks, and end-of-unit projects similar to those students might encounter in first-language English context. After every other unit, there is a literature spread featuring authentic prose and poetry from a variety of sources. CEFR Level: B1+

A Million Words And Counting: How Global English Is Rewriting The World Paul J.J. Payack,2012-03-01 From Babel to Babble . . . Everyone is Speaking English In 2007, the English language passed the million-word mark. That shouldn't come as a surprise since over a billion Earthlings speak English (no one knows about other planets, but they probably speak it, too). That makes for a lot of word-coiners (neologists) out there. And where are all these new words coming from? Hollywood? Technology? The Internet? Corporate boardrooms? Youthspeak? How do world events--from tsunamis and hurricanes to political doublespeak and presidential linguistic bumbling--influence the words we use on a daily basis? What do e-mails, text messages, and emoticons contribute to the language? Let WordMan Paul J.J. Payack take you on a global tour of English-speaking worlds--virtual and otherwise: • From India, Singapore, and China, to Australia, the U.S. and the U.K. • From film, television, fashion, music, politics, sports, games, business, technology and science • From TV junkies, fashionistas and sports fans, to amateur historians and linguists • And from every other source that contributes to the global tapestry of English Get ready for a whirlwind tour of our increasingly global culture and how it becomes that way. A Million Words? Fundoo! Podcast, Chinglish, truthiness, crunk. Just a year or two ago, these words were gibberish to most English speakers. Today they pop up in everyday conversation worldwide, just four of the ten thousand new words added to the English language every year. Spurred by the universality of the Internet--where it is the de facto lingua franca--and the global reach of its media, English is growing at a rate unprecedented in its 1500-year history. Indeed, in the spring of 2007, the English word count surpassed a million--over ten times the number available in French. At the crest of this linguistic tsunami surfs Paul J.J. Payack, aka the WordMan. As president of the Global Language Monitor, he has tracked the latest developments--the fascinating hybrids, the bizarre etymologies, the lasting malapropisms--in the language shared by two billion of the Earth's citizens. Aided by a worldwide network of similarly obsessed language mavens and armed with his own powerful word-counting algorithm, Payack ensures that no new English word falls from the tongue or marks the page without being counted toward the Million Word March. A Million Words and Counting is a celebration of the vast variety and ever-evolving expressiveness of humanity's most universal language. Fun and informative, this guide is a joyful exploration of English as it spreads across the globe, as it is spoken today, and as it expands into the future. Each entertaining chapter of this ambitious linguistic survey examines another source of new English, including Hollywood, youth culture, other languages, corporate boardrooms, and tongue-tied presidents. An engaging compendium of English-language facts and factoids, this is a trivia lover's goldmine and a logophile's playground.

VOA Guide ,1995

Radio in the Global Age David Hendy,2013-04-24 Radio in the Global Age offers a fresh, up-to-date, and wide-ranging introduction to the role of radio in contemporary society. It places radio, for the first time, in a global context, and pays special attention to the impact of the Internet, digitalization and globalization on the political-economy of radio. It also provides a new emphasis on the links between music and radio, the impact of formatting, and the broader cultural roles the medium plays in constructing identities and nurturing musical tastes. Individual chapters explore the changing structures of the radio industry, the way programmes are produced, the act of listening and the construction of audiences, the different meanings attached to programmes, and the cultural impact of radio across the globe. David Hendy portrays a medium of extraordinary contradictions: a cheap and accessible means of communication, but also one increasingly dominated by rigid formats and multinational companies; a highly 'intimate' medium, but one capable of building large communities of listeners scattered across huge spaces; a force for nourishing regional identity, but also a pervasive broadcaster of globalized music products; a 'stimulus to the imagination', but a purveyor of the banal and of the routine. Drawing on recent research from as far afield as Africa, Australasia and Latin America, as well as from the UK and US, the book aims to

explore and to explain these paradoxes - and, in the process, to offer an imaginative reworking of Marshall McLuhan's famous dictum that radio is one of the world's 'hot' media. Radio in the Global Age is an invaluable text for undergraduates and researchers in media studies, communication studies, journalism, cultural studies, and musicology. It will also be of interest to practitioners and policy-makers in the radio industry.

Cambridge Global English Stage 6 Learner's Book with Audio CDs (2) Jane Boylan, Claire Medwell, 2014-06-12 Cambridge Global English (1-6) is a six-level Primary course following the Cambridge Primary English as a Second Language Curriculum Framework developed by Cambridge English Language Assessment. Learner's Book 6 provides the core input for Stage 6 with nine thematic units of study and five review spreads. Units end with an engaging project and opportunity for self-assessment. Richly illustrated units contain six lessons, each developed around a unifying theme. Materials feature skills-building tasks for listening, reading, writing and speaking. 'Use of English' features focus on language awareness, and 'Tips' boxes on specific skills. Texts included have variety: factual and fictional, dialogue and poetry covering a range of topics. Accompanying Audio CD includes listening material for Stage 6 Learner's and Activity Books 6. CEFR Level: A2 towards B1

The Rise of English Rosemary C. Salomone, 2022 A sweeping account of the global rise of English and the high-stakes politics of language Spoken by a quarter of the world's population, English is today's lingua franca - its common tongue. The language of business, popular media, and international politics, English has become commodified for its economic value and increasingly detached from any particular nation. This meteoric rise of English has many obvious benefits to communication. Tourists can travel abroad with greater ease. Political leaders can directly engage their counterparts. Researchers can collaborate with foreign colleagues. Business interests can flourish in the global economy. But the rise of English has very real downsides as well. In Europe, imperatives of political integration and job mobility compete with pride in national language and heritage. In the United States and England, English isolates us from the cultural and economic benefits of speaking other languages. And in countries like India, South Africa, Morocco, and Rwanda, it has stratified society along lines of English proficiency. In *The Rise of English*, Rosemary Salomone offers a commanding view of the unprecedented spread of English and the far-reaching effects it has on global and local politics, economics, media, education, and business. From the inner workings of the European Union to linguistic battles over influence in Africa, Salomone draws on a wealth of research to tell the complex story of English - and, ultimately, to argue for English not as a force for domination but as a core component of multilingualism and the transcendence of linguistic and cultural borders.

English Language ,

Making World English Michael G. Malouf, 2022-01-27 Uncovering the role of literature, late imperialism, and the rise of new models of internationalism as integral to the invention of Global English, this book focuses on three key figures from the "Vocabulary Control Movement" - C.K. Ogden, Harold Palmer, and Michael West - who competed for market share for their respective language teaching systems - Basic English, the Palmer Method, and the New Method - through battles over word lists and teaching methods in the 1920s and 30s. Drawing on archives from the Carnegie Corporation and considering language teaching in eight global sites, this book analyzes how a series of conferences in New York and London resolved their conflicts and produced a consolidated, international standard form of English. As a postcolonial approach to the development of the field of English Language Teaching, it reveals how these language debates were proxy battles over an idealized global subject: an urban, secular, consumer moving seamlessly between the tribal and global, speaking both mother tongues and an international lingua franca, Global English. Featuring analysis of the primary texts of each of the three key figures in this book as well as close readings of their readers, which featured adaptations of well-known literary texts from writers like Poe, Dickens, Wordsworth, Milton and Wells, it recovers a neglected history of English as it was redefined as an international language through anti-colonial resistance in the peripheries and transatlantic power struggles in the metropole during the interwar period.

Cambridge Global English Stage 8 Coursebook with Audio CD Chris Barker, Libby Mitchell, 2014-05-22 Cambridge Global English Stages 7-9 follow the Cambridge Lower Secondary English as a Second Language (ESL) Curriculum Framework. Coursebook 8 is organised into eighteen thematic units of study based on the Cambridge International English Scheme of Work for Stage 8. The topics and situations in Cambridge Global English have been selected to reflect this diversity and encourage learning about each other's lives through the medium of English. It presents realistic listening, speaking, reading and writing tasks, as well as end-of-unit projects similar to those students might encounter in the context of a first-language school. After every other unit, there is a literature spread, featuring authentic texts from a variety of sources. CEFR Level - B1

Global English Slang Julie Coleman, 2014-01-10 Global English Slang brings together nineteen key international experts and provides a timely and essential overview of English slang around the world today. The book illustrates the application of a range of different methodologies to the study of slang and demonstrates the interconnection between the different sub-fields of linguistics. A key argument throughout is that slang is a function played by specific words or phrases rather than a characteristic inherent in the words themselves - what is slang in one context is not slang in another. The volume also challenges received wisdom on the nature of slang: that it is short-lived and that slang is restricted to verbal language. With an introduction by editor Julie Coleman, the topics covered range from Inner City New York slang and Hip Hop Slang to UK student slang and slang in Scotland. Authors also explore slang in Jamaica, Australia, New Zealand, India and Hong Kong and the influence of English slang on Norwegian, Italian and Japanese. A final section looks at slang and new media including online slang usage, and the possibilities offered by the internet to document verbal and gestural slang. Global English Slang is an essential reference for advanced undergraduates, postgraduates and researchers working in the areas of lexicology, slang and World Englishes.

Ranjesh's Practical Global English Grammar, Composition & Usages- Volume - 1A Er. BK. Ranjesh Roy, 2020-04-03 This book has been written keeping in mind the new pattern of all competitive exams for basic, advanced, and competitive level students. It contains more than 2500 objective questions with solutions, and is essential for cracking any competitive examination. Special attention has been paid to concepts, as well as the practical applications of every topic from basic to advanced. Each topic has been discussed in depth, with appropriate examples. This book will prove useful as A Complete Guide and Practical Practice Book for those who are preparing for TOEFL, IELTS, GRE, GMAT, GATE, Banking (P.O. & Clerk), MBA (CAT, MAT, XAT, CET. . .) BBA, AAO, UPSC (CPF, CDS, NDA . . .), SSC (Asst. Grade, CPO, TA,

SO, Audit UDC, LDC...), Rly., Air-Force, Navy and other competitive examinations in the subject of English.

Global Englishes in Asian Contexts K. Murata,J. Jenkins,2009-05-21 This volume explores the global spread of English or global Englishes, and English as a Lingua Franca (ELF), focusing specifically on Asian Englishes. It is unique in the range of diverse perspectives across the languages and cultures by its contributors.

South Asian Writers, Latin American Literature, and the Rise of Global English Roanne Kantor,2022-02-24 South Asian writers reference Latin American literature to identify against the Anglophone globe, even as they circulate within it.

Cambridge Global English Stage 7 Workbook Chris Barker,Libby Mitchell,2014-05-22 Cambridge Global English Stages 7-9 follow the Cambridge Lower Secondary English as a Second Language (ESL) Curriculum Framework. Workbook 7 is organised into eighteen thematic units of study based on the Cambridge International English Scheme of Work for Stage 7. The units are carefully structured to reinforce the language learning of the Coursebook, at the same time as extending students' knowledge via a range of exercise types. CEFR Level low B1.

Cambridge Global English Stage 6 Activity Book Jane Boylan,Claire Medwell,2014-05-22 Cambridge Global English (1-6) is a six-level Primary course following the Cambridge Primary English as a Second Language Curriculum Framework developed by Cambridge English Language Assessment. Activity Book 6 provides additional practice activities to consolidate language skills and content material introduced in Learner's Book 6. Nine units correspond with the topics, texts and language input of Learner's Book 6 with each lesson of the Learner's Book supported by two pages in the Activity Book. Learning is reinforced through activities clearly framed within the 'I can' objectives of the course, opportunities for personalisation and creative work and a higher level of challenge to support differentiation. Each unit in the Activity Book ends with revision and opportunity for self-assessment. CEFR Level: A2 towards B1.
