Old Crimes Jill McCorkle,2024-01-09 Beloved author Jill McCorkle delivers a collection of masterful stories that are as complex as novels—deeply perceptive, funny, and tragic in equal measure—about crimes large and small. McCorkle, author of the New York Times bestselling *Life After Life* and the widely acclaimed *Hieroglyphics* (“One of our wryest, warmest, wisest storytellers” –Rebecca Makkai), brings us a breathtaking collection of stories that offers an intimate look at the moments when a person’s life changes forever. *Old Crimes* delves into the lives of characters who hold their secrets and misdeeds close, even as the past continues to reverberate

over time and across generations. And despite the characters' yearnings for connection, they can't seem to tell the whole truth. In "Low Tones," a woman uses her hearing impairment as a way to guard herself from her husband's commentary. In "Lineman," a telephone lineman strains to connect to his family even as he feels pushed aside in a digital world. In "Confessional," a young couple buys a confessional booth for fun, only to discover the cost of honesty. Profoundly moving and unforgettable, for fans of Alice Munro, Elizabeth Strout, and Lily King, the stories in *Old Crimes* reveal why McCorkle has long been considered a master of the form, probing lives full of great intensity, longing and affection, and deep regret. "Jill McCorkle has had an extraordinary ear for the music of ordinary life since the beginning of her career, able to work with the voices we know so well to write these stories about what they will not tell us, what they would rather not tell us, what they hope to tell us, what too often goes unsaid. And this collection is a new wonder." —Alexander Chee, author of *How to Write an Autobiographical Novel*

Simply Lies David Baldacci, 2023-04-18 From the #1 New York Times bestselling author of *The 6:20 Man* comes a twisting new psychological thriller in which two women—one a former detective, the other a dangerous con artist—go head-to-head in an electrifying game of cat and mouse. Mickey Gibson, single mother and former detective, leads a hectic life similar to that of many moms: juggling the demands of her two small children with the

tasks of her job working remotely for ProEye, a global investigation company that hunts down wealthy tax and credit cheats. When Mickey gets a call from a colleague named Arlene Robinson, she thinks nothing of Arlene's unusual request for her to go inventory the vacant home of an arms dealer who cheated ProEye's clients and fled. That is, until she arrives at the mansion to discover a dead body in a secret room—and that nothing is as it seems. Not only does the arms dealer not exist but the murder victim turns out to be Harry Langhorne, a man with mob ties who used to be in Witness Protection. What's more, no one named Arlene Robinson works at ProEye. In the blink of an eye, Gibson has become a prime suspect in a murder investigation—and now her job is also on the line until she proves that she was set up. Before long, Gibson is locked in a battle of wits with a brilliant woman with no name, a hidden past, and unknown motives—whose end game is as mysterious as it is deadly.

Susie's Senior Dogs Erin Stanton, 2016-10-25 The viral Facebook sensation Susie's Senior Dogs has amassed over 500,000 fans as it advocates for the adoption of elderly dogs. Now Erin Stanton (Susie's owner) has written a heartwarming, compelling collection of happy ending adoption stories for our oldest and dearest canine pals. In this collection of success stories culled from the nearly 500 matches SSD has facilitated, Erin Stanton—and Susie—talk to dozens of adopters who've learned what a perfect companion a senior dog can be. From Rudy, the 12-year-old Puggle who's a calm and sturdy first dog

for two young boys, to Rocky, the shy German Shepherd who now escorts his owner on daily walks around their ranch, Susie's Senior Dogs celebrates dogs from all walks of life. And of course, we'll hear Susie's own story woven throughout! Featuring both internet dog stars like Chloe Kardoggian and Wolfgang, as well as brand-new, never-told stories of senior dogs getting a new lease on life, Susie's Senior Dogs will keep readers smiling and tails wagging! This beautiful, upbeat book includes sidebars, Q&As, Susie's Top Tips and more, making it the perfect keepsake for animal lovers of all ages.

A Minute to Midnight David Baldacci, 2019-11-19 In this #1 New York Times bestselling thriller, FBI Agent Atlee Pine returns to her Georgia hometown to investigate her twin sister's abduction, only to encounter a serial killer. FBI Agent Atlee Pine's life was never the same after her twin sister Mercy was kidnapped -- and likely killed -- thirty years ago. After a lifetime of torturous uncertainty, Atlee's unresolved anger finally gets the better of her on the job, and she finds she has to deal with the demons of her past if she wants to remain with the FBI. Atlee and her assistant Carol Blum head back to Atlee's rural hometown in Georgia to see what they can uncover about the traumatic night Mercy was taken and Pine was almost killed. But soon after Atlee begins her investigation, a local woman is found ritualistically murdered, her face covered with a wedding veil -- and the first killing is quickly followed by a second bizarre murder. Atlee is determined to continue her search for answers, but now she must also set her sights on finding a

potential serial killer before another victim is claimed. But in a small town full of secrets -- some of which could answer the questions that have plagued Atlee her entire life -- and digging deeper into the past could be more dangerous than she realizes . . .
