Handling the Undead John Ajvide Lindqvist,2010-09-28 In his new novel, John Ajvide Lindqvist does for zombies what his previous novel, *Let the Right One In*, did for vampires. Across Stockholm the power grid has gone crazy. In the morgue and in cemeteries, the recently deceased are waking up. One grandfather is alight with hope that his grandson will be returned, but one husband is aghast at what his adored wife has become. A horror novel that transcends its genre by showing what the return of the dead might really mean to those who loved them.

Diesel-engine Management Robert Bosch GmbH,2004 A recent research report released by the U.S. Department of Transportation's National Highway Traffic Safety Administration (NHTSA) has stated that almost 175,000 pedestrians died on U.S roadways between 1975 and 2001. It was also noted in the report that 12% of all deaths related to motor vehicle crashes in the country are pedestrian fatalities. Most of the safety technology to date in vehicles has been applied to protect the occupants in the vehicle. What can vehicle manufacturers do to reduce pedestrian fatalities? With research being focused on two major fronts - methods to sense the presence of pedestrians and warn drivers of their location, and ways to design vehicles that can help not only adults of various age groups to survive an impact between them and a vehicle but also children that are smaller than most adults - the technical papers in this SAE Progress in Technology Series book explore ways the automobile can be designed to help reduce fatalities and injuries when a pedestrian and vehicle meet during an impact.

Itsy Bitsy John Ajvide Lindqvist, 2011-08-16 Destined to become a modern classic, the short story Itsy Bitsy is guaranteed to make you think twice before you take a picture of someone in a bikini. In this creepy shocker, horror author superstar John Ajvide Lindqvist (LET THE RIGHT ONE IN, HANDLING THE UNDEAD) gives new meaning to punishing the paparazzi.

Let Me In John Ajvide Lindqvist, 2010-08-31 Let Me In Takes Top Honors at Tribeca Film Festival and is now an Award-winning movie in both the U.S. and Sweden! It is autumn 1981 when inconceivable horror comes to Blackeberg, a suburb in Sweden. The body of a teenager is found, emptied of blood, the murder rumored to be part of a ritual killing. Twelve-year-old Oskar is personally hoping that revenge has come at long last---revenge for the bullying he endures at school, day after day. But the murder is not the most important thing on his mind. A new girl has moved in next door---a girl who has never seen a Rubik's Cube before, but who can solve it at once. There is something wrong with her, though, something odd. And she only comes out at night. . . .Sweeping top honors at film festivals all over the globe, Let Me In has received the same kind of spectacular raves that have been lavished on the book. American and Swedish readers of vampire fiction will be thrilled! Following the success in Sweden, this movie was remade in 2010 starring Kodi Smit-McPhee, Chloe Grace Moretz and Richard Jenkins changing its name from the Swedish Let The Right One In. The story has continued to reach new viewers in a London Musical and the book remains a vampire favorite among its readers.

Dropnauts J. Scott Coatsworth,2021-05-10 Over a century after the end of the Earth, life goes on in Redemption, the sole remaining lunar colony, and possibly the last outpost of humankind in the Solar System. But with an existential threat burrowing its way to the Moon's core, humanity must recolonize the homeworld. Twenty brave dropnauts set off on a mission to explore the empty planet. After training for two and a half years, four of them—Rai, Hera, Ghost and Tien—are bound for Martinez Base, just outside the Old Earth city of San Francisco. But what awaits them there will turn their assumptions upside down—and in the process, either save or destroy what's left of humanity.

The Peter James Collection Peter James,2020-05-28 THREE PETER JAMES TITLES IN ONE!

Twilight Three muffled thuds ring from the partially filled grave of the newly wed girl. Only the verger hears them and he dismisses the noise as his imagination. But when an exhumation order is granted, reporter Kate Hemingway sneaks into the small suburban churchyard when the coffin is opened, and the scene she witnesses is so horrific she can never forget it. As she starts work on the story, Kate finds herself caught up in a sinister and macabre cover-up. Denial Introducing policeman Glenn Branson... When actress Gloria Lamark takes her own life, her devoted son, Thomas, is heart-broken. Something must be wrong with a world in which such a tragedy is allowed to happen. How could her high-profile, media-star psychiatrist have failed to save such a special person, whom Thomas loved in such a very special way? Dr Tennent has a lesson to learn - a very painful one. Michael Tennent is caught up in the first flush of love - but has no idea how dangerous romance can be. For both Michael and Thomas will do anything for the women they love . Sweetheart Charley has a strange feeling when she sees the idyllic mill house; a powerful sense of recognition, as if she has been there before. Except she knows she hasn't. After Charley and her husband Tom move into Elmwood Mill, sinister memories of a previous existence start to haunt her. Despite both their attempts to dismiss everything with rational explanations, the feeling turns to certainty as the memories become increasingly vivid and terrifying.

Off Course (A Sins of the Mafia World Novel) Gwyn McNamee, 2022-09-22 Getting a second chance at love might cost us everything... They call me Chaos. I bring it with me everywhere I go. Leaving nothing but flames and rubble in my wake. My skills have saved and taken more lives than I can count. But they also destroyed the one good thing in my life. I blew it up and rode away. By the time I realized what I had done, she was long gone. Nothing left but painful, tainted memories and regrets. So, the last thing I expect when I answer the phone is to hear her voice again. Shaky and terrified. Begging for my help. I never could deny her anything. And now, she's in trouble. The kind only I can get her out of. But I've been off course for so long, it might not be possible to get back on the right one. Not before it's too late to save what I already lost... Off Course is a stand-alone romantic suspense novel in the Sins of the Mafia World and is book two of the Scarred Heroes Series, which can be read in any order.

The Fallen Heroine Fabienne Gschwind, 2021-08-30 The soldiers of the Repro Security put their lives on the line every day to hunt down and kill mindless genetic reprogrammed monsters. Just like young Matthis Kembs, who has started as cadet in the best unit in France. The notoriously irascible commander of his unit, Captain Arlette, is a living legend. But all her fighting skills and strategies are of no use when the French king proclaims feudal rule and turns the soldiers into serfs. A second French revolution is needed... Set in the twenty-second century, the novel the fallen Heroine takes place mainly in the French city of La Rochelle. Action loaded, humour and social criticism enhance the novel.
