So We Can Glow Leesa Cross-Smith,2020-03-10 ONE OF NPR'S BEST BOOKS OF 2020 LONGLISTED FOR THE 2021 JOYCE CAROL OATES PRIZE A lush, glittering short story collection exploring female obsession and desire by an award-winning author Roxane Gay calls a consummate storyteller. From Kentucky to the California desert, these forty-two short stories -- ranging from the 80's and 90's to present day -- expose the hearts of girls and women in moments of obsessive desire and fantasy, wildness and bad behavior, brokenness and fearlessness, and more. On a hot July night, teenage girls sneak out of the house to meet their boyfriends by the train tracks. Members of a cult form an unsettling chorus as they proclaim their adoration for the same man. A woman luxuriates in a fantasy getaway to escape her past. A love story begins over cabbages in a grocery store, and a laundress's life is consumed by her obsession with a baseball star. After the death of a sister, two high school friends kiss all night and binge-watch Winona Ryder movies. Leesa Cross-Smith's sensuous stories -- some long, some gone in a flash, some told over text and emails -- drench readers in nostalgia for summer nights and sultry days. They recall the intense friendships of teenage girls and the innate bonds between mothers, the first heady rush of desire, and the pure exhilaration of womanhood, all while holding up the wild souls of women so they can catch the light.

The Yellow Wallpaper and Selected Writings Charlotte Perkins Gilman,2009-05-07 It is stripped off - the paper - in great patches . . . The colour is repellent . . . In the places where it isn't faded and where the sun is just so - I can see a strange, provoking, formless sort of figure, that seems to skulk about . . .' Based on the author's own experiences, 'The Yellow Wallpaper' is the chilling tale of a woman driven to the brink of insanity by the 'rest cure' prescribed after the birth of her child. Isolated in a crumbling colonial mansion, in a room with bars on the windows, the tortuous pattern of the yellow wallpaper winds its way into the recesses of her mind. Charlotte Perkins Gilman was America's leading feminist intellectual of the early twentieth century. In addition to her masterpiece 'The Yellow Wallpaper', this new edition includes a selection of her best short fiction and extracts from her autobiography.

Purkinje's Vision Nicholas J. Wade,Josef Brozek,Jirí Hoskovec,2001-04 The life of Jan Evangelista Purkinje (1787-1869) has fascinated students from many disciplines. Histologists marvel at his early descriptions of cells; physiologists admire his attempts to relate structure to function; pharmacologists view in awe his heroic experiments on self-administered drugs; forensic scientists acknowledge his role in the use of fingerprints for identification; and Czech patriots salute his awakening of pride in their nation. Yet all these achievements followed his initial enquiries into vision. It is this psychological dimension that fostered this collaboration. As the title suggests, the present volume is bifocal. In the narrow sense it refers to Purkinje's studies of vision, but in its broader view it concerns Purkinje's anticipation of neuroscience. Purkinje provided evidence to support both its cellular and its conceptual base. At the cellular level his acute vision is immortalized within our bodies. At the conceptual level, he sought to relate subjective phenomena to their objective underpinnings--to link psychology to physiology. Vision provides a bond that unites psychology and physiology, and it is this bond that was strengthened by Purkinje's enquiries. The authors have tried to provide a context in which Purkinje's descriptions of visual phenomena can be placed. In some cases this exposes clear precursors of research for which Purkinje has been credited. In others, there was nothing to suggest the phenomena that he exposed. The book translates Purkinje's initial masterpiece on subjective vision and places it in the context of emerging views of neuroscience.

The Sense of an Ending Julian Barnes,2011-10-05 BOOKER PRIZE WINNER • NATIONAL BESTSELLER • A novel that follows a middle-aged man as he contends with a past he never much thought about—until his closest childhood friends return with a vengeance: one of them from the grave, another maddeningly present. A novel so compelling that it begs to be read in a single setting, The Sense of an Ending has the psychological and emotional depth and sophistication of Henry James at his best, and is a stunning achievement in Julian Barnes's oeuvre. Tony Webster thought he left his past behind as he built a life for himself, and his career has provided him with a secure retirement and an amicable relationship with his ex-wife and daughter, who now has a family of her own. Septology Jon Fosse,2022-10-01 The celebrated Norwegian novelist’s magnum opus, shortlisted for the International Booker Prize, published in one volume for the first time. What makes us who we are? And why do we lead one life and not another? Asle, an ageing painter and widower who lives alone on the southwest coast of Norway, is reminiscing about his life. His only friends are his neighbour, Åsleik, a traditional fisherman-farmer, and Beyer, a gallerist who lives in the city. There, in Bjørgvin, lives another Asle, also a painter but lonely and consumed by alcohol. Asle and Asle are doppelgängers – two versions of the same person, two versions of the same life, both grappling with existential questions about death, love, light and shadow, faith and hopelessness. Jon Fosse’s Septology is a transcendent exploration of the human condition, and a radically other reading experience – incantatory, hypnotic and utterly unique. ‘Jon Fosse is a major European writer.’ – Karl Ove Knausgaard ‘The Beckett of the twenty-first century.’ – Le Monde ‘An extraordinary seven-novel sequence about an old man’s recursive reckoning with the braided realities of God, art, identity, family life and human life itself...the culminating project of an already major career.’ – Randy Boyagoda, New York Times ‘A major work of Scandinavian fiction ...Fosse has written a strange mystical moebius strip of a novel, in which an artist struggles with faith and loneliness, and watches himself, or versions of himself, fall away into the lower depths.’ – Hari Kunzru ‘I hesitate to compare the experience of reading these works to the act of meditation. But that is the closest I can come to describing how something in the critical self is shed in the process of reading Fosse, only to be replaced by something more primal. A mood. An atmosphere. The sound of words moving on a page.’ – Ruth Margalit, The New York Review of Books

Beautiful Resistance Jon Tyson,2020-07-21 In a time of compromise and disillusionment, God is calling his people to a movement of beautiful resistance. We live in a time when our culture is becoming increasingly shallow, coarse, and empty. Radical shifts in the areas of sexuality, ethics, technology, secular ideologies, and religion have caused the once-familiar landscape of a generation ago to be virtually unrecognizable. Yet rather than shine as a beacon of light, the church often is silent or accommodating. This isn’t a new phenomenon. During World War II, pastor and theologian Dietrich Bonhoeffer was deeply troubled by the compromise in the German church. Their capitulation to the Nazi party brought shame and dishonor to the gospel. In response, he helped create an underground movement of churches that trained disciples and ultimately sought to renew the church and culture of the day. In our compromised church, we need new underground movements of discipleship and resistance. Widely respected New York pastor Jon Tyson unveils a revived vision for faithful discipleship—one that dares to renew culture, restore credibility, and replace compromise with conviction. For all who have felt this conflict in the soul between who we are and who God calls us to be, *Beautiful Resistance* is a bold invitation to reclaim what’s been lost—regardless of the cost. Praise for *Beautiful Resistance* “Beautiful Resistance is one of the most compelling and defiant books I’ve read in a long time. I love Jon’s radical, no-messing vision of the church as a prophetic community. This is a wake-up call for us all from the heart of a man who lives his message, loves his city, and serves his Lord with a passion and intelligence destined to become less rare.”—Pete Greig, founder of the 24-7 Prayer movement
