There are rumours of course: of giants, witches, and other made up things. But magic is real enough. She's even seen Jack using it sometimes. So it can't be that bad, can it? Zelig can't tolerate the mystery any longer and decides to climb the twisted fence. In her quest for answers, Zelig discovers the lighter side of magic and befriends some unlikely companions. At the same time, she accidentally re-awakens the giant along with an evil force that threatens every child in the village with a life of slavery. Now Zelig's only option is to learn the forbidden ways of magic and use her wits and new friendships to save her family and bring freedom back to the villagers.

Gnome Coming Ward Parker,2020-07-31 They're coming for you. Can you really blame garden gnomes for having a grudge? They're displayed as kitschy jokes, wounded by weed whackers, peed on by dogs. Missy has to undo the fast-spreading spell and stop the surge of "accidental" human deaths. Getting Gnome Cassandra Wood,2017-07-20 A quiet forest, many missing gnomes, and trio of fairies searching for where they came from. Gnomes have been living in hiding, creating decoys that we commonly know as the garden gnome. Adventure duo Duke and Dale, left their clan of gnomes when they started living this way. They've been travelling across the globe for many years. One night as they reminisce about their old clan, they encounter three fairy sisters who don't know who they are. This is the first time in the history the gnomes meet someone who didn't know who they were. It seems like their decoys have worked, but that means their knowledge has also disappeared. Something is amiss within the clan, the gnomes and fairies set out to make things right and bring magic back to the forest. This is the introductory story to a four-part series about the magical creatures rediscovering who they are and their place within the world.
