Uncomfortable Conversations with a Black Man Emmanuel Acho,2020-11-10 INSTANT NEW YORK TIMES BESTSELLER An urgent primer on race and racism, from the host of the viral hit video series “Uncomfortable Conversations with a Black Man” “You cannot fix a problem you do not know you have.” So begins Emmanuel Acho in his essential guide to the truths Americans need to know to address the systemic racism that has recently electrified protests in all fifty states. “There is a fix,” Acho says. “But in order to access it, we’re going to have to have some uncomfortable conversations.” In Uncomfortable Conversations With a Black Man, Acho takes on all the questions, large and small, insensitive and taboo, many white Americans are afraid to ask—yet which all Americans need the answers to, now more than ever. With the same open-hearted generosity that has made his video series a phenomenon, Acho explains the vital core of such fraught concepts as white privilege, cultural appropriation, and “reverse racism.” In his own words, he provides a space of compassion and understanding in a discussion that can lack both. He asks only for the reader’s curiosity—but along the way, he will galvanize all of us to join the antiracist fight.

AFROLEON Adeboye Oluwajuyitan, M.D.,2022-06-18 Before my version begins to fade, Let me relieve what happened today. Today was not a lifetime of discrimination and shame, But of celebration as a black man living in Ukraine. - culled from the EPIGRAPH A brave and explorative Artisan Calm exterior but he was born a warrior A Leon not bothered about territory A Leon who hunted alone. And a Leon who hurt alone. With a free prefrontal cortex, he came prepared for learning... And learn he did, as his memory campus would get soiled with complex realities. In my first anatomy tour, all I saw were dry cadavers, But by the end of my tenure, I saw my own fresh blood. No tribal marks but you can tell he started out with an Afro. And in this foreign soil, explorations were his special dish. To-and-fro he evolved... and no, he didn't hail from the safari. From a genial ark but he always kept his wits about him. And when he stepped out, he was like a fresh aphrodisiac. Through his eyes, you could hear all of his favorite tunes. Black vanilla at his core as he had a thing for interfacing. General with a stylus brush, Hankie forever in the back pocket. Like his paws, his heart appears four-chambered, But on closer inspection, you see a fifth chamber a short distance away from the rest. A blind Cub walking in the midst of hyenas, With lesions so deep, they suffocated him where it hurt most. The pages are filled with art and expression, As I relive this once-in-a-lifetime experience... Which shaped me into the man I am today.
