Sunday Shopping Sally Derby Miller,2019 Sunday nights are special for Evie and Grandma. That's when they go on their weekly shopping spree. Grandma flips open the newspaper to see what's advertised, and the imaginary tour of neighborhood stores begins. Toting a wallet filled with colorful pretend bills, Evie and Grandma take turns buying whatever catches their fancy. A big chunk of ham, a sofa with a secret, and a dress with spangles are just a few of the treasures they purchase. Most special of all is the jewelry box Evie chooses for the gold heart necklace Mama gave her before leaving to serve in the army--and the bouquet of flowers Evie leaves as a surprise for Grandma. Overflowing with whimsy and a sweet grandmother-granddaughter relationship, this picture book is a joyous celebration of imagination, family love, and making a lot out of what you've got.

The Elocutionists Marian Wilson Kimber,2017-01-19 Emerging in the 1850s, elocutionists recited poetry or drama with music to create a new type of performance. The genre--dominated by women--achieved remarkable popularity. Yet the elocutionists and their art fell into total obscurity during the twentieth century. Marian Wilson Kimber restores elocution with music to its rightful place in performance history. Gazing through the lenses of gender and genre, Wilson Kimber argues that these female artists transgressed the previous boundaries between private and public domains. Their performances advocated for female agency while also contributing to a new social construction of gender. Elocutionists, proud purveyors of wholesome entertainment, pointedly contrasted their acceptable feminine attributes against those of morally suspect actresses. As Wilson Kimber shows, their influence far outlived their heyday. Women, the primary composers of melodramatic compositions, did nothing less than create a tradition that helped shape the history of American music.

Empire of Wild Cherie Dimoline,2020-07-28 “Deftly written, gripping and informative. Empire of Wild is a rip-roaring read!”—Margaret Atwood, From Instagram “Empire of Wild is doing everything I love in a contemporary novel and more. It is tough, funny, beautiful, honest and propulsive—all the while telling a story that needs to be told by a person who needs to be telling it.”—Tommy Orange, author of There There A bold and brilliant new indigenous voice in contemporary literature makes her American debut with this kinetic, imaginative, and sensuous fable inspired by the traditional Canadian Métis legend of the Rogarou—a werewolf-like creature that haunts the roads and woods of native people’s communities. Joan has been searching for her missing husband, Victor, for nearly a year—ever since that terrible night they’d had their first serious argument hours before he mysteriously vanished. Her Métis family has lived in their tightly knit rural community for generations, but no one keeps the old ways . . . until they have to. That moment has arrived for Joan. One morning, grieving and severely hungover, Joan hears a shocking sound coming from inside a revival tent in a gritty Walmart parking lot. It is the unmistakable voice of Victor. Drawn inside, she sees him. He has the same face, the same eyes, the same hands, though his hair is much shorter and he's wearing a suit. But he doesn't seem to recognize Joan at all. He insists his name is Eugene Wolff, and that he is a reverend whose mission is to spread the word of Jesus and grow His flock. Yet Joan suspects there is something dark and terrifying within this charismatic preacher who professes to be a man of God . . . something old and very dangerous. Joan turns to Ajean, an elderly foul-mouthed card shark who is one of the few among her community steeped in the traditions of her people and knowledgeable about their ancient enemies. With the help of the old Métis and her peculiar Johnny-Cash-loving, twelve-year-old nephew Zeus, Joan must find a way to uncover the truth and remind Reverend Wolff who he really is . . . if he really is. Her life, and those of everyone she loves, depends upon it.

Born a Crime Trevor Noah,2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco

Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.
