Who's who in Rock Music William York,1978

Sabbath Bloody Sabbath Joel McIver,2014-08-11 Joel McIver's acclaimed Black Sabbath biography, Sabbath Bloody Sabbath, concluded in 2011 that its subjects were at a crossroads. Could Ozzy, Tony, Geezer and Bill manage after over 40 years in business to get back together one more time? After all, the veteran heavy metal musicians were grieving for their fallen comrade Ronnie James Dio and about to face a devastating medical diagnosis for one of their own. McIver's brand-new, updated volume brings the story up to date with the tale of Sabbath's near-miraculous return to form with the Rick Rubin-produced 13 album, which topped charts worldwide on its release in 2013. In true Sabbath style, however, nothing went entirely to plan, with internal arguments, last-minute band-member replacements -- and a genuine fear that this may be Sabbath's very last shot at glory.

Pink Is for Boys Robb Pearlman,2021-05-18 An empowering and educational board book that proves colors are for everyone, regardless of gender. Pink is for boys . . . and girls . . . and everyone! This timely and beautiful board book rethinks and reframes the stereotypical blue/pink gender binary and empowers kids-and their grown-ups-to express themselves in every color of the rainbow. Featuring a diverse group of relatable characters, Pink Is for Boys invites and encourages children to enjoy what they love to do, whether it's racing cars and playing baseball, or loving unicorns and dressing up. Vibrant illustrations help children learn and identify the myriad colors that surround them every day, from the orange of a popsicle, to the green of a grassy field, all the way up to the wonder of a multicolored rainbow. Parents and kids will delight in Robb Pearlman's sweet, simple script, as well as its powerful message: life is not color-coded.

Chapter and Verse Bernard Sumner,2015-11-03 Bernard Sumner pioneered the post-punk movement when he broke onto the scene as a founding member of Joy Division, and later as the front man of New Order. Heavily influencing U2 and The Cure while paving the way for post-punk revivalists like Interpol, Sumner's has left an indelible mark on punk and rock music that endures to this day. Famously reluctant to speak out, for the first time Sumner tell his story, a vivid and illuminating account of his childhood in Manchester, the early days of Joy Division, and the bands subsequent critical and popular successes. Sumner recounts Ian Curtis' tragic death on the eve of the band's first American tour, the formation of breakout band New Order, and his own first-hand account of the ecstasy and the agony of the 1970s Manchester music scene. Witty, fascinating and surprisingly moving, Chapter and Verse is an account of insights and spectacular personal revelations, including an appendix containing a complete transcript of a recording made of Ian Curtis experiencing hypnotic regression under the Sumner's amateur guidance and tensions between himself and former band member Peter Hook.

Billboard Music Week ,1971-04

Rock N Roll Gold Rush Maury Dean,2003 This monster Rock-n-Roll survey focuses on the songs and the vibrant personalities who create them, for college audiences and the general public. Dean published the world's first history of Rock in 1966. Here, in his ebullient style, he buzzes through piles of musical singles from the whole last half century, describing what is fun about each major and minor hit, pointing out what elements were exciting or new or significant in the development of musical styles. He relates some tantalizing tidbits about the earlier musical heritage that artists have drawn upon in crafting ever more amazing evolutions of rock music. This snappy, witty and informative album has universal appeal, doubling as a coffee-table trivia treasure and a college-level popular music history text. It includes hundreds of photos, chapter questions, and an extensive index. Reader-friendly and informationally complete, it covers soft rock, heavy metal, rhythm & blues, country rock and classic oldies, all with tender loving care, for the specialist and casual listener alike. Its mini-portraits of the artists who move so many hearts (and feet), the photos and the insightful sound bites get to the essence of each song and each musician's contribution to the music of our age. The single-song focus makes the book unique. It's a playlist for R'n'R professors and the general public, written with a collegiate vocabulary, tight organization and a respect for all. Hearing Elvis for the first time was like busting out of jail. - Bob Dylan That being said, no one is being incited, here, to bust out of jail or to emulate the quixotic habits of rock stars. There's nothing in here to hide from the kids, the clergy or grandma. *Gold Rush* can be used as a university or community college text, but most people will grab it for the sheer pleasure of reading about everyone's favorites. Great gift for Rock enthusiasts. *Gold Rush* is the first book of its kind to feature a celebration of the great single songs of the rock era and beyond. *Gold Rush* takes thousands of songs, spanning three centuries, and brings them back uniquely as if they came out just yesterday. *Gold Rush* unites the Anglo-American and later worldwide spirit of Rock and Roll in a tapestry of interconnected melodies and adventures. As Leonard Maltin's *Movie Guide* helps you select videos at Blockbuster, so *Gold Rush* is a powerful playlist for your music collection, with many new and fascinating photos of favorite stars. *Gold Rush* explains the most important stories behind the songs you picked to be played, the songs that 'went gold,' from the 1897 Alaska/Klondike *Gold Rush* to the #1 songs of today and beyond.

The Color Purple Alice Walker, 2011-09-20 The Pulitzer Prize- and National Book Award-winning novel is now a new, boldly reimagined film from producers Oprah Winfrey and Steven Spielberg, starring Taraji P. Henson, Danielle Brooks, and Fantasia Barrino. A PBS Great American Read Top 100 Pick Celie has grown up poor in rural Georgia, despised by the society around her and abused by her own family. She strives to protect her sister, Nettie, from a similar fate, and while Nettie escapes to a new life as a missionary in Africa, Celie is left behind without her best friend and confidante, married off to an older suitor, and sentenced to a life alone with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, Celie begins writing letters directly to God. The letters, spanning 20 years, record a journey of self-discovery and empowerment guided by the light of a few strong women. She meets Shug Avery, her husband's mistress and a jazz singer with a zest for life, and her stepson's wife, Sofia, who challenges her to fight for independence. And though the many letters from Celie's sister are hidden by her husband, Nettie's unwavering support will prove to be the most breathtaking of all. The Color Purple has sold more than five million copies, inspired an Academy Award-nominated film starring Oprah Winfrey and directed by Steven Spielberg, and been adapted into a Tony-winning Broadway musical. Lauded as a literary masterpiece, this is the groundbreaking novel that placed Walker "in the company of Faulkner" (The Nation), and remains a wrenching—yet intensely uplifting—experience for new generations of readers. This ebook features a new introduction written by the author on the 25th anniversary of publication, and an illustrated biography of Alice Walker including rare photos from the author's personal collection. The Color Purple is the 1st book in the Color Purple Collection, which also includes The Temple of My Familiar and Possessing the Secret of Joy.
