Studies on Authorship in Historical Keyboard Music Andrew Woolley,2023-10-31 Authorship is a pertinent issue for historical musicology and musicians more widely, and some controversies concerned with major figures have even reached wider consciousness. Scholars have clarified some of the issues at stake in recent decades, such as the places of borrowing and arranging in the creative process and the wider cultural significance of these practices. The discovery of new sources and methodologies has also opened up opportunities for reassessing specific authorship problems. Drawing upon this wider musicological literature as well as insights from other disciplines, such as intellectual history and book history, this book aims to build on what has already been achieved by focussing on keyboard music. The nine chapters cover case studies of authorship problems, the socioeconomic conditions of music publishing, the contributions of composers, arrangers, copyists and music publishers in creating notated keyboard compositions, the functions of attribution and ascription, and how the contexts in which notated pieces were used affected concepts of authorship at different times and places.

The Piano Shop on the Left Bank Thad Carhart,2002-03-12 Walking his two young children to school every morning, Thad Carhart passes an unassuming little storefront in his Paris neighborhood. Intrigued by its simple sign—Desforges Pianos—he enters, only to have his way barred by the shop's imperious owner. Unable to stifle his curiosity, he finally lands the proper introduction, and a world previously hidden is brought into view. Luc, the atelier's master, proves an indispensable guide to the history and art of the piano. Intertwined with the story of a musical friendship are reflections on how pianos work, their glorious history, and stories of the people who care for them, from amateur pianists to the craftsmen who make the mechanism sing. The Piano Shop on the Left Bank is at once a beguiling portrait of a Paris not found on any map and a tender account of the

awakening of a lost childhood passion. Praise for The Piano Shop on the Left Bank: “[Carhart’s] writing is fluid and lovely enough to lure the rustiest plunker back to the piano bench and the most jaded traveler back to Paris.” –San Francisco Chronicle “Captivating . . . [Carhart] joins the tiny company of foreigners who have written of the French as verbs. . . . What he tries to capture is not the sight of them, but what they see.” –The New York Times “Thoroughly engaging . . . In part it is a book about that most unpredictable and pleasurable of human experiences, serendipity. . . . The book is also about something more difficult to pin down, friendship and community.” –The Washington Post “Carhart writes with a sensuousness enhanced by patience and grounded by the humble acquisition of new insight into music, his childhood, and his relationship to the city of Paris.” –The New Yorker
 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST BOOK WORLD
