Jason Reynolds

Unbound Julie Kaewert, 1997-11-03 Publish and perish.

Plumtree Press is about to launch a bombshell of a book—a fact-based novel about one of Britain’s most revered authors, Marcus Stonecypher, a member of Virginia Woolf’s Bloomsbury Group. Angela Mayfield’s shocking book reveals a series of explosive secret messages in Stonecypher’s own novels published at the turn of the century, messages that implicate him in secrets of publishers past and a treacherous plot to topple the monarchy. It soon becomes clear to publisher Alex Plumtree that someone will go to any length to keep Angela’s revelations from seeing print—but why, decades after the fact, should anyone care? First come anonymous warnings, then, on the eve of publication, Alex’s library of precious first editions is vandalized. When deadly warnings and industrial sabotage imperil the book’s publication, Alex realizes he and his author have made some very powerful enemies. And then the titles of Stonecypher’s books become actual events and Alex finds himself threatened with censorship of the most permanent kind.

If You Were a Penguin Florence Minor, 2008-12-23 If you were a penguin . . . You could swim really fast and toboggan on ice. Sing a happy duet, once or twice. You could live on land but dive under the sea. There's a lot penguins can do, just like you and me! Wendell and Florence Minor create a charming tribute to all the playful fun and activity that comes with being a penguin—which young readers can delight in too!

Pie in the Sky Remy Lai,2020-09-02 El Deafo meets Inside Out and Back Again in this funny, emotional illustrated middle-grade debut novel about immigrating to Australia, being upstaged by an annoying little brother, baking cakes and overcoming loss. When Jingwen moves to Australia, he feels like he's landed on Mars. School is torture, making friends is impossible, since he doesn't speak English, and he's stuck looking after his (extremely irritating) little brother, Yanghao. To distract himself from the loneliness, Jingwen daydreams about making all the cakes on the menu of the bakery his father had planned to open before he unexpectedly passed away. The only problem is his mother's rule: no using the oven while she's at work. As Jingwen and Yanghao bake more elaborate cakes, they'll have to cook up more elaborate excuses to keep their baking a secret - and continue the dream their father started.
