Dreamland Burning Jennifer Latham, 2017-02-21 A compelling dual-narrated tale from Jennifer Latham that questions how far we've come with race relations. Some bodies won't stay buried. Some stories need to be told. When seventeen-year-old Rowan Chase finds a skeleton on her family's property, she has no idea that investigating the brutal century-old murder will lead to a summer of painful discoveries about the present and the past. Nearly one hundred years earlier, a misguided violent encounter propels seventeen-year-old Will Tillman into a racial firestorm. In a country rife with violence against blacks and a hometown segregated by Jim Crow, Will must make hard choices on a painful journey towards self discovery and face his inner demons in order to do what's right the night Tulsa burns. Through intricately interwoven alternating perspectives, Jennifer Latham's lightning-paced page-turner brings the Tulsa race riot of 1921 to blazing life and raises important questions about the complex state of US race relations--both yesterday and today.

If He Had Been with Me Laura Nowlin, 2013-04-02 If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...

Autobiography, Volume 2 Mircea Eliade,1988-07-18 Here finally are Eliade's memoirs of the first thirty years of his life in Mac Linscott Rickett's crisp and lucid English translation. They present a fascinating account of the early development of a Renaissance talent, expressed in everything from daily and periodical journalism, realistic and fantastic fiction, and general nonfiction works to distinguished contributions to the history of religions. *Autobiography* follows an apparently amazingly candid report of this remarkable man's progression from a mischievous street urchin and literary prodigy, through his various love affairs, a decisive and traumatic Indian sojourn, and active, brilliant participation in pre-World War II Romanian cultural life.—Seymour Cain, *Religious Studies Review*

Seasonal Quartet (Autumn, Winter, Spring, Summer) Ali Smith,2021-05-11 From the Man Booker Prize finalist: *Seasonal Quartet* is a series of four stand-alone novels, separate but interconnected (as the seasons are), wide-ranging in timescale and light-footed through histories, which, when taken together, give us something more—all four united by the passing of time, the timing of narrative, and the endless familiarity yet renewal that the cycle of the seasons is. Grounded in current politics, in the work of artists Pauline Boty, Barbara Hepworth, Katherine Mansfield, and Loretta Mazzetti, and in Shakespeare's four final romances *The Tempest*, *Cymbeline*, *Pericles*, and *A Winter's Tale*, the *Seasonal Quartet* is one of modern fiction's most elusive and most important undertakings (Charles Finch, *The Boston Globe*).

Drums, Girls, and Dangerous Pie Jordan Sonnenblick, 2010-01-01 A brave and beautiful story that will make readers laugh, and break their hearts at the same time. Now with a special note from the author! Steven has a totally normal life (well, almost). He plays drums in the All-City Jazz Band (whose members call him the Peasant), has a crush on the hottest girl in school (who doesn't even know he's alive), and is constantly annoyed by his younger brother, Jeffrey (who is cuter than cute - which is also pretty annoying). But when Jeffrey gets sick, Steven's world is turned upside down, and he is forced to deal with his brother's illness, his parents' attempts to keep the family in one piece, his homework, the band, girls, and Dangerous Pie (yes, you'll have to read the book to find out what that is!).
