Leveled Books (K-8) Irene C. Fountas, Gay Su Pinnell, 2006 For ten years and in two classic books, Irene Fountas and Gay Su Pinnell have described how to analyze the characteristics of texts and select just-right books to use for guided reading instruction. Now, for the first time, all of their thinking and research has been updated and brought together into *Leveled Books, K-8* to form the ultimate guide to choosing and using books from kindergarten through middle school. Fountas and Pinnell take you through every aspect of leveled books, describing how to select and use them for different purposes in your literacy program and offering prototype descriptions of fiction and nonfiction books at each level. They share advice on: the role of leveled books in reading instruction, analyzing the characteristics of fiction and nonfiction texts, using benchmark books to assess instructional levels for guided reading, selecting books for both guided and independent reading, organizing high-quality classroom libraries, acquiring books and writing proposals to fund classroom-library purchases, creating a school book room. In addition, Fountas and Pinnell explain the leveling process in detail so that you can tentatively level any appropriate book that you want to use in your instruction. Best of all, *Leveled Books, K-8* is one half of a new duo of resources that will change how you look at leveled books. Its companion-www.FountasandPinnellLeveledBooks.com-is a searchable and frequently updated website that includes more than 18,000 titles. With *Leveled Books, K-8* you'll know how and why to choose books for your readers, and with www.FountasandPinnellLeveledBooks.com, you'll have the ideal tool at your fingertips for finding appropriate books for guided reading. Dreaming in Cuban Cristina García, 2011-06-08 “Impressive . . . [Cristina García’s] story is about three generations of Cuban women and their separate responses to the revolution. Her special feat is to tell it in a style as warm and gentle as the ‘sustaining aromas of vanilla and almond,’ as rhythmic as the music of Beny Moré.”—Time Cristina García’s acclaimed book is the haunting, bittersweet story of a family experiencing a country’s revolution and the revelations that follow. The lives of Celia del Pino and her husband, daughters, and grandchildren mirror the magical realism of Cuba itself, a landscape of beauty and poverty, idealism and corruption. *Dreaming in Cuban* is “a work that possesses both the intimacy of a Chekov story and the hallucinatory magic of a novel by Gabriel García Márquez” (The New York Times). In celebration of the twenty-fifth anniversary of the novel’s original publication, this edition features a new introduction by the author. Praise for *Dreaming in Cuban* “Remarkable . . . an intricate weaving of dramatic events with the supernatural and the cosmic . . . evocative and lush.”—San Francisco Chronicle “Captures the pain, the distance, the frustrations and the dreams of these family dramas with a vivid, poetic prose.”—The Washington Post “Brilliant . . . With tremendous skill, passion and humor, García just may have written the definitive story of Cuban exiles and some of those they left behind.”—The Denver Post

If He Had Been with Me Laura Nowlin, 2013-04-02 If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...

Naptime with Joey Laura Izumikawa, 2022-02-22 From viral Instagram sensation, lifestyle photographer, and mommy blogger Laura Izumikawa comes *Naptime with Joey*, a ridiculously delightful photo book of her now internet-famous daughter dressed up in various pop culture costumes—a perfect gift for new parents everywhere. Lights, Camera...Nap! Joey Marie wears many hats (or, rather, wigs): she’s dressed up as Inigo Montoya, Britney Spears, Beyoncé, Pikachu, Anna Wintour, Moana, and Barb from *Stranger Things*. She’s taken trips to Hawaii, baked croissants, and blasted off to the moon as an astronaut (at least, in her dreams). She’s held occupations such as pizza chef, aerobics instructor, and handy-dandy-fixer-upper (figuratively, of course). She’s inspired a parenting blog, been the face of her mom Laura Izumikawa’s Instagram account—and for the first time, she’s taken the leap from the ranks of internet-baby-snoredom to the pages of a book. *Naptime with Joey* is chockablock full of over a hundred deliciously adorable photos of Joey dressed up as various pop culture characters, movie stars, musicians, vacationers, and holiday-goers, making this the most fun, festive, and downright delightful gift under the sun!

Being Palestinian Yasir Suleiman, 2016-01-21 What does it mean to be Palestinian in the diaspora? This collection of 100 personal reflections on

being Palestinian is the first book of its kind. Reflecting on Palestinian identity as it is experienced at the individual level, issues of identity, exile, refugee status, nostalgia, belonging and alienation are at the heart of the book. The contributors speak in many voices, exploring the richness and diversity of identity construction among Palestinians in the diaspora. Included are contributions from Palestinians living in the Anglo-Saxon diaspora, mainly the UK and North America. They come from a variety of professional backgrounds: business people, lawyers, judges, fiction writers, poets, journalists (press, TV and radio), film-makers, diplomats and academics. Men and women, young and old, Christians and Muslims offer essays, as do Palestinians from different generations (first, second and third generations). This mix of professional, gender, faith and generational categories ensures that a variety of voices are heard. The editor sets the scene with an Introduction, and his Epilogue deals with issues of identity, exile and diaspora as concepts that give sense to the personal reflections.

Key Features

- The first book to gather personal reflections on what it means to be Palestinian
- Contributes to the debate on what it means to be Palestinian
- Asks what the diaspora is for Palestinians
- Looks at how being Palestinian varies across gender, generation, religious affiliation and professional interest.

FROM APF: Is being Palestinian a 'pain in the neck', or a 'sentence to suffer gladly'? Does Palestinian identity reside in cross-stitch embroidery, sweet knafeh and the poetry of Mahmoud Darwish, or defending the rights of oppressed communities around the world? Does being Palestinian in diaspora mean anything at all? In this ground-breaking volume, the first of its kind, 102 contributors from North America and the United Kingdom reflect in their own words on what it means to be Palestinian in diaspora. Exploring how Palestine is both lost and found, bereaved and celebrated in diaspora, and the tangled ties between 'home' and 'homeland', *Being Palestinian* takes the reader on an intimate journey into the diaspora to reveal a human story: how does it feel when you cannot find Palestine under 'P' in the encyclopaedia your father brings home? Why grow fig and orange trees in the Arizona desert? What does it mean to know every inch of a village that no longer exists? Touching, troubling but full of character and wit, the reflections in *Being Palestinian* offer a radically fresh look at the modern Palestinian experience in the West.

There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party

Praise for *Ask a Manager* “A must-read for anyone who works . . .
